Cubs Beat Dodgers While Giants Are Losing Second Straight To Cardinals

(A. P. By Guardian's Special Wire) NEW YORK, April 30.—Tex Carleton shined Dutch Brandt in 11 innings today as the title-defending Chicago Cubs playing at home took another hurler's duel from Brooklyn Dodgers, 2-1.

Brandt was touched for nine hits in the first 10 innings, five of them for extra bases, but was so effective with men on base that Gabby Hartnett's home run that tied the score in the eighth was the only run tally until they placed together the winning run on a pair of scratch singles, a walk and a fly in the second overtime inning.

McFadyen Defeats Former Mates Behind the five-hit pitching of Danny MacFadyen, a former Red at Cincinnati, Boston Bees defeated Cincinnati 2-1 to sweep the two game series.

A double play nipped a budding Red rally in the ninth. Calvin Chapman, utility outfielder, singled for his sixth hit in nine times at bat as a pinch hitter this season, but Babe Herman grounded to Tony Cuccinello who started the double killing. As a result, catcher Ernie Lombardi's second single went to waste.

The Reds scored their one run on an error, a double by Herman,

FINAL GAMES TO BE HELD SATURDAY

(C.P. Cable By Guardian's Special Wire) LONDON, April 30.—Final games of the season will be played by English Football League clubs Saturday with Attention riveted on the doings of the leading teams in the second division and the southern section of the third league.

Manchester United, by virtue of a 3-2 victory over Bury yesterday made sure of promotion to the ranks of England's premier clubs, but whether the Mancunians are accompanied by Charlton Athletic or West Ham United, rival London teams, depends on the outcome of Saturday's tussles. The United lead the league with 55 points, Charlton has 54 and West Ham 52.

Chesterfield regained second division status by clinching the championship of the northern section, third division but in the southern section Coventry City and Luton Town are tied for the championship with the former tipped as likely to obtain promotion.

Interest is lacking in first division games as Sunderland was returned champion by a good margin some weeks ago and last Saturday the demolition of Aston Villa and Blackburn Rovers was decided. The two clubs have not played out of the first division since the league was formed in 1888.

Hull City drops from the second division to the third and will probably have Port Vale as partner although the Midlanders have a chance to escape. Bottom teams in the third division are New Brighton in the northern section and Exeter City in the southern section.

Manchester United play at Hull and should have no difficulty in winning the second division championship with a closing victory. Charlton play Port Vale in London and it will be a struggle to the finish. A draw is sufficient to assume the Athletic of a place in the first league. Its opponents need nothing short of a victory to stay in second division and even that depends on Barnsley being unable to take a point from Tottenham Hotspur. West Ham United has the toughest job of the promotion candidates. The Londoners must take maximum points against Sheffield United at Bramall Lane and by a decisive margin, too, if they are to have any chance at all.

Coventry City and Luton Town each have 55 points, but the former, with a better goal average and a home game Saturday, is favored for promotion. Torquay United plays at Coventry and Luton Town visit's Queen's Park Rangers.

ON THE HITTERS BLOOM IN THE SPRING

— WITH THE COLD WEATHER HANDICAPPING THE PITCHERS, THE MAJOR LEAGUE BATTERS ARE SWINGING FURIOUSLY WITH THE RESULT THAT THERE HAS BEEN AN AVERAGE OF 20 HITS MADE IN EVERY GAME TO DATE.

ON THE SIDELINES

WHO WILL WIN THE Binns-Leslie scrap at the Forum Tuesday night? That question is the one uppermost in the minds of Island fight followers these days as the date draws nearer and nearer for the outstanding Islandistic event in the past ten years—a fight that has stirred boxing followers out of the coma that has enveloped them and bids fair to break all attendance marks for a local mitt-slinging encounter. All over the Island, in every village and hamlet, the bout is being discussed. A special train from the Eastern section was mooted at one time and it now seems that every centre in the Province will be represented when the referee calls the boys to the centre of the ring. More and more it appears evident that the fight will be one to the finish with odds even and now, having witnessed both boys in action our opinion that such will be the case is all the more decided. Yesterday we had the privilege of watching Leslie go through his paces at his training camp, pitched on the wide, rolling acres of "Big Jim" Pendergast's farm at Kensington and this writer left with the deep-rooted conviction that on the night of May 5th those in attendance at the bout will witness one of the closest, toughest, fights ever to take place in an Island ring.

PAY UP AND FERRYBRIDGE ARE FAVORITES

(C. P. By Guardian's Special Wire) LONDON, April 30.—Lord Astor's Pay Up, winner of the two thousand guineas at Newmarket on Wednesday, was moved up to the position of favored candidate for the Derby in tonight's call-over of betting odds.

Following Pay Up's good showing in the first of the classic races, he was quoted at 11 to 2 tonight for the Derby, 1-2 mile classic to be run at Epsom May 27.

Lord Astor's Rhodes Scholar was quoted at 10 to 1. The Aga Khan's Bala Hissar was quoted at 20 to 1; St. Magnus 22 to 1; Abjer and Raeburn 28 to 1; Taj Akbar 33 to 1; His Grace and Walvis Bay 40 to 1.

FERRYBRIDGE FAVORIT

NEWMARKET, England, April 30.—(C. P. Cable)—R. F. Watson's Ferrybridge was favorite tonight for the great spring classic for three-year-old fillies, the One Thousand Guineas, to be run tomorrow.

The call-over of betting odds showed Watson's filly rated at 11 to 4 in the field of 24 probable starters.

The thousand guineas, like the two thousand guineas run Wednesday, is over a one-mile route. Second of the big races for fillies alone is the Oaks, to be run at Epsom May 29.

Odds on other entrants on the eve of the race were: Tideway 9 to 2; Traffic Light 15 to 2; Veuve Cluquet 100 to 12; Harina 100 to 7; Chiberta and Barrowby Gem 21 to 1; Silver Birch and Birmania 25 to 1; Costellate 33 to 1.

The list of probable starters was increased by one with the addition of Sir Hugo Cunliffe-Owen's Constellation. Riding arrangements for Sir Hugo's filly were not definite.

Red Sox Pound Chicago Hurlers For 16-4 Victory; Tigers Lose To Senators

(A. P. By Guardian's Special Wire) NEW YORK, April 30.—The battering Boston Red Sox, with 18 hits and a dozen passes, made a clean sweep of the three-game Chicago series at Boston by pounding four White Sox pitchers for a wild and woolly 16-4 victory.

The American League leaders clinched the game in the first inning with a five-run rally. Then they set off a seven-run blast in the second.

The Chicago turned in a triple play in the eighth, after Rick Ferrell singled and McNair was passed. Melillo lined to Luke Appling, who raced to the left to make the catch. It was a hard smash and both runners started down with the crack of the bat. Appling rubbed out Ferrell with a quick flip to Tony Piet at second and, when McNair stumbled trying to come to a quick stop, the second baseman had plenty of time to relay to Zeke Bonura for the third out.

Cochrane Injured As Tigers Lose Jack Howell slapped a ninth inning single down the third baseline to score Buddy Myer at Washington and defeat Detroit 8-7 in a wild fray which saw the Senators commit a half dozen errors.

Manager Mickey Cochrane of the Tigers was struck on the left instep by a foul ball hit by Powell and the bruise was sufficient to cause him to retire. He will be out of the line-up perhaps for three days.

Clean Sweep For A's The Athletics defeated St. Louis Browns 12-8 at Philadelphia, the victory giving the A's all three games of the local series.

A cluster of four runs in the fourth inning and five in the sixth won for the Mackmen.

Puccinelli led the hitting with three singles, a double and a pass for a perfect day at bat.

Allen Fails to Make Boast Good Monte Pearson, former Cleveland pitcher, held his old mates to four hits at New York as the Yankees downed the Indians 8-1.

Johnny Allen, secured by the Indians for Pearson in a winter trade, was belted for nine hits in the six innings he saw service on the Cleveland mound. Allen had boasted that he would make the Yankees sorry for the trade.

The win gave the Yankees a clean sweep of the three game series.

Team Manager Terms Reports "Ridiculous"

(C. P. By Guardian's Special Wire) WINNIPEG, April 30.—Jack Crawford, Australia's No. 1 tennis player, will not turn professional after this year's Davis Cup matches, in the opinion of Clifford Sproule.

The manager of the Antipodean team said tonight before his charges continued their journey to Chicago, Toronto and Philadelphia that reports Crawford is considering deserting amateur ranks were "ridiculous."

The Australian team, on its way to play the United States in the North American zone of the International Series, was entertained by the Manitoba Lawn Tennis Association during a 24-hour stop-over here.

In the party were Sproule, Crawford, Adrian Quist and Vivian McGrath. Mrs. Jack Crawford, wife of the net star, is also in the party.

"We have the best team we ever had," said Sproule, "and I'm confident Crawford will win his singles match at Philadelphia."

The team arrived from Vancouver last night, and left tonight for St. Paul. Exhibition games will be played in Chicago and Toronto.

Down The Sports Trail

(By Paul Mickelson) (Associated Press Sports Writer) NEW YORK, April 30.—Down the sports trail:

Bad News—Dizzy Dean isn't so dizzy. "Goofy" Gomez isn't so goofy. But "Bad News" Hale, guardian of the third sack for Cleveland Indians, is really bad news. He was given the handle in 1929 when he hammered out seven homers in six days for Alexandria of the Cotton States League. "Bad News" drives in more than 100 runs a year and usually leads the field in accepting chances.

"My great thrill," says the quiet spoken star, "came one day at Washington when I really was bad news. I caught one of Al Thomas' fast ones and parked it over the fence with the bases loaded in the ninth to win."

Gay Defenders—Defending champions of baseball, major and minors, are off to much faster starters this season than a year ago when the toll was so heavy only Detroit Tigers were able to hang on to their pennant.

The Tigers started badly last season but came fast in the stretch to win. This spring they are within knocking distance of first place although the loss of big Hank Greenberg has Manager Mickey Cochrane worried. Chicago Cubs, who had to reel off their remarkable 21-game winning streak to win in 1935, also are close up.

Montreal is third in the International but Syracuse, the play-off winner, is imbedded in sixth place. Minneapolis is but two games out of first in the American Association.

Pick-ups—Baseball writers with New York Yankees say Tony Lazzeri will be missed more by the Yanks than Babe Ruth when he leaves. They rate "Poosh-em-up" as the smartest player in baseball. Mickey Cochrane is included. Joe Gould, manager of champion Jimmy Braddock, says Jimmy McLarnin will beat Tony Cannoneri. "It's a very, very bad match for Tony," says Gould. Madison Square Garden's publicity department hit a new high today. Advertising Al Eba and his match with Dick Shikat, May 5, the P. A. stamped a blurred picture of the Turk with this caption: "Have you seen Al Eba? man or beast?"

CANADIAN TEAMS ARE WINNERS

(C.P. By Guardian's Special Wire) MONTREAL, April 30.—Montreal Royals won their home opening game today when Leon Chagnon pitched the International League pennant holders to an 8-6 victory over Albany Senators for his third win this season without a loss.

The former Giant needed hitting help from his mates who combined their blows for four runs in the fifth inning and three in the seventh. Albany outlived Royals 15-14 but were weak in the pinches.

Catcher George Savino led the Albany attack with two homers and a single while Captain Presco Thompson of Royals hit a homer and two singles. Hal King also got three hits, a double and two singles.

Despite fine weather not more than 5,000 attended.

Five Straight For Leafs Francis Nekola held the Newark Bears to three hits at Toronto as Maple Leafs scored a 2-0 victory over the league leaders before an opening day crowd of 6,500. Threatening weather kept the attendance down. The victory was the Leafs' fifth straight.

It was Nekola's second successive shut-out and his second victory in three starts this season. For five innings he and Kemp Wicker of the Bears engaged in a southpaw mound duel that had yielded only two hits to each team.

Nekola started the Leafs on the way to victory when he opened the Toronto sixth with his first of two singles.

Picks Goodman As Pick Of "Simon - pures"

(A. P. By Guardian's Special Wire) NEW YORK, April 30.—Lawson Little, the writer and lecturer, was talking about Lawson Little, the amateur golf champion, today and he suggested it would be nice if Lawson could knock off work some nice afternoon and dub around for about 18 holes.

As it is now, all he does it write pieces for the papers on golf or write speeches, and he's finding that all the hazards in this world are not filled with sand or water. He can't chip over a split infinitive or explode out of a deadline, for example.

Little has very definite opinions about the current crop of golfing amateurs but he fights shy of an open prediction as to who is most likely to succeed him as United States amateur king.

He lists Johnny Goodman of Omaha, Walter Emery of Oklahoma City and Albert "Scotty" Campbell of Seattle as the leading simon-pure trio and picks Goodman as the best of the three.

SYDNEY MINES, N. S., April 30.—Sydney Mines Rangers will make a strong bid for the championship of the Cape Breton Colliery Baseball League this year, and three imports arrived in town today to bolster the Northside team's line-up.

Ray Boles, last year's champion with the powerful St. Stephen-Milltown Kiln-wards team, arrived to take over as playing manager. George Foster, a flashy hurler and shortstop from the Pine State League in Maine and J. Aycotte of Rumford, Maine, accompanied the New Brunswickers.
