

# Gauthier elected

The Canadian Organization of Part-Time University Students has announced the election of Ms. Paula Gauthier of University of Prince Edward Island as the provincial co-ordinator of COPUS. Ms. Gauthier was named to the post at the organization's recent annual conference.

Ms. Gauthier is a member of the UPEI Senate and is president of Part-Time and Mature Students Association at UPEI, a group whose membership makes

up 40 per cent of UPEI's student population.

MAPUS was formed in 1982 to ensure that adult students are an acknowledged and integral part of the UPEI community. It provides an established framework and channel of communication through which members of the association can promote an understanding and liaison with all areas of the University Campus.

COPUS was formed in 1977 in response to the needs and con-

cerns of part-time university students across Canada. Through their network, the group is constantly working on issues relating to part-time students and post secondary education.

UPEI will be hosting the COPUS Annual Atlantic Conference later this year.

## Senate Candidate

My name is Bob Smith, and I am a candidate for the position of student representative on senate. I am a third-year political studies major, and president of the UPEI Debating Society.

The senate is the supreme policy-making body at UPEI, and it is crucial for the student population to have experienced and thoughtful representation on it. For the past year-and-a-half, I have been one of two students representing the student population of UPEI on the Academic Review and Planning Committee. Briefly, this body advises the senate on long-term planning, and works closely with it in the formation of new programs and academic policy. In my work on this committee, I have dealt with President Eliot, and several other key faculty members on senate. I have also spent many hours discussing and trying to gain a better understanding of the same issues and problems that come before the senate.

In my eighteen-or-so months representing all of us on the ARPC, I have always spoken out for our interests when I felt they weren't being served, and in this, I feel I have represented us well. I believe it is important for a representative to give voice to those student concerns which otherwise might not be heard. I have been deeply committed to ensuring we are listened to in the Senate planning process, and now I ask you to give me the opportunity of representing us on the senate itself.

Andy McAuly Secretary

Elections to be held on the 10, 11, and 12 of October.

# They can make your average anything but.

Smith Corona presents three products that can help make schoolwork academic.

The Smith Corona PWP 2000 Personal Word Processor is in a class by itself. It's so compact it can fit in the most compact dorm room. Yet, thanks to features like a built-in disk drive, 100,000 character DataDisk capacity, and a crystal clear display, it makes it easy to transform B's into A's.

For those who prefer an electronic typewriter, the Smith Corona XD 4600 is the typewriter of preference. With its 16 character display and

approximately 7,000 characters of editable memory, you can have the convenience of word processing features with the simplicity of a typewriter.

Of course, the Spell-Right™ 200 also comes with impeccable references. In this case, a built-in electronic dictionary, a thesaurus, a calculator, even a collection of challenging word games.

So if you're thinking Magna Cum Laude at the end of this year, don't forget to think Smith Corona at the beginning of this year.

For more information on these products, write to Smith Corona Canada, 440 Tapscott Road, Scarborough, Ontario, Canada M1B 1Y4.
