**ROMANTIC RACING YARN HAS SHIRLEY TEMPLE**

A heart-warming love story that brings the grown-up Shirley Temple together with Lon McCallister to the screen, is in store for Prince Edward Theatre patrons today in "The Story of Seabiscuit," the thrilling Warner Bros. film in Technicolor.

With the inimitable Barry Fitzgerald, Irish character actor and comic, co-starring in a leading role, this film story, which employs as its background the events and racing career surrounding the life of the amazing Seabiscuit, promises more than its share of cinematic thrills.

Seabiscuit, from the stable of C. S. Howard, California sportsman, came along in turf annals a few years ago when as a four-year-old, the doughty little horse romped to fame, and fortune for his owner, by beating everything in sight, including War Admiral, another great competitor, in a special match. He amassed one of the greatest earnings totals in all racing history.

Barry Fitzgerald plays the trainer who retains such great faith in a horse that has not shown much form as a two-or-three-year-old, while Shirley Temple is his niece whose brother has been killed in a race in Ireland.

Filmed in color by Technicolor, "The Story of Seabiscuit" promises to be pictorially thrilling as well, what with some of the nation's leading tracks, with their attendant colorful crowds and race days, playing an important part in the film.

**Concludes Ministry At St. Peter's Bay**

After a seven year period Rev. D. W. MacPherson concluded his most successful ministry in the St. Peter's Bay pastoral charge on Sunday April 30. Coming from one of the Home Mission fields of Saskatchewan, Mr. MacPherson made a great contribution to the life of the church by his interest in the many organizations of the church and by leading young people to a new relationship with Jesus Christ.

On his last Sunday at the close of the service in St. Peter's and Marie, Messrs Du Pasquier and Dingwell in remarks and address both emphasized the successful ministry which was coming to a conclusion. Both spoke of the contribution that was made to the life of youth and the countless visits that were made into the homes where sickness and sorrow were present. Many will ever remember the message of happiness, comfort and hope which he brought through his kindly, understanding way. On Monday night the ladies aid of Greenwich presented the family of the Manse with a sizable cheque and address.

Mrs. MacPherson, who came as a stranger from Saskatchewan, through her friendliness and graciousness was a great supporter of her husband in his life work. She was very generously and thoughtfully remembered by the W. M. S. of Marie and St. Peter's.

Suitable and practical gifts were made by the Y. P. Unions where both not only gave invaluable leadership in their spiritual growth and development but also directed five three act plays.

Rev. Mr. MacPherson, besides his clerical work found time to coach the boys of the St. Peter's Bay High School in Softball and Hockey. He was suitably remembered by the pupils with a gift and address and it will be especially appreciated as most of those boys were of the Roman Catholic faith.

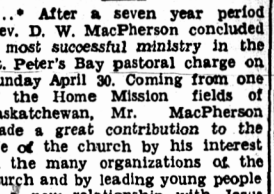

**MANY IMPROVEMENTS**

During the past seven years many improvements were made to the church properties. The Greenwich Church had the roof asphalt shingled and exterior painted; the St. Peter's Bay church had the interior and exterior redecorated, the roof shingled, the foundation repaired, the church wired for electricity and new chimes dedicated to the memory of the dead and living of two world wars; Marie Church had the interior and exterior redecorated, the church wired for electricity, the chair loft, aisles and pews changed; the roof shingled, a partial basement and a furnace installed, the roof of the horseshed shingled, a new foundation under the hall and a new kitchen added which was a special project of the Y.P.U., and the interior and exterior of the hall painted and both hall and church wired for electricity, and new chimes installed; the Manse was completely furnished and wired for electricity, a new furnace and electric motor installed and the roof asphalt shingled.

This historic congregation will still go forward with the same type of co-operation that existed between minister and people. With the same loyalty and good will as the past minister received from the faithful and willing supporters, the new minister can look forward to a still more glorious chapter of Christian service.

**BLASTS OLD PARTIES**

LONDON, May 19—(Reuters) — Lord Beaverbrook's Daily Express today castigates both the Conservative and Liberal Parties for their political strategy and suggests they may be supplanted by a new party if they don't mend their ways. The editorial, headed "Sweep Them Away", was the second in two days to hammer at the two parties for their jockeying during Britain's current political dilemma, with Labor clinging to office on the strength of a slim House of Commons majority.
