By order,
JOHN M. DALGLEISH, Sec'y.
Society's Office, July 25, 1855.

We fully coincide with what we have copied from our contemporary the *Islander*, respecting the Exhibition on Wednesday last, and have to add, that the courtesy, kindness and hospitality of the distinguished inmates of the Government House, threw a charm over the whole, that was duly appreciated by all who were present.

The patronage afforded by the Lieutenant Governor and his amiable Lady, and the zeal for its welfare manifested by the junior members of the family, cannot fail to have a beneficial influence on the prospects of the Society, and procure an interest in its favor. The hour or two of relaxation afforded by the Exhibition was not unprofitably spent, for in addition to the contemplation of the beauties of nature, the very circumstance of so many people of all ranks and classes, and of every age rationally enjoying themselves, has, we are convinced, a beneficial effect on the mind, temper, and heart. We trust, that the Society will increase, not only in numbers but in usefulness, so that not many seasons will have to elapse, before these semi annual exhibitions will present an appearance of far greater variety and precocity, comprehending every kind of flowers fruits, or vegetables, that is or can be raised in these latitudes.

We have much pleasure in acknowledging the receipt of the "*Daily Telegraph and Courier*," published in London. This is the second number, and we learn its circulation bears a favourable comparison with others that have long been established. The paper is conducted with much vigour, and its editorial department displays unusual talent. A worthy citizen informs us, that Lieut. Col. Sleigh and Capt. Daring, both known throughout this Province, are its principal editors. We will cheerfully acquiesce in the request to place it upon our exchange book.—*Halifax Morning Journal.*

We should like to see a copy of the above publication. We know a little of the worthy *soi-disant* Lieut. Col. and can fully appreciate all that falls from his pen. We marvel that he has not extended the request to exchange to ourselves or our contemporaries.—*Ed. Haz. Gaz.*

On Wednesday the 18th inst, the Presbytery of P. E. Island in connection with the Presbyterian Church of Nova Scotia met at Springfield. The Rev. Alexander M'Kenzie was appointed to preach at Springfield on first Sabbath, and then to proceed to the Eastward and labor there until the end of August. The Presbytery agreed to meet at the following places for Presbyterial visitation: On Monday the 24th of September at Western St Peter's, the Rev. James Allan to preach. On Tuesday the 25th, at Eastern St. Peter's, the Rev. John M. M'Leod, to preach. On Wednesday the 26th, at Bay Fortune, the Rev. Isaac Murray to preach.

The following Resolution was moved by the Rev. Doctor Keir, and seconded by the Rev. Isaac Murray and unanimously adopted, That whereas intemperance is a great evil which can never be removed or effectively resisted, while the traffic in intoxicating drinks is continued; it being necessary if we would stop the effect, to remove the cause, therefore,

Resolved, That we the members of this Presbytery, as lovers of our country and our race, and as office-bearers in the Church, cannot but feel a lively interest in the progress of the Temperance Reformation, as evinced by the action of several of the Legislatures of the United States and of the British Colonies, in the passage of laws entirely prohibiting the traffic in all intoxicating beverages. And as such laws, in our opinion, can interfere with the rights of no man, because no man has a right of any name or nature inconsistent with the public good, or at war with the welfare of the community; we therefore shall exert our influence, and do earnestly recommend to the congregations under our inspection and to all others, to persevere in vigorous and well directed efforts, until a law or laws shall be enacted, in this Island, prohibiting a traffic which is the principal cause of the drunkenness and its consequent pauperism, crime, taxation, lamentation, woe and ruin to the bodies and souls of men, with which the country is and has been afflicted.

ROBERT S. PATTERSON,
Clerk of Presbytery.
