WONDERFUL LONGEVITY.—The New Glasgow Chronicle contains obituary notices of five old people whose combined ages amount to 418 years—the youngest being 64 and the eldest 105. They are Donald McPherson, Gairloch, aged 64; Mrs. J. B. Fitch, Pictou, aged 72; Donald McDonald, Gairloch, aged 81; Hugh McKay, Mill Brook, aged 96; and Mrs. John McMillan, aged 105. That is a record not often seen in provincial papers. The people of Pictou have a wonderful record for longevity.

FOOTBALL.—It pays to play football in some places. The annual report of the treasurer of the Yale Association shows that the gross receipts for the past season were \$41,338.85, and the expenditures, \$13,790.69, leaving a balance of \$27,548.16. Of this \$2,530 was given to the coaches, \$3,000 to the track athletic association, \$5,000 to the baseball association, \$3,000 to the gymnasium fund, \$4,000 to the Yale field association, and \$2,013 to the Yale financial union.

A large number of butter crocks, cream crocks and milk pans are now selling cheap at the Cheapest Crockery Store.—W P Colwell. june1 4w d w y

The hands of the patient referred to below were so sore and offensive that he had to wear gloves continually to hide his hands, until he used

PHOSPHOLEINE (Pronounced FOS-FO-LEEN), when they became smooth and soft.

SCROFULA AND SALT RHEUM.

Dear Mr. Esq., I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparillas in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption: The cough was eased, and the patient regained flesh and strength. This case is past curing, and the patient was pronounced so by physicians; but had also obtained of your medicine sooner, would no doubt have been given up the use of alcohol; The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, etc. E. C. NEWBURY.

The Telephone Company

—OF— P. E. ISLAND.

PARTIES using the Telephones would find talking much more satisfactory if they would observe the following rules:—

1st. Speak with the mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Place the telephone so as to cover the ear, just as if you wished to shut out all other sounds. Do not press too hard on the ear.

4th. It is possible to talk and be heard when standing back two or three feet from the transmitter, if you speak loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.
