

IT IS THE FACT, Think as You Please

It is not generally known, but it is a fact readily proven by the investigations of science, that the real danger from every known ailment of mankind is caused by inflammation.

INFLAMMATION Causes Every Known Disease!

Inflammation of the nervous system embraces the brain, spine, bones and muscles. The breathing organs have many forms of inflammation, such as colds, pleurisy, bronchitis, etc.

IN NOVA SCOTIA ANOTHER TRIUMPH

The Case of John S. Morgan, of Bridgewater. PROMINENT BUSINESS MAN.

His Testimony Right to the Point - Cured by Dodd's Kidney Pills.

BRIDGEWATER, N. S., Nov. 9.—(Special).—No business man is better or more favorably known in this part of Nova Scotia than Mr. John S. Morgan, tinsmith of this town.

For eighteen years he suffered from one stage to another in the progress of kidney disease, but without help until he got hold of Dodd's Kidney Pills. He tells the story in his own words and says: "It commenced with backache about eighteen years ago, with lameness and pain in my limbs."

"I was under the doctor's care several times, and took several remedies aside from doctors' medicine, but gradually came to be badly crippled up."

"In the autumn of 1894 I began to run down in flesh and strength rapidly until I was about forty pounds under my usual weight."

"I was then in constant misery from rheumatic pain and the dread of passing urine which was of a very dark color and caused me the most intense misery."

"I realized my danger, but from something I read about Dodd's Kidney Pills I made up my mind to use them, and commenced at once."

"I have used twenty boxes, have regained my weight, and I am now as strong and well as ever before in my life."

"When I commenced using Dodd's Kidney Pills I was entirely unfit for the duties or enjoyments of life, and they have saved and prolonged it. I trust my testimony may be the means of doing good to others."

A heavy snow storm prevailed at Huron, S. D., a few evenings ago. Trains were delayed and telegraph and telephone communication interrupted.

A FAMOUS MAN!

What the Roserabos Have Done for the World. All successful and distinguished men have imitators, and Dr. Chase, the well-known author of Chase's Kidney Pills and 100,000 copies of Chase's Ointment, proved no exception to the rule. Dr. Chase's discoveries have many pretended rivals, but no equals.

Long scientific researches produced Chase's Kidney-Liver Pills and Chase's Ointment, the first certain cure for all kidney, liver, stomach, bladder and rheumatic troubles; the latter an absolute specific for chronic and offensive skin diseases. Among his other discoveries were Chase's Catarrh Cure and Chase's Linseed and Turpentine for colds and bronchitis.

During 1895 the Canadian manufacturer, Edmondson, Bates & Co., 45 Lombard street, Toronto, gave away free 500,000 samples of Chase's Kidney-Liver Pills and 100,000 samples of Chase's Ointment. The return they brought proved how much they were appreciated, and free distribution of samples will be continued during 1896. Those at a distance should enclose a 5-cent stamp and also receive a sheet of the latest music in return.

The steamer Tyrion, which left Halifax on October 21st with a cargo of fish and potatoes valued at \$15,000, has been towed into Bermuda in distress. No particulars.

Completely knocked out. "I was so much run down I had to give up work, and I felt as if life was not worth living," writes Wm. W. Thompson, Zephyr, Ont. "I took Scott's Sarsaparilla and now feel as if I did years ago."

Scott's Sarsaparilla tones up the entire system, purifies the blood, and eradicates rheumatic and scrofulous poisons. Ask for Scott's and get it.

Collectors of customs have been instructed that under no circumstances are postage stamps to be removed from postal packages or parcels while the same are under customs control. This will put a stop to the habit some clerks have of collecting foreign stamps by taking them off parcels.

Chase's Kidney-Liver Pills. Chase's Pills have gained popularity because they are a specific for the uric acid condition, prevent Bright's disease, cure Rheumatism and all Catarrhal conditions of the Kidneys and Bladder. They do this because they possess remarkable diuretic and deturic properties, exerting a wonderfully soothing influence on irritated or inflamed mucous membrane of the kidneys or bladder. One pill a dose. 25 a box. The cheapest medicine in the world.

IT'S A TREAT TO DRINK

"I think I shall try the two volume system with my next novel," said Timmons. "Isn't that sort of thing out of date?" asked Simmons.

"But this is a new scheme. I'm going to marry them off to apply at the end of the first volume in the good old style, you know. That will catch the mothers. In the second volume the villain, the elopement and the divorce appear. That will catch the daughters. Isn't that great?"—Indianapolis Journal.

A Dancer's Judgment. At a certain commencement of a certain law school several women were admitted to the bar.

Among them was one who created quite a stir when she walked across the platform to receive her diploma. She wore the deepest mourning, a flowing crepe veil nearly enveloped her figure, and she led a little child by the hand.

As the company were dispersing a masculine spectator commented upon this apparition to his wife, who was with him. The wife did not agree with him that it was a curious notion of the new lawyer: "I think it showed her activeness," she asserted. "She made us all understand her story, by that somewhat theatrical appearance."

"She told us that she was a widow, left by her recent bereavement in pecuniary straits, and with a little boy to look after, as well as to support herself."

"I think she judged fairly of human nature, and that she stands in a fair way, both of proving a quick witted lawyer and of getting all the work that those who witnessed this scene can throw in her way."

BREACHES IN THE WALL. The Weak Spot, the Kidneys—They must be Guarded as Life Advances—Defence Strengthened by Dodd's Kidney Pills.

POST OFFICE, Oct. 26 (Special)—Citizens called on here to watch for correctness of the following statement, without an exception endorsed it as true. Mr. Chas. Gilchrist, Chief of Police and government Fishery overseer of his own case said:—"For ten years my distress increased until the doctor called it Diabetes. At times my suffering was intense, and medicine taken did no good. At last a friend assured me that Dodd's Kidney Pills would cure me. A few boxes have kept that promise, and I thank these pills for a perfect and I believe permanent cure."

The Paris Gil Blas publishes an interview with the Paris representative of the Cuban Republican committee, in which he is quoted as declaring that the result of the election is a triumph for Cuba, which, however, he declared, would be free before the new president arrives at the White House.

It Saved Our Child. "My little daughter, three and a half years old, suffered three times with Eczema. Her little body was covered with the itching rash, and doctors did no good. Four boxes of Chase's Ointment entirely cured and saved our child. Her skin is clear and not a sign of rash is to be seen." Andrew Alton, Harford, Md. Mr. Alton is one of thousands benefited by this untailing cure for piles and skin diseases.
