N.B.-P.E.I. Team Eyes 2nd

THE NEW Brunswick - Prince Edward Island team could place as high as second in the Canadian junior inter-provincial golf team matches in Charlottetown next month, Jack Cullen, Edmundston, chairman of junior golf development in N.B.-P.E.I., said in a Saint John press interview earlier this week.

"This is the youngest team we've ever collected. All four boys are eligible again next year, and we think out team could pull a few surprises this year", he said.

The team consists of Doug MacAfee, 17 Sussex; Keis Muibers, 17, Campbellton; Pierre Rosignol, 17, Bathurst; and Bobby Irwin, 16, Charlottetown. The four won their team berths by finishing in the top positions at last weekend's annual tournament at the Westfield Golf and Country Club.

MacAfee had a record seting gross of 214. Muibers had 220 and Rosignol and Irwin had 222. MacAfee also led the sectional playoff at Aroostook Valley to gain a berth on the two-province Willingdon Cup team.

Until 1962 the N.B.-P.E.I. entry had finished last in the Canadian championships. In 1962 in Moncton however, the team tied for sixth and last year at Victoria, B.C., they were fifth.

Cullen said Bobby Irwin would be a great benefit to the N.B.-P.E.I. team on his home Belvedere course. "This kid is tough, he showed that last weekend", said Cullen of Irwin. "He displayed unusual composure for a boy his age."

Irwin, who made the cutoff for the final round by two strokes, came on strong to score a 70 and gain a slot on the team. He was out in 40 and home in 30, neeting only nine putts on the final nine holes. He two putted the 16th and blasted in from a sand trap on the10th.

Off The Cuff

WITH SUNSHINE Island Dairy's top three pitchers in Montreal this week for a junior tryout with New York Mets, 16-year-old **BOBBY STULL** kept the Dairymen's end in Charlottetown by throwing a four-hitter at the Bike Shop Wednesday for a 9-1 win. Kelly, Weatherbie and McQuaid have been tops on the mound for the juvenile-aged Dairymen. If coach **CHARLIE RYAN** can smooth off some of the 'rough edges' on Stull, he may have a fourth top notch pitcher...... **LYALL HUGGAN**, who won the Charlottetown Junior tennis championship Wednesday, is a good bet to pick up the provincial crown this weekend. If his performance is good enough, he may go on to represent P.E.I. in the Canadian Junior championship .... **YVON COURNOYER**, a red-hot prospect to make Les Canadiens this fall, is a smart second-sacker for the National Junior League All-Stars, a team taking part in the Canadian Junior baseball chmpionships in Montreal this week .... **SUMMERSIDE JUNIORS** are making final plans for another crack at the Maritime baseball championship. Without last year's pitching star **DONNIE SCHURMAN**, the Juniors will be counting on **PAUL MACWILLIAMS** and Gerald Smith this year. It looks like their chief opposition this year will come from Kentville Cardinals, who blew their playoff series against Dartmouth last season .... The first half of the Island Amateur Men's golf championships goes at Belvedere tomorrow with more than 80 golfers competing. The final 18 holes will be played in Summerside next weekend. **ART MACKENZIE** is defending champ.

All-Stars Capture Contest

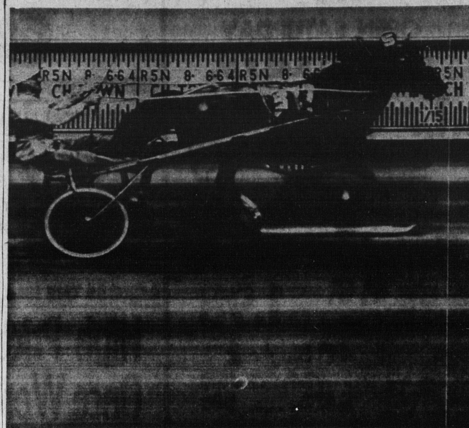
The National Park All-Stars walked off with top honors in the Charlottetown city softball league last night. The Park shaded the BIS Shamrocks 4-3 in a sudden death thriller at the new softball diamond. The two teams were tied at the end of the regular league schedule.

Lenus Misnre belted a triple and Joe Caswell contributed a double to allow the Park squad to jump into the lead in the first inning.

George Bradley doubled for the Irishmen in the second frame and Bob Holmes singled to tie the game up at one all. The Shamrocks went into the lead in the third inning when George Bradley walked and Lester Taylor belted a double.

The All-Stars came back to tie the score in the bottom of the fourth. The game was deadlocked until the final inning when John Hughes belted a long home run to win the game for the All-Stars.

Saturday afternoon will see the playoffs get underway. Johnny's Hawks will tangle with the All-Stars in the first game and in the second game the Main Brace Mariners will be pitted against the Shamrocks.



SETS NEW MARK

Shown above is Doc Wilson with Art Burbine up on the bike. Mr. Burbine reined the two year old to a new mark of 2.14 as he captured the win position in the fifth event. On the eight dash card at the Charlottetown Driving Park, last night. The Burbine reined entry is owned by Arnold MacLennan, Summerside.

Hamilton Football Entry Suffers Loss Of Fullback

HAMILTON, Ont. (CP) — A familiar ailment plagues Hamilton Tiger-Cats as they open their defence of the Grey Cup they won last November—a hole in their offensive backfield.

It's the same weakness that limited the Ticats to a mediocre 3-4 record in the first half of the 1963 season. Then they acquired Jim Pace from New York Giants and Art Baker from Buffalo Bills and they haven't lost a league game since.

Baker is back this season, along with a vastly improved Willie Bethea. But Pace, whom coach Ralph Sazio was couning on as Baker's partner in a twin-fullback formation, spent only a week in training camp before returning home for surgery on an injured foot. He isn't expected back.

But before consigning Hamilton to the lower echelons of the Eastern Football Conference, a look at their remaining assets is in order.

They still have the incomparable Bernie Faloney pitching to Hal Patterson, Dave Vitti, Tommy Grant and Garney Henley, the mostformidable array of receivers in the east, bolstered by rookie Stan Crisson from Duke University to spell the 31-year-old Patterson at offensive end.

BACKFIELD STRONG

Their solid defensive backfield — Henley, Don Sutherin, Joe Zuger, Steve Hmiel and Ralph Goldston—has been bolstered by newcomer Charlie Calhoun, who also supplements Zuger as a punter.

Rookie Ed Versprille is expected to join linebackers Bobby Kuntz and Zeno Karcz with John Cimba, the only new Canadian, in reserve.

Bobby Jack Oliver, acquired from Montreal Alouettes in a trade for Bob Minihane, adds even more ferocity to the fearsome defensive line of all-stars Angelo Mosca and John Barrow, Gene Ceppetelli, and Pete Neumann. Neumann's partner at defensive end has not yet been chosen.

On the offensive line, all-star guard Hardiman Cureton has been shifted to tackle to fill in for Gino DeNobile, who has retired. But Ellison Kelly, another all-star, will be bark along with Ken Kilrea, Bronko Nagurski, Joe Pikula and Chet Miksa from last year's champions.

Legion Downs Loop Leaders

SUMMERSIDE — The legion downed Curran and Briggs 7-6 in baseball action here last night. Despite the loss Curran and Briggs have latched onto first place with one game remaining, that against the A. E. MacLennan Pontaics, they have a 6-4-1 record. The Legion as a result of their win finished the season in second place with six wins and six losses. They won their last four straight games to do it. The Pontiacs will finish in third spot. Their record at the moment is 4-6-1.

Don Schurman got credit for the Legion win although Curran and Briggs threatened to tie the score in their final at bat in the seventh inning. With the score 7-4, Curran and Briggs rallied for two runs and had two runners in scoring position but Schurman got Alan Gaudet on a called strike three to end the game. Schurman had a total of eight strikeouts and was tagged for seven hits.

Jack Pate, pitching with a sore arm took the loss. Pate, like Schurman allowed a total of seven hits. He got six batters on strikes.

Dave Matheson had two hits in four trips for the Legion while Alan Gaudet with a double and two walks was top man for Curran and Briggs.

Line Score	R	H	E
Curran and Briggs	6	7	1
Legion	7	7	2

HUNTER'S CORNER

Island Trout Are Scarce; Black Ducks On The Way

Our trout appear to be practically non-existent of late. High water levels and cold weather, for this month that is, and heavy rainfall gives trout unlimited space for foraging food, and their is an abundance of tit bits, dear to a trouts' heart ready for the taking. As a rule August is not a productive trout month, particularly so in what is known as 'The dog days period' that we have escaped this summer to date. Water levels are high and trout have unlimited space in which to forage for food.

As a rule shallow water becomes tepid during a hot, dry summer and trout congregate in the areas where springs keep the water reasonably cool. Recently I heard an old time trout fisherman complain about the failure of his old August 'stand by's' to produce like they did in former years. A week of hot, dry weather could produce a change in his luck.

By mid-August we should be seeing the odd flock of black ducks and king spidery skeins against a fall-like skyline. To date I have just spotted three broods of black ducks. . a five, six and seven. The seven were a few days old only on the 5th.. . just downy like yellow midgets. The brood of five, seen on the 4th, were fully feathered and could make short flights if the need arose. The brood of five I saw on July 11th were approximately a week old.

I have done some inquiring with regard to our local black hatch this season and broods are evidently below average in respect to brood count compared to bygone years when the average count per brood was in the eight and nine bracket. The average this season is on a par with last year when the first noticeble rop in blood count was evident.

Its our Ruffed Grouse. . .Native partridge to most of us. . . that show unmistakable signs of producing a bumper crop this year. Covey's are being reported and 'dusting baths' are a frequent sight along woodland trails where outcroppings of fine sand and dust occur. Its our Hungarian partridge that show signs regaining their old time numbers as encouraging reports are coming in from country districts where they were practically non-existent a few years ago.

I have received numerous inquiries on whether or not there is going to be an open season on Huns this fall. If such a move is made, and there is no valid reason for not having an open season, the consesus of opinion is that it should be for local residents only. This columnist has an open mind in this connection but is in perfect agreement for making Huns legal game this fall. It was open in 1958 through to 1960 when the Horsemen of the Stubble were fighting on the comeback trail. In 1961 the hand writing was on the wall. . . they had won the battle for survival.

The sixty-five dollar question: "Why was the season closed on Huns in 1963?" has not yet been answered. That's a hard question to answer and be perfectly honest about it. This columnist has no axe to grind regarding an open season on Huns for they were tough targets when I was more limber then I am at present but there are hunters with top Setters and Pointers that need some good workouts. There is no point in keeping good dogs just for ornaments when both they and their masters stand in need of healthful exercise.

Calgary Native Fires 57 In Dominion Rifle Action

By JOHN SHORT

CALGARY (CP) — Gayle Hitchens from Vancouver who captured the Canadian Women's Open golf championship in 1962, led the field into the third round of the championship Thursday as she downed Carolyn McLure of Saskatoon 5 and 4.

Miss Hitchens wound up the match two under par to equal the approximate medal score of Betty Stanhope Cole of Toronto. Mrs. Cole strapped Pam Miller of Oshawa, Ontario junior team member, 5 and 4.

Major upset was the one in which Sue Hitlon of London, Ont., defeated Sandra Post, 1964 Canadian junior women's champion from Milton, Ont. 1-up.

Marlene Stewart Streit of Toronto, Nancy Stoddard of Toronto, Marg Masters of Ottawa, Ruth Wilson of Vancouver and Gail Harvey of Toronto also advanced to the third round.

Mrs. Streit, in search of her ninth open championship, defeated Una Wyckham of Tauranza, N.Z., 4 and 3. Miss Stoddart beat Alice Hunt of Calgary 3 and 2; Miss Wilson stopped Rosemary Phillips of Cornwall, Ont., 4 and 3; Miss Harvey stopped Helene Gagnon of r vida, Que., 3 and 2; and Miss Masters, former Australian women's champion defeated Harriet Glanville of Long Beach, Calif., 1 up.

Semi-finals will be played today. The 36-hole final is scheduled for Saturday.

Doubles Champs Are Declared

Lyall Huggan and Ginger Breedon teamed up to capture the eighteen and under City doubles championship at the Charlottetown courts, yesterday. The winners defeated Jamey Kennedy and Mark MacPherson in the semi-final round 8-6, 7-5. Ron Steadmen and Bill Taylor defeated Barry Burley and Gordon Michael 6-3, 6-2 in the other semi-final.

In the finals Huggan and Breedon downed the Steadman and Taylor in straight sets 6-4 and 6-1 to cop the championship.

The Charlottetown club will be the scene of the provincial tennis tournament today with action scheduled to get under way at 9.30 a.m. All Charlottetown representatives are requested to be at the local court no later than 9.00 a.m.

If the competition is of a high enough calibre there is a good chance of the provincial winners receiving an all expense paid trip to the Dominion junior tennis finals which are staged annually in Ottawa.

Major League Baseball Action

By THE CANADIAN PRESS

Bill White and Dick Groat each drove in two runs and powered the St. Louis Cardinals to a 5-3 National League victory over the Chicago Cubs Thursday.

In the American League, Rich Rollins's seventh-inning fly ball was lost in the sun, dropped in for a triple and drove home the winning run in Minnesota's 6-5 victory over the Boston Red Sox.

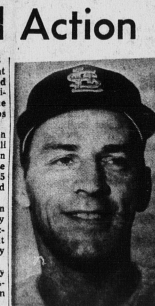
In Chicago, Bob Gibson worked out of numerous early jams and posted his ninth victory against as many losses. It was his first triumph since July 19.

The Cardinal collected only four hits off loser Dick Ellsworth, but they bunched them in two scoring innings.

An error by Andre Rodgers set up Groat's run-scoring single in the first inning and Ken Boyer boosted his league-leading RBI total to 79 with a double that scored Groat.

Right fielder Lee Thomas lost sight of Rollins' fly and the ball fell behind him for three bases driving in Zoile Versalles with the run that broke a 5-5 tie in the Twin Cities.

Harom Killebrew's 39th homer of the season, a two-run shot in the third, gave the Twins a 5-4 lead that held until the seventh when a walk to Carl Yastrzemski and singles by Dick Stuart and Bob Tillman tied it.



DICK GROAT

The Red Sox opened with four runs in the first inning, the first on a homer by Felix Mantilia A walk, an error, a single by Stuart and a sacrifice fly by Tillman brought in three more runs.

Harness Racing At Charlottetown

Sunny King owned by Blois and Norman MacPhail, Cornwall and Duration owned by H. S. Stead and Dr. J.L.F. Burge, Charlottetown emerged as double dash winners in last night's harness racing action at the Charlottetown Driving Park.

The largest pay on last night's card was $40.60 for a $2.00 double ticket on the first and second dashes. The winning competition was Audrey's Pride owned by Mrs. Lloyd Thompson, Crapaud and teamed by Emmett Bernard and April Budlong, an N.D. Hal mare owned by Joe Fraser, Woodstock, N.B., with Harold Stead in the sulky.

The fastest time on the card was paced by Sunny King as he circled the oval in 2.10-2 to lead the pack to the wire in the third dash.

The Quinella event was worth $13.30 for a ticket on the twosome of Sunny King and Rysedyke. The exactor paid $10.80. The winning combination was Doc Wilson, a promising two year old, and Sir Smart.

Callie Hal and Sunny King teamed up on the second daily double event which was featured on dashes six and seven for a pay of $16.60.

Drugmen Nip Plumbers 4-3

SUMMERSIDE — Lou White clouted a lead off home run in the bottom of the sixth inning to give Enman Drug a 4-3 win over Inman Plumbing here last night. The Prince County league contest, played in rain most of the time was the opening game between the two clubs in a best of three semi-finals.

Inman Plumbing, a team that were tough to beat in the latter part of the schedule after a horrendous 14 straight losses, proved troublesome last night.

Inman Plumbing got two runs in the first inning on Bob Sleigh's two run single off pitcher Pete Devana. But in the third frame Enman Drug knotted the contest 3-3 on a 'Coke' Grady home run with a man aboard. Inman Plumbing had previously scored their third run in their top half of the third inning when Jack MacLaren doubled home Jim Jenkins who had singled.

The score remained 3 all until the deciding seventh when with two out, Don Aubin, Inman Plumbing first baseman, dropped a foul pop up outside the bag, giving 'life' to Lou White who then hit his game winning homer on Grabowski's next pitch.

Devana recorded five strikeouts. Grabowski, giving up only four hits got four whiffs. Jenkins and MacLaren got two hits apiece for Inman Plumbing.

Inman Plumbing	3	6	1
Enman Drug	4	4	1

Australia Leads Canadian Open

MONTREAL (CP)—Australia assumed almost complete control of the men's singles event at the Canadian Open tennis championship Thursday as its Davis Cup team grabbed five of the six playoff berths.

Whitney Reed of Alameda, Calif., idle Thursday, cracked the all-Australian grip on the singles event but his grasp could loosen quickly when he meets second - seeded Fred Stolle today in a quarter-final match.

Stolle, top-seeded Roy Emerson and John Newcombe all gained quarter - final berths while Tons roche and Owen Davidson, the fourth and fifth members of the Aussie squad, reached the semi-finals.

SUMMERSIDE — The Summerside Juniors will travel this Saturday to Morell to play an exhibition baseball game. The Juniors will leave from Queen Elizabeth ball diamond at 3.30 p.m.

Asphalt Surface Draws Attention

ST. LAMBERT, Que. (CP)—The spring in the track is likely to get as much attention as the spring in the athletes when Canada's Olympic track and field trials are staged at Seaway Park today and Sturdy.

Seway Park is so new that the builders were working frantically Thursday to get it finished.

Some of the early arrivals among the field of 256 entered in the trials to pick Canadian competitors for the Oct. 10 Olympic games at Tokyo grumbled about the lack of training facilities.

St. Lambert's $100,000 track-field stadium, built on reclaimed seaway land across the St. Lawrence River from Montreal, became the subject of a national controversy last fall because of its unconventional running track.

The track is made of a commercial asphalt (Grasstex) that has a rubbery spring to it unlike the loose-footed traditional cinder tracks.

RECORDS MAY FALL

That extra bounce is expected to give athletes a break, and records are likely to tumble all over the place. But whether these records will ever get official sanction is still unknown.

The International Amateur Athletic Federation, world governing body for track and field, so far refuses to recognize records set on anything but the conventional cinder track.

The Amateur Athletic Union of Canada has indicated it will vote to accept records set on St. Lambert's new track when that body meets here prior to the trials.

Every province except Newfoundland has entered a team at the trials.

Club Owner Defends Dark

SAN FRANCISCO (AP) — Horace Stoneham, owner of San Francisco Giants, denied Thursday reports he plans to fire Alvin Dark as manager.

Stoneham denied "all reports a managerial change is contemplated."

At the same time, he said he feels Dark's reply to a New York newspaper story quoting the manager as downgrading the ability and intelligence of Negro and Latin American players "has been very generally accepted."

Stoneham called the story "exaggerated and distorted."

"Personally, I find his reply completely satisfactory and want to take this occasion to deny all reports that a managerial change is contemplated." Stoneham said.

SILVER GIFT

HARLOW, England (CP) — David Millar, 6, received a silver pass for a year's free swimming when he became the 1,000-000th swimmer at this city's indoor swimming pool.

SPORT IN KINGS

M. Kelly Sets New Record; Souris Loop Is Very Close

By ED CLINTON
Souris Bureau Of The Guardian

The Eagles from Georgetown have practically sewn up first place in the King's County Baseball League. One more victory in their remaining games will assure them of at least a tie. Two victories will put them out of reach. In the battle for second place, Mt. Stewart took over sole possession on Sunday by edging Morell on Art Coffin's one-hitter.

Six teams will be in the playoffs this year, and in this regard, a thrown out game is looming more and more important all the time. On the first Sunday of the schedule, Vernon River walloped Souris, but the game was ruled out and ordered replayed. In their second meeting, Souris blanked them, and thus the replay could decide sixth and last playoff spot.

Young Mike Kelly of Morell set a new league strikeout record in their game with Cardigan two weeks ago. He racked up twenty-three batters, to beat the old record by two. In the same game, Lawrence MacIntyre tied the old record, and their combined total is a record for a single game. MacIntyre is a prime contender to break the season strikeout record of one thirty-three set last year by Erwin Connolly.

The official league record for home runs is three, and is set this year by Eliot Hendregan of Mt. Stewart Reports are that others have hit more than this in one season, but, they have never been officially recorded. Since the season hasn't ended Eliot may add to this total. Gary Clark, also of Mt. Stewart is only two doubles away from tying a league record set last year by Erwin Connolly, who had six.

This Sunday will see three games being played. Two of the games will see teams meeting for the first time. These games are Souris at Morell, and Cardigan at Peakes. The other game will have Mt. Stewart going over to Georgetown, where they will try to avenge an early season defeat, and at the same time try to stay in contention for first place. A Georgetown victory would clinch first place for the Eagles.

The Souris Town League is having quite a battle for first place between the Centertowners and Uptowners. At the present time, the former holds a slim one game lead over the second place team. These two teams put on a terrific show on Sunday afternoon past, going three extra innings before the Centertowners could emerge victorious.

Eric White of the Uptowners picked up his fifth victory of the season last week, and this establishes a new league record for wins during a season. And the regular schedule is only a little past the half-way mark. He is also leading the league in strikeouts. Wayne MacDonald of the Centertowners is the leading pitcher, and also has the best earned-run average with a mean 1.54.
