The Conductor's Large Acquaintance. "When I was out in Chicago at the opening of the World's fair," said a friend of mine, "I had occasion to make a call on some old acquaintances on the West Side. The first man in that portion of the city had many of them the baptismal names of women, and as I lived there at one time the calling of them by the car conductor sounded familiar to me, although it seemed to puzzle the countryman on board."

Interesting People. "What makes a person interesting?" It cannot be intellectual brilliancy, for we have all known men whose minds were stored with the best thought of the world, yet wholly failed to interest us; women whose brains were developed by the widest culture, yet were unable to appear other than dry as dust catalogues of knowledge.

Earthquake Phenomena. The wild, untamed earthquake is a terrible thing to encounter. The "quake" rendering of the earth's surface and the other incidental accompaniments usually described are only a tithe of the real terrors of a seismic shock.

GRATEFUL, PLEASING RELIEF AFTER MANY DAYS. How a Queens County Man Found Permanent Healing.

His Own Experience Tells Fully and Freely some Truths which all Readers of this Paper Should Know. Here and there, in almost every town of our province, are "chronic" cases over which doctors disagree; cases that become worse year after year. It is to reach such of the gentlemen to whom these lines refer, and whose portrait is here given, has written the story of his case.

Mr. Branscomb's home is in Chipman, Queens Co., N. B. It was there that a representative of the Groder company called upon him, Sept. 1st, of the present year. His greeting was most cordial. He gladly acknowledged his thanks, giving expression to the following statement:

"It is five years since I first became afflicted with a form of indigestion. Last winter it became more severe, developing into chronic diarrhoea. I cannot tell you how much I suffered or SIX LONG WEEKS. It seemed as though relief could not be found. You will remember how I told you of my condition and asked your advice about taking a bottle of GRODER'S SYRUP. You told me that the medicine was a laxative and might not meet my needs. I delayed buying for a few hours until I began to hope that it would help me. Even my clothes seemed burdened because of bloating of stomach. It was with difficulty that I kept about sufficiently to attend to my business.

But I am a well man now from the use of your remedy. In three days after I bought GRODER'S SYRUP the terrible pain and distress across my stomach were removed. My bowels rapidly assumed a natural, healthy condition. Now I eat and drink as well as I ever could. I have gained constantly in flesh since March last. I am perfectly cured. It seems a duty for me to state my case fully, that others who suffer as I did may know where to find a cure."

Removed! I HAVE REMOVED MY Bookbinding Business AROUND THE CORNER ON Grafton Street, (IN THE SAME BUILDING), where I will be pleased to see all my old customers. The cheapest place in the City to get your Books. Day Books, Ledgers, Journals, Cash Books, etc. a Speciality. J. D. TAYLOR

Desperately Popular. Our readers have no doubt read with interest the despatches almost weekly appearing in this and other Canadian journals regarding cures of a most startling nature made by Doid's Kidney Pills. These pills have proven themselves to be a certain cure for all diseases of the kidneys and blood, such as backache, rheumatism, Bright's disease, diabetes, dropsy, etc.

Two More Gold Medals. It must be gratifying to the manufacturers of "Sunlight" Soap to find their goods so splendidly appreciated in the Canadian market; and it must also be pleasing to them to receive the highest recognition at Canadian exhibitions for the superior quality of their soap. At the recent Fall Shows held at London and Ottawa, "Sunlight" was rewarded a Gold Medal, which brings their gold medal list up to 14. Added to this grand record is the important fact that "Sunlight" is used in Windsor Castle and in the Royal Laundries, and owing to the excellence of their soap, the manufacturers have been specially appointed soap makers to the Queen.
