

ANOTHER VICTORY.

Mr. R. Morrow Cured of Lumbago by Dodd's Pills

TORONTO, Nov 28.—The vast majority of Torontonians know and esteem Mr. R. Morrow, the able and popular agent for the Toronto Amer Light Co.

For this reason the following statement made in writing by Mr. Morrow, possesses unusual significance.

"Two years ago I was attacked by Lumbago and kidney trouble which caused me intense suffering, I took several different remedies without any benefit. Then I began using Dodd's Kidney Pills, and was completely cured by them."

Lumbago is unusually prevalent this fall. All sufferers should know that Dodd's Kidney Pills are the only known cure for it. They never fail.

During the visit of the German Emperor to Messina there was played at a concert given by the band of the Hohenzollern, a piece composed by the Emperor, himself.

Keep Minard's Liniment in the House

The business portion of Weyanwega Wis, has been burned. Twenty substantial buildings are in ruins.

Every household should have on hand a box of Dr. Chase's Ointment. The diversity of uses to which it can be put and the many doctor's bills it saves warrant its taking first place in the family medicine chest. All dealers sell and recommend it.

One of the hangmen of Australia went on strike for increased salary, after having learned that the chief executioner of Paris received an annual income of \$1,500 a year, nearly three times the Australian man-butcher's income. He was finally convinced that his duties were less arduous than those of his Parisian contemporary, and he is now doing business at the old stand.

Catarrh and Hay Fever.

If its Hay Fever that is the bug-bear of your life you won't know the pleasure of freedom from it till you've tried Dr. Chase's Catarrh Cure.

One hundred artists, sixty men and forty women will find a comfortable home in the new institution in Milan which Verdi has had erected for destitute and disabled musicians.

Minard's Liniment is used by Physicians

A terrific explosion caused the deaths of four soldiers occurred at Castle Island in Boston Harbour on Tuesday afternoon. The men were engaged in unloading Government mines.

Pain in the Back.

Being troubled off and on with pains in my back, caused by constipation, I tried several kinds of pills I had seen advertised, and to put the truth in a nutshell Dr. Chase's Kidney-Liver Pills are the only pills that have proved effectual in my case. I can heartily recommend them.

The best recently purchased by the Russian Ambassador at Madrid, the "Christ with the blue eyes," is pronounced by experts to be the work of Michael Angelo. The discovery has created a sensation in the world of art.

Minard's Liniment Lumberman's Friend

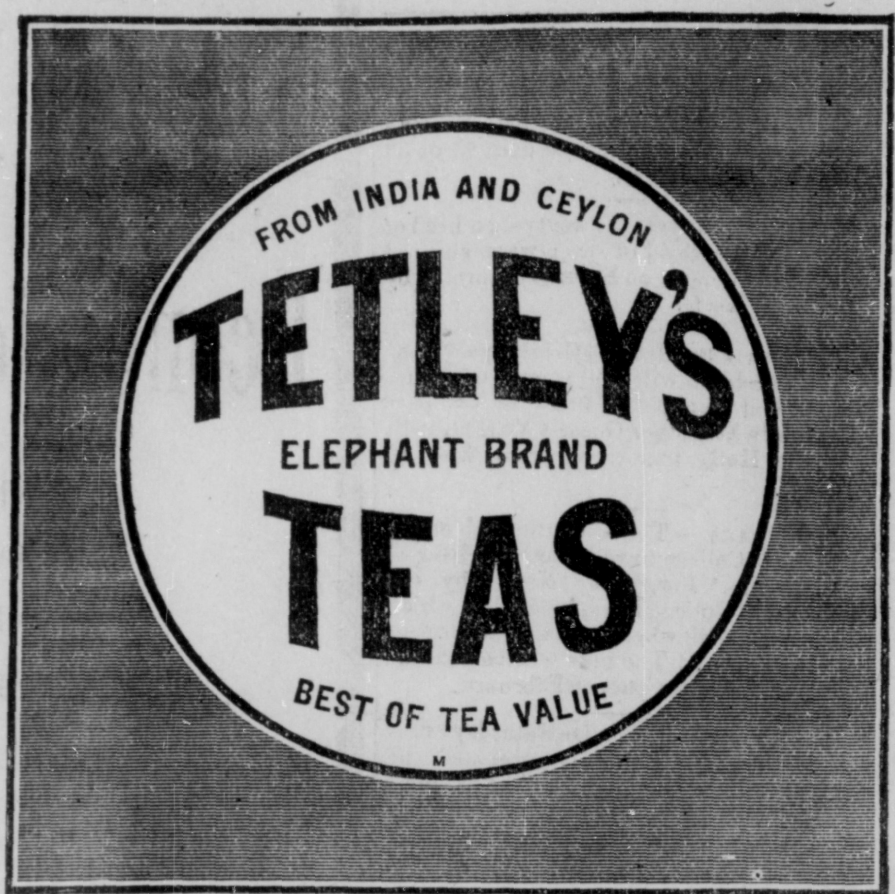

Secretary Alger has received a letter from General Woods as to conditions at Santiago. The General says that matters of every kind are adjusting themselves to the new conditions, and that people are returning to their homes and to work; that business is reviving; that churches and schools are opening and every looks to better and happier days.
