DEATH NOTICE

JOSEPH A. MacDOUGALL

The death occurred in the Charlottetown Hospital on Sunday, April 19th of Joseph A. MacDougall formerly of Summerside in his 83rd year. His death came as a severe shock to his many relatives and friends as he had been apparently in good health until Thursday when he suddenly became ill making it necessary to hospitalize him where his condition became worse until he passed peacefully away early Sunday morning. Mr. MacDougall, a son of the late Peter MacDougall and Martha MacDonald, was born in Grand River, Lot 14 but moved with his family to Summerside while quite young. After working for some time with the late W. J. Lidstone the deceased clerked for many years with Brace MacKay and Co. Ltd. Retiring in 1951, he moved to Charlottetown to reside at the Sacred Heart Home where his quiet and unassuring manners made for him many fast friends. He was fortified during his last illness by the last rites of the Roman Catholic Church by the Rev. Father Bernard Gillis a life time friend. Mr. MacDougall was unmarried but after the death of his sister Margaret, Mrs. James Campbell of Boston, Mass. he took into his home her four children and cared for them, Earle and Clarence predeceasing him. Aletha, Mrs. Marton Larkin, New Glasgow, P.E.I. and Vera, Mrs. Robert Michael, of Somerville, Mass, who along with several nieces and nephews in U.S.A. survive to mourn the loss of a loving uncle. The funeral largely attended was held on Tuesday morning, April 21st. at 10 o'clock from the Compton Funeral Home to St. Paul's Church, Summerside where Requiem Mass was sung by Rev. Father E. Richard, who also held the Services at the grave. The Pallbearers were Hon. E.P. Foley, T. Earle Hickey, Harry Crossman, Ben Arsenault, Arthur Clow, Arthur Arsenault. MONTREAL

MONTREAL (CP)—Prices fell off towards the close and the Montreal and Canadian stock exchanges suffered the second straight narrow decline amid moderate trading Wednesday.

Losses outnumbered gains by a good margin and four of the six stock indexes lost ground. Index gainers were the golds and banks and advances were narrow.

The only other section of the market to advance was the base metals. Aluminium was the highlight, up 1⅛ at 28⅞.

Losses predominated in the rest of the market and extended to more than a point. Simpsons lost 2 at 33.

The pipelines were fractions lower. Several losses in the papers and foods were a point or more.

New Formaque was the most active speculative, gaining 4 cents at 31. However, most speculative mines were lower.

The closing averages show the banks up .08 at 66.10, utilities off .2 at 158.3, industrials off 1.3 at 309, combined off 1 at 258.7, papers off 2.1 at 434.6 and golds up .85 at 90.13.

NEW YORK

NEW YORK (AP) — Heavy selling hit space age stocks and upset the entire stock market Wednesday. Turnover was the heaviest in a week.

Electronics and other issues related to rocketry and missiles suffered declines running to about a half-dozen points.

An estimated $1,400,000,000 was clipped from the quoted value of stocks listed on the New York Exchange, based on the fall in the Associated Press average.

At the worst of the selling the ticker tape was as much as three minutes behind transactions.

Raytheon, the day's most active stock, led the decrease, dropping about 7 points at worst. It took a net loss of 6½ at 60⅛.

There was some spotty improvement in late dealings.

Raytheon, among other electronics which have enjoyed huge advances over past months, was removed from some "recommended buy" lists.

The AP 60-stock average fell $1.10 to $228.60.

Among Canadian issues, Aluminium Ltd., gained 1⅛, International Nickel 1 and Distillers Seagrams ⅜ while Canadian Pacific fell ¼, Dome Mines 1 and McIntyre Porcupine 1½.

On the American Stock Exchange, Canadian Marconi advanced ⅛ and Eureka 1-16 while Molybdenite, Preston East Dome and Sapphire Petroleums each fell 1-16.

TORONTO

TORONTO (CP)—All sections of the stock market lost ground Wednesday amid the slowest trading of the year.

Golds, buffetted by profit-taking, dipped two points on index. Western oils improved slightly after touching a low for the year but still closed down nearly a point on index. Base metals were off more than a quarter of a point.

Final volume of 2,524,000 shares was the lightest since Dec. 11, when 2,315,000 shares were exchanged.

Observers said the main reason behind the decline was the loss suffered Wednesday on Wall Street. Golds, which had advanced strongly in the last few sessions, were the victims of selling for profit.

In mines and western oils, key issues generally declined in a moderate range while a few low-priced stocks in each list had small gains. Most losses were moderate.

Index losses: golds 2.02 to 93.06 base metals .33 to 173.85; western oils .96 to 128.15.
