A Statement of Facts.

On July 9th, 1891, after the present government obtained office, the actual debt of the Province, according to a statement furnished by the Assistant Provincial Secretary, amounted to

\$53,442.21

Mr. Peters, then leader of the Government, declared that there after revenue and expenditure would be made to meet—but there has never been a year since he made that statement without a deficit. Here they are:—

Deficit 1891	\$ 20,292.20
Deficit 1892	37,651.29
Deficit 1893	119,942.33
Deficit 1894	20,164.21
Deficit 1895	32,862.80
Deficit 1896	14,135.35
Deficit 1897	38,201.65
Deficit 1898	43,611.54
Deficit 1899	36,915.03

Total, \$373,923.40

The Conservatives imposed no TAXES. The present government collected the following taxes in six years:

1894—Taxes imposed	\$ 45,182.81
1895—	47,661.00
1896—	48,466.10
1897—	46,674.50
1898—	44,935.97
1899—	55,668.68

\$288,649.06

The present government claim credit for having made the following reduction in the expenditure:

In the abolition of the Legislative Council	\$5,000
In the administration of Justice	3,000
In the Public Lands Office	1,217
In printing, &c.	800
In abolition of the Reporter for the House	400

\$10,417

The average expenditure of the Conservatives for the twelve years they had the government, was \$278,959; and the above savings having been made, the average expenditure of the present government should have been \$268,542. But, as a fact, the average expenditure of the present government for the past nine years was \$304,511, or \$35,969 per year more than they claimed it should have been.

The Conservatives obtained an additional subsidy from the Dominion Government of \$20,000 per year. The present government obtained—NOTHING.

The last year the Conservatives were in power they paid for interest \$2,697.44.

The present government paid for interest last year **\$19,075.75.**

In other words, the ADDITIONAL SUBSIDY of \$20,000, obtained by the Conservatives, is now paid away by the present government for INTEREST on the DEBT created by them.

In a statement furnished by the Government on the 22nd May, 1900, the debt of the Province was made up as follows:—

Balance due Banks	\$159,365.63
Debentures 1891	185,000.00
Debentures 1898-1899	35,000.00
Deposits with the Government	152,435.77

\$531,801.40

If you add to this,

Debentures authorized last session	\$48,000.00
Sinking fund used up	11,030.30
Amount due Winsloe estate	4,538.87

\$63,568.17

You have a total debt of **\$595,370.57**

On the 31st Dec. next there will be due

1/2 salary of Teachers	\$26,000.00
1/2 year's interest	10,000.00

\$36,000.00

Making a total of **\$631,370.57**

as the debt of the Province.

The present government says it spends more for Education than the late government. Well, the Conservatives spent for the years 1879 to 1890 the average sum of \$104,181 yearly.

The present government's average expenditure on education from 1891 to 1899 was \$121,868 yearly, or \$17,687 more than the Conservatives.

But they saved \$10,417 per year which the Conservatives had to pay, and they collected on an average \$48,108 per year IN TAXES, while the Conservatives had NO TAXES.

The people may ask where the additional expenditure goes. Well, the answer may in part be found in the fact that more is spent upon the roads—BUT ONLY IN ELECTION YEARS.

In 1893 they spent on roads \$50,178.

In 1897 they spent on roads \$28,190.

In 1899, when there was NO ELECTION, they spent only \$14,913.

In 1893 and 1897 there were elections.

This year, as there are two elections, the expenditure will probably reach, if not exceed, that of 1893.

The government are spending about \$50,000 per year more than the revenue, and are now collecting \$55,000 per year in taxes.

The debt of the Province is over \$600,000, and if the present state of affairs continues the debt will soon be so great that no more money can be borrowed. Then will come TAXATION with a vengeance.

The electors have now the opportunity of stopping this reckless expenditure, by voting the present incapable and extravagant party out power on the 12th December.

ONCE IN A WHILE.

Nixon Waterman in the Presbyterian Review.

Once in a while the sun shines out, And the arching skies are a perfect blue;

Once in a while 'mid clouds of doubt Hope's brightest stars come peeping through.

Our paths lead down by the meadows fair,

Where the sweetest blossoms nod and smile,

And we lay aside our cross of care Once in a while.

Once in a while within our own

We clasp the hand of a steadfast friend;

Once in a while we hear a tone

Of love with the heart's own voice to blend;

And the dearest of all our dreams come true,

And on life's way is a golden mile;

Each thirsting flower is kissed with dew

Once in a while.

Once in a while in the desert sand

We find a spot of the fairest green;

Once in a while from where we stand

The hills of Paradise are seen;

And a perfect joy in our hearts we hold,

A joy that the world cannot defile;

We trade earth's dross for the purest gold

Once in a while.

Sad Suicide.

LEWISTON, Me., Dec. 5.—The body of Isaac Parker, who resided near the line between Lewiston and Greene, and who committed suicide Tuesday afternoon by drowning, has not been discovered, although search was made Wednesday by Wm. Harris and his son Edward. Mr. Parker's coat was found containing a letter to his wife, in which he said he should go over the dam in a boat, tie a stone to his neck and jump into the water.

She Was Pale and Languid

Mrs. E. McLaughlin, 95 Parliament street, Toronto, states: "My daughter was pale, weak, languid and very nervous, her appetite was poor and changeable; she could scarcely drag herself about the house, and her nerves were completely unstrung; she could not sleep for more than half an hour at a time without starting up and crying out in excitement. "As she was growing weaker and weaker I became alarmed, and got a box of Dr. Chase's Nerve Food. She used this treatment for some weeks, and from the first we noticed a decided improvement. Her appetite became better, she gained in weight, the color returned to her face, and she gradually became strong and well. I cannot say too much in favor of this wonderful treatment since it has proven such a blessing to my daughter." Dr. Chase's Nerve Food is the most effective treatment for the ailments and weakness of women that is obtainable. 50 cents a box, at all dealers', or Edmanston, Bates & Co., Toronto.
