

NEW, MIRACLE ELECTRONIC EAR HIDES DEAFNESS

CHICAGO, (Special)—An amazing new electronic ear which hides deafness and transmits even whispers with startling clarity, has been revealed by a noted Chicago electronic scientist.

He disclosed that this miraculous new discovery has rendered old-style hearing aids obsolete almost overnight, and brings new hope to the 15 million persons in the United States who are hard of hearing.

He reported that this electronic ear enables the deaf to hear without any button showing in the ear and without dangling battery wires.

To acquaint the hard of hearing readers of this paper with this new miracle electronic ear which hides deafness, full details are described in a fascinating booklet, "New Discoveries to Help the Deaf Hear." It will be sent free in a plain wrapper to anyone who requests it. Address: Electronic Research Director, 1450 West 19th Street, 5973 Bellone Building, Chicago 8, Ill. A penny postcard will do.—Adv.

Lessons From Europe

(Continued from page 4)

This would not require an outlay of British currency; all that would be needed would be the skilled supervision and the machinery and equipment. At the present time, we are not buying those from Britain anyhow. It might also be possible to obtain machinery from British Co-operatives, supplies of commodities, such as drugs and some hardware which are difficult for Canadian Co-operatives to obtain.

(To be continued)

Ladies Aid P.E.I. Hospital Monthly Meeting Held

The regular monthly meeting of the Ladies' Aid of the Prince Edward Island Hospital was held at the Cundall Home on Monday, December 3rd, with twenty-three members present.

The meeting was opened by the president, Mrs. Gordon Avarad, with the Lord's Prayer repeated in unison.

The minutes of the previous meeting were read and adopted.

A motion was passed appointing Mrs. W. E. Cotton, Mrs. Gordon Avarad and Mrs. J. W. MacKenzie to act as a committee for the turkey supper to be held in Hearty Hall on January 30th.

The resignation of Mrs. Gordon Leitch as convener of the turkey supper was respectfully accepted.

The treasurer's report was then read and approved; and the outstanding bills were authorized to be paid.

A list of articles required for hospital use was read by the chairman of the Buying Committee.

Mrs. W. E. Cotton gave a very interesting report of the Hospital Aids' Association Convention which she and Mrs. Avarad had attended at St. Andrew's in June.

As the January meeting will be the annual meeting, all committees were requested by the President to have their reports ready to be presented at that meeting.

On motion of adjournment, tea was served.

Saurel Prepares For Northern Trip

Captain A. Chouinard arrived here by plane over the weekend to sail on the next trip of the C. G. S. Saurel for the Northland. Capt. Chouinard has captained several ships which have sailed further into the northern waters than other Canadian skipper have gone.

The Government ice breaker will attempt to deliver supplies to outpost stations closed in by ice to the extent that normal deliveries cannot be made.

Capt. Chouinard, who will travel on the Saurel, is thoroughly familiar with Ellsmere Island, one of the most northern posts presently existing.

BIRTHS, MARRIAGES DEATHS 50c per Insertion

MRS. JOHNSTON'S LADIES' WEAR. Beautiful values.

NEW REVISED hockey schedules at Jack Cameron's.

ENGLISH "VIVELLA" SHIRTS in authentic Tartans \$12.95. Henderson & Cudmore.

DIES IN THE U.S.A. — The death occurred suddenly in Somerville, Mass., Dec. 9, 1951 of Harry Marshall, youngest son of Mrs. Bessie Marshall, East Royalty, formerly of North Rustico.

LOTTERY WINNERS — The box of candy at the Charlottetown Hospital Nurses' Guild Gift Table was won by Miss Shirley Pohard, 55 Upper Prince St. The Teddy Bear was won by Mrs. John Smith, Central Hotel, City.

ATTENDED DAIRY SCHOOL—Messrs. Percy G. Gay, John A. and Percy M. Simmonds recently returned from Montreal where they attended a Dairy School in the Mount Royal Hotel. A feature of the school was the demonstration of equipment used in the industry. About 95 Canadian dairymen were in attendance.

VISITING PROVINCE — Mr. Abdul Rahman Salamani, of Pakistan is visiting the Province for the purpose of studying the co-operative marketing system on the Island. Mr. Salamani is the Inspector of co-operative services for Baluchistan, a province of Pakistan, and while in the Maritimes is receiving the assistance of the Extension Department of St. Francis Xavier University in Antigonish.

TRINITY SONG SERVICE—Trinity Young People's Union held their regular Sunday Song Service last evening. The guest artists for the evening were Frances and Catherine Craig who sang two very enjoyable duets. The singing was led by Leith Stetson and Guernsey Trites with music capably supplied by Mr. O. K. Presby at the piano. The service was concluded by a prayer led by Mr. Irwin. All the young people are invited to the service against next Sunday.

ADDRESS TO STUDENT TEACHERS—On Friday afternoon, Miss Lena McLure, A. T. C. M., gave a very interesting talk to the student teachers, Prince of Wales College on "A Graded Syllabus in Speech, Art and Drama." Miss McLure demonstrated her theory with effective interpretation of various types of literature. A vote of thanks for a most entertaining and instructive program was extended to Miss McLure by Miss Doreen Cusack on behalf of her classmates.

COUNTY MAGISTRATE'S COURT — A resident of Charlottetown, convicted on a charge of possession of intoxicating liquor at a place other than his residence, was fined \$20 and costs or 30 days by Magistrate Gilbert A. Gaudet in the Queen's County Magistrate's Court on Saturday morning. Two other cases which appeared were adjourned for one week upon the request of the defending counsel. They involved a resident of Kingston, charged with the theft of potatoes, and a resident of Charlottetown, charged with retaining possession of stolen goods.

CITY POLICE COURT — A vagrant was sentenced to 60 days in jail by the Stipendiary Magistrate on Saturday morning, and of three men charged with being drunk and incapable, one was fined \$10 and costs or ten days, the second \$5 and costs or 5 days and the other was remanded for one week. A speeder was fined \$20 and costs or 20 days, and a car driver who failed to stop after being involved in two accidents was remanded for one week when he pleaded guilty to the charges. The latter case arose following a collision between a car and a horse drawn wagon on Prince Street, with damage to the wagon estimated at \$75. The car failed to stop after this accident and after subsequently colliding with a panel truck a few yards further north on Prince Street. The car involved in the accidents was reported stolen by the owner and found the next day near the railroad tracks at the foot of Prince Street. An investigation by the City Police led them to believe that the owner had been the operator of the car at the time of the accident.

Advanced Registry Swine Board Report

The Advanced Registry Board for Swine has issued a report which shows the following P. E. Island owned sows recently qualified:

Muriel 7D, Lorne Ferguson—10-169-86.

Bubbeu Elsie 7E, F. MacAulay and Son—10-178-81.

In the above scores, the first figure indicates the number of pigs saved in the tested litter.

New Holy Redeemer Hall In Charlottetown

Pictured above is the recently completed Holy Redeemer Community Centre which is expected to be formally opened sometime within the next month. Of brick and concrete construction, the modern structure houses facilities for sports, culture and welfare activities and will fill a long felt need in the parish. The main auditorium is fully equipped for dramatics and has a seating capacity of seven hundred and fifty, with a balcony running across the back of the hall. Gymnasium facilities are also included, along with bowling alleys, community rooms and offices of the Credit Union.

St. Pauls Evening W.A. Annual Meeting

The annual meeting of the Evening Branch St. Paul's Church Woman's Auxiliary was held on Monday evening with the retiring president, Mrs. Gordon F. Roper in the chair and 19 members present.

Following the regular opening devotional service, and routine business, the reports of the various officers were read as follows: Treasurer, Miss Beverly Vandertine; Dorcas Secretary, Miss Eleanor Clapp; Living Message Secretary, Mrs. W.B. Whiteside; Educational Secretary, Miss Louise Hazard.

Mrs. Roper, in her report, briefly outlined the year's work and thanked the members for their cooperation during her two and one half years in office.

The following are the officers and committees elected for 1952: President, Mrs. G. B. Whiteside; 1st vice-president, Mrs. Barry MacLaren; 2nd vice-president, Mrs. H. R. McInnis; treasurer, Mrs. Beverly Vandertine; recording secretary, Mrs. L. G. Thacker; corresponding secretary, Mrs. G. E. Soy; Dorcas Secretary, Miss Eleanor Clapp; assistant Dorcas Secretary, Mrs. P. D. Williams; Educational Secretary, Miss Louise Hazard, with Mrs. Laura Clapp to take over in fall; Living Message Secretary, Mrs. H. R. Carruthers.

Quilt committee: Mrs. J. E. H. Worth, convener; Miss Florence Owen and Mrs. H.G. MacWilliam; delegates to annual meeting, Mrs. P. A. Soucy and Mrs. H.E. Miller, Jr.; substitutes, Mrs. Soy and Mrs. Roper.

The opening meeting will be held on January 7th. Following Benediction a delicious lunch was served by the tea committee, with Mrs. Worth, Mrs. Soy and Miss Clapp as hostesses.

St. Paul's Branch 'A' Annual Meeting

The annual meeting of St. Paul's Branch A was held on Dec. 6th in the Parish Hall with an attendance of 26 members. The president, Mrs. J. G. Rodd, presided. The meeting opened with singing of hymn 73, "Thy Kingdom Come", followed by prayer and Scripture reading. The different reports of the officers showed a very successful year. Again our babe was shipped to All Saints' Residential School Alberta and was much appreciated.

The officers elected for 1952 were as follows: President, Mrs. J. G. Rodd; Vice President, Mrs. Harry Miller; 2nd Vice President, Mrs. Cecil Kemp; Secretary, Mrs. Parker Moore; Treasurer, Mrs. J. A. Bentley; Corresponding Secretary, Miss Maud Haslam; Dorcas Secretary, Mrs. Champin; assistant, Miss H. Wakeford; Educational Secretary, Mrs. Hemming; assistants, Miss McMillan and Mrs. Newman; Thank Offering Secretary, Miss A. Horne; Living Message and Cent A Week Secretary, Miss A. Lewis; Prayer Partner Secretary, Mrs. Walter Matheson; Social Service, Mrs. J. G. Rodd.

Teachers' Executive Meeting Saturday

Tentative plans for Education Week, March 2-8, 1952, and for the annual Easter convention of teachers were discussed in Federation office on Saturday, December 8, at a joint conference of the publicity committee and the Federation executive.

Present were all members of the conferring groups except Mr. J. R. Murphy, Summerside, who, because of illness, was not able to attend.

Miss Estelle Bowness, chairman of the publicity committee, led the discussion re Education Week. Though broadly representative last year, the Education Week committee will be further increased in its member groups. Early in January, a meeting of the provincial committee will be convened to lay more definite plans for the Week.

Miss Mabel Auld acted as chairman of the Easter convention discussion. Plans are being arranged whereby more instruction groups will be conducted in order that teachers may be able to make a choice of groups attended. Mr. Claude Campbell was appointed an additional member to the convention committee; and Miss Dorothy Auld, a member to replace Miss Vera Simpson (now in Edmonton) as co-chairman with Miss Mabel Auld.

Mr. Elmer Pineau, chairman of the provincial-federal aid committee, was sincerely commended for his most comprehensive and worthy report on the conclusions of his committee meeting recently held in Summerside. Mr. Pineau's report, indicating our provincial Federation's policy on federal aid, was adopted by the executive and will be forwarded to C. T. F. office at Ottawa.

After considering the question for some weeks, the executive finally decided to support the C. T. F.'s move to join the W. C. O. T. P. (The World Confederation of the Organizations of the Teaching Profession).

Reporting on the final outcome of an attempt by the Island Federation to arrange for a continuous contract, thus making for greater security of tenure among its teachers, the general secretary outlined what had been done over a period of two years. After a rather hopeful beginning and a great deal of effort by the executive and contract committee, the matter has now been pronounced a dead issue, and the well-laid

SLIGHT ERROR

LONDON—(CP)—Accused in a court case here, the man in the dock was given his choice of lawyers and pointed to one with the remark "I'll have that one". The chosen lawyer replied: "I'm sorry, you can't have me. I'm prosecuting you."

HISTORIC HABIT

Snuff boxes of gold and silver with precious stones were widely used when the taking of snuff was fashionable in olden times.

phone Company jobs have just commenced and will likely employ more men after the foundations have been completed. It is unusual that building contracts of this kind are undertaken at this time of year.

While optimistic over the present picture, the local Employment Office pointed out that real winter weather could hinder construction work greatly and bring about enforced layoffs. But meantime Charlottetown has more people steadily employed than is usual at this time of year.

Employment Outlook Better

Officials of the Charlottetown National Employment Office believe the employment outlook to be considerably more favorable than at the same time last year, and quote figures to uphold their opinions.

In substantiating this cheerful appraisal of the outlook, the number of person drawing unemployment insurance benefits at present is given as 525 as against 650 at the same date last December. These figures take in the whole of King's and Queen's Counties whose combined populations total about 60,000. The figures represent a decline of more than 25%.

It is pointed out that large numbers of the working population are always out of work during the winter months in Canada, and such a situation is referred to as "seasonable unemployment", and there is nothing unusual about it.

There are several new employment factors which have brought about the more encouraging local situation. Two of these have to do with Canada's increased defence expenditures; the ship repairs being done on military aircraft by the Maritime Central Airways. Between these two plants over a hundred extra people are being given extended employment.

Other activities contributing to better employment prospects are a \$850,000 extension to the Canada Packers plant on Grafton Street, an addition to the P. E. Island Telephone building on Queen and Fitzroy Streets, repairs to the Post Office building, and continuing work on the erection of the new Science Laboratory of the Dominion Experimental Farm on Malpeque Road.

The Canada Packers and Tele-

HOLMAN STORE NEWS

HOW TO WIN THE PRIZE before the race is run!

Watch Jimmy go!

He's mighty fleet on his feet. And you can just bet that he'll win first prize in this race.

Some day Jimmy will grow up. He'll have a job. And he'll get married. Then he'll discover that one of the prizes he wants most to win is financial security for his family. But he'll be able to win this prize "before the race is run"—with life insurance.

For you see, the full protection of life insurance begins the moment you make your first premium payment and the premiums that you set aside regularly can, if you so desire, help you win some of the "prizes" that savings provide—such as a college education for the youngsters, a travel treat or a new home!

Nowadays the savings you can make with life insurance are more important than ever. For, like all savings, they help to check inflation. And, because they are long term savings, their inflation-checking power is all the greater.

So keep up your premium payments. Add new life insurance as you need it. And save money—every way you can!

Life insurance dollars serve you these other ways!

Did you know that a large part of every life insurance dollar is put to work in investments that bring you—and all other Canadians—extra benefits?

Each year, hundreds of millions of these dollars are used in this way to help provide some of the nation's most important industries and public works. Result: new schools, highways, power plants, oil pipelines, industrial plants, home-building projects and many other vital services that help raise living standards.

Today, nearly five million thrifty Canadians are co-operating to provide security for their families . . . working to check inflation . . . and promoting national prosperity . . . by paying premiums regularly on their life insurance policies.

The LIFE INSURANCE COMPANIES IN CANADA and their representatives
