# M. C. A. Advances To Second Place With 11-6 Victory Over Air Force

Tommy MacFarlane's Maritime Central Airways baseball team advanced into third place in the Island Baseball League yesterday afternoon by walloping the Summerside R. C. A. F. team 11-6 at the Summerside Airport.

Veteran lefthander "Lefty" MacAleer picked up his first win of the season as he hurled the M. C. A. baseballers to victory. Brown started on the mound for the losers and was replaced by McCullough in the seventh.

M. C. A. catcher Arnold MacCallum led the local players assault on the Air Force pitchers with two home runs, one in the first and another in the fifth inning. MacCallum also doubled in the eighth.

Gunner Cox and leftfielder Green of the R.C.A.F. contributed home runs to their team's cause. Richard and MacKenzie each came through with two hits.

# Horne Motors, Win 2nd Straight Softball Game

Horne Motors won their second straight victory in the City Softball League yesterday evening by defeating the Liguorian Youth Club 13-10 in a game played on the Old Diamond.

As a result of their win Horne's moved into a last place tie with Bruce Stewart's in the league standings. Each team has four points.

Ivan Connors, a newcomer to the motormen, worked on the mound for the winners. Moses Peters pitched for the Liguorian Youth Club.

The L.Y.C. staged a rally in the last inning that netted them six runs. This rally was ended when the last two batters grounded out to the infield.

Horne's came up with three runs in the first inning, three in the fourth and five in the sixth to account for most of their runs.

Outstanding for the winners were pitcher Ivan Connors and Hilson Carr at first base. Paddy Shephard at second base for the L.Y.C. pulled off the fielding play of the game when he made a neat stab of a line drive.

Lineups:

Horne's — Carr 1b, Connors cf, Prunty c, Connors p, Chandler 3b, Gallant lf, Blanchard 2b, Hennessey ss, MacDougall rf.

L.Y.C.—J. Bradley 3b, A. Shephard 1b, J. Gauthier cf, F. Dunn lf, J. Hennessey c, F. Shephard 2b, M. Peters p, A. MacDonald rf, W. Shephard ss.

# N. S. Baseball

By The Canadian Press

Kentville Wildcats, hitting with bitter vengance, swamped Stellarton Albions 12-4 Wednesday in the biggest upset of the Halifax and District Senior Baseball League this season.

Wildcats, floundering in the cellar 16 games behind first-place Truro Bearcats, performed at home like a first-division club. Playing without error, they smashed out 13 hits, including a two-run homer, and scattered five.

But the victory, in the long run, may prove costly. Chris Tonery, who resigned Monday as manager, broke his leg while sliding into second base and is through for the season. Until then he had made two brilliant catches and hit freely, with a double, single and a walk.

# Softball Games This Evening

Two City League softball games are scheduled for this evening at six o'clock. The Basilica Youth Club will play the Liguorian Youth Club on the Knights of Columbus Diamond and the Sunshine Dairy will play Bruce Stewart's on the Old Diamond.

# Hopes To Stage Sugar Ray, Kid Gavilan Bout

PHILADELPHIA, July 9 — (AP) —Boxing promoter Herman Taylor said today he will try to stage a middleweight title fight between Sugar Ray Robinson and Kid Gavilan at Philadelphia's Municipal Stadium in September.

"I'll do it if I can arrange the match," he said. "Robinson and Gavilan should outdrawn Monday night's fight between Gavilan and Gil Turner."

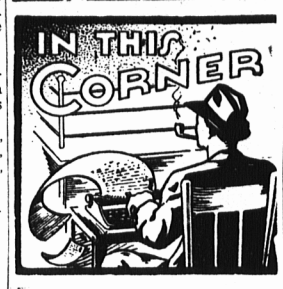
The crowd was 39,025 and the gross gate was $269,677 for the Stadium fight in which Gavilan kept his welterweight crown by stopping young Turner in the eleventh.

In the proposed September bout, Gavilan's 147-pound title would not be at stake, for he would be seeking Sugar Ray's middleweight (160-pound) championship.

Co-managers Angel Lopez and Fernando Balido said Gavilan would be interested in the match. The Cuban is eager to avenge two previous defeats at the hands of Robby.

SARATOGA SPRINGS, N. Y., July 9 — (AP) — Steady rains today forced postponement of tonight's Grand Circuit harness racing card at Saratoga Raceway.

LITTLE SPORT by Rouson



Pitchers in the Island Baseball League should beware that storm signal which is appearing and growing larger in the batting ranks of the Maritime Central Airways team. Although unable to obtain the figures from yesterday's M.C.A.-R.C.A.F. baseball game in Summerside we learned from manager Tom MacFarlane last night that the local team had approximately 14 hits including two home runs by Arnold MacCallum. Early in the season it was being said that "Lefty" MacAleer would win quite a few ball games if his team could get runs for him. Yesterday they got the runs and MacAleer won the ball game.

• • •

The M.C.A. players gave notice about a week ago that they were starting to find the range at the plate. Glen Matheson and Elmer MacNeill had been hitting the ball well all season but before last Tuesday's game with the Junior Abbies the batting averages of the remainder of the team players had been weak. Since then however fellows like Lorne Hennessey, Arnold MacCallum, Irving MacKinnon and Des Trainor have been giving notice that they can still hit that ball.

• • •

Backers of the M.C.A. team will tell you that there is no first baseman in the Island circuit who can compare with Des Trainor. Judging solely on fielding ability they would be quite correct. Early this season Trainor had his batting difficulties. But yesterday, if we are reading this score sheet which the M.C.A. players kept in their dugout correctly, Trainor had three hits in four trips. The first time at the plate Des got a walk and the next three times he hit singles.

• • •

A good baseball question today might concern Arnold MacCallum. The question is "Would MacCallum's future as a baseball player have been effected if Bill O'Connor had seen him play in the game at the Summerside airport yesterday?" We would not attempt an answer but there are some and they know quite a bit about baseball who think that it might have been. According to reports Arnold was hitting that ball hard and far and he must have been when he got two home runs.

• • •

When O'Connor the Brooklyn Dodgers baseball scout was in Charlottetown Monday he let it be known that he liked the way MacCallum handled himself behind the bat. There was only one thing against Arnold and that was his age. MacCallum at 21, although still a youngster in nearly every sense of the word, is apparently well along in years as far as developing into a big time ball player is concerned. O'Connor stated that he wished he had seen MacCallum when he was about 18 years old. Yesterday those two home runs might have changed his opinion somewhat.

• • •

What, we wonder were O'Connors thoughts, as he watched the Curran and Briggs Juniors defeat the Springhill Tankers in a doubleheader at Summerside yesterday? Some of them must have centered upon little Grant Grady at third base. According to Norman MacDonald, Grant is only 14 years old. If any fourteen-year-old can get up and bang out four hits in six trips to the plate during a game with older players we believe he could stand some looking into.

• • •

Forgetting individual players for a moment and looking at them as a team it must be said that this C & B outfit are developing or have developed into a top notch junior squad. Yesterday when they defeated the Tankers twice they downed the team which won the Maritime Junior championship last year. A lot of their success depends upon their pitching (Carson and Simmons) but they have about another dozen players who field exceptionally well and hit the ball often as the records show.

• • •

Although still unsuccessful in our efforts to contact Leo Lamoureux and verify his appointment as coach of the North Bay Black Hawks as reported in yesterday's issue further information indicates that the report was quite correct. Lamoureux, who has been working as a car salesman since the hockey season ended, will leave this Sunday for North Bay.

• • •

Another member of last year's team who may be joining a mainland club this season is "Bucko" Trainor. Trainor has received two decent offers from other clubs and has received a feeler from a third team. One of the offers involves a coaching job. Trainor is a free agent.

# Calumet Onward Wins 3 Dashes, Takes New Mark At Covehead Meet

Calumet Onward, a pacing bay gelding with a liking for the Covehead Race Track won three dashes and set a new mark in winning the second dash to highlight yesterday's racing meet at Covehead.

Owner Harold Stead of Brackley drove Calumet Onward to his triple dash victory. In the second dash Calumet Onward paced the mile in 2.13 flat to lower his record by four fifths of a second.

Feather Duster owned by Lester Johnstone of Fortune Bridge and Propane owned and driven by Ensor Bowness, Summerside, were double dash winners. Rosalie Hooper and Joandale were driven to single dash wins.

Both Feather Duster and Propane set new marks, Feather Duster lowered her mark to 2.10 while Propane set a record of 2.17.

Only a small sized crowd of spectators were on hand for the races held under a hot sun. There were enough betting people present however to reward Mr. Poirier of Summerside with $178.00 on a daily double combination of Joandale and Calumet Onward. He held the only ticket on the combination.

Teddy Weir sneaked through on the inside at the half way mark in the first race to bring Rosalie Hooper home a winner. Weir driving Rosalie Hooper in fourth place moved into the lead as Carl Aubrey and Feather Duster left room for her to pull through.

New Look moved up on the back stretch to challenge Rosalie but the best driver Jimmy McGregor could do was bring his chestnut gelding in second.

Feather Duster, driven by Lorne Kelly of Southport, had little trouble in winning the second heat. J.S.J. set the pace for the first five-eights of the mile and then Feather Duster went into the

# C. and B. Juniors Win Twice From Springhill

The Curran & Briggs Juniors took a doubleheader from the Springhill Tankers, 16-7 and 6-3, yesterday afternoon at the Recreation Centre diamond in Summerside. The first game was a hard-hitting affair, particularly in the first three innings, at the end of which the score stood 12-4 in favor of the Construction crew. Benny Carson was on the mound for Curran & Briggs during the initial contest and went the route, giving up ten hits, five of them in the final inning. The C & B. boys banged out 17 hits off Gillis and Taber, the two Springhill flingers. Grant Grady, 14-year-old sensation at third base, hit safely four times in six appearances at the plate. He committed one error on an overthrow to first in the second inning, but settled down and made some smart plays after that, getting three put-outs and one assist. The best fielding play of the game was Alyward's running catch of Purcell's foul fly in the second inning.

Paul Schurman's grand slam homer in the second inning breaking a tie count, and making the score read 8-4 was the feature batting feat of the afternoon game. His RBI total of six was also away ahead of his competitors.

Second Game

The nightcap was much more closely contested, the lead seesawing from the home team to the visitors as the innings were ticked off. Donnie Simmons gave up seven hits, and his opponent, Maddison, a lefty who pitched a fine game for the visitors, allowed only six bingles. C. Grady, Whalen and Cannon pulled off two very smart double plays in this game, one in the fifth inning, and one in the ninth. There were some poor fielding displays by both teams, and some spectacular work sandwiched in. Johnny Whalen robbed Crummey twice, in the second inning with a nice shoestring catch, and in the eighth with a beautiful one-hand stab of a potential Texas Leaguer. Gerard Dalton led the batters in this game with 3 hits in 4 tries.

# Ellerslie Man Heads P.E.I. Fish Game Ass'n

Mr. Richard Found of Ellerslie was elected President of the Prince Edward Island Fish and Game Protection Association at the annual meeting of the Association held recently in Southport. He succeeds the retiring president, Mr. Stewart Jones

The well attended meeting was addressed by Mr. P.A. Murnaghan, Deputy Minister of Industry and Natural Resources who spoke of the good work of the association and the action that his department had taken as the result of recommendations from the Provincial Branches.

Mr. Murnaghan cautioned against the choosing of dam improvement for dual purposes, such as power and angling, as cement dams are required. Referring to the Pownal Pond he stated that the site could not be decided until the location of the Trans-Canada Highway had been set.

Guests present at the meeting included Messrs. W. Saunders, Allison Tait, K.M. Spence, Spurgeon Jenkins, Mr. Gaudet, Mr. Cann, Mr. Shephard, Mr. MacGillivary and Mr. Tom Lothian.

Mr. J. A. Rodd was elected an honorary life member of the Association and a vote of thanks was extended from the meeting to the retiring president, Mr. Jones.

The members and guests heard reports from Messrs. E.K. MacNutt, President of the Queens County Branch; Richard Found, President of the Prince County Branch and a brief report from Judge Sylvere DesRoches, President of the Kings County Association.

The Protection Officers report was submitted by Mr. Spurgeon Jenkins and the Hatchery report by Mr. Allison Tait. Mr. H.R. Vessey read the membership and secretary-treasurer's reports.

The meeting passed a resolution asking that raccoons be removed from the protected list and that they be considered as predators with an open season all year round. The members also passed a motion recommending that the Association branches deal with the fox bounty business and consider an increase to $4.00 per fox.

Speaking of the goose season Mr. Stewart Jones stated that he believed a change is to be made in the seasonal dates which will be unpopular with gunners. In the lively debate which followed, it was pointed out that the present dates are Oct. 1st to Nov. 26th. A resolution was passed which asked that no change be made in the present dates.

Mr. Wilfred Saunders, scientist at the Ellerslie Biological Station in a short talk, stated that the run of sea trout was amazingly good this year. Mr. Saunders warned against the introducing of new species of fish and the use of imported live bait.

# Expect Pennant Races To Tighten As 2nd Half Of Ball Season Opens

By JOE REICHLER

NEW YORK, July 9 — (AP) — "This is where the men become separated from the boys."

The statement belongs to Stan Musial, slugging star of St. Louis Cardinals and premier batter of the National League.

With the three-day All-Star game holiday over, the second half of the season starts tomorrow. As always, it promises to be a case of survival of the fittest. Victories and defeats take on added importance now because time is running short.

Early season sensations like St. Louis Browns and Cincinnati Reds have returned to their normal way of living. A couple, like Washington Senators and Chicago Cubs, stubbornly continue their struggle to stay in the sun.

On the other hand the Cardinals and Chicago White Sox, after a slow start, are making their move. Both have begun to put added pressure on the pace-setting Brooklyn Dodgers and New York Yankees, respectively.

During the first half of the season, the Dodgers' only serious challenge came from New York Giants. The Cards and Philadelphia Phils, expected to help create a four-team fight for the National League flag, had been dormant.

The Phils, under new manager Steve O'Neill, have shown signs of waking up during the last two weeks and may improve their fifth-place standing. The Cards, playing the best ball in the league with 18 victories in their last 22 games, are in third place, trailing the Dodgers by nine games and the runner-up Giants by 4½.

The Yankees, leading the American League by three, feel they have a better-than even chance to capture their fourth straight pennant.

"We may not possess the powerhouse teams of other year," said Casey Stengel, "but we have a good team nevertheless. It is a well-rounded squad with enough punch, fine pitching and brilliant defence."

The picture may change, however, should they lose Mickey Mantle, their ever-improving centre-fielder, to the service. Mantle's draft status is being probed again and he is expected to go before a draft board within two weeks.

MONCTON, N. S., July 9—(CP)—Miss Cynthia Hills, New Brunswick women's golf champion, yesterday teamed with B. W. Isnor to win the New Brunswick-Prince Edward Island mixed golf tournament.

They won the Thorne Trophy with an 84.

# Crowell Leads Golf Tourney

TRURO, N. S., July 9 —(CP) — Ed Crowell of Halifax shot a one-under par 71 today to take a two-stroke lead in the Nova Scotia golf championships which end here tomorrow.

The 24-year-old former champion's score of 224 for 54 holes was six better than Sydney's M. Desjardins, who led the professionals with 230.

Rex Joudrey of Dartmouth, who tied with Crowell yesterday, settled for a second-place tie today with young Lea Windsor, Maritime junior champion, who shot a 76.

# First Knockdown For Marciano?

GREENWOOD LAKE, N. Y., July 9—(AP)—Rocky Marciano flopped to one knee in a sparring session today, thus starting a big argument as to what put him there.

Rocky, preparing for a July 28 heavyweight engagement at Yankee Stadium with Harry Matthews, was a minority of one in maintaining he slipped. The onlookers, including his trainer, Charley Goldman, said he was put down by an overhand right by Jimmy Cerello, Hoboken, N. J., lightheavyweight, who caught Maricano off balance when Rocky missed a left.

The knockdown, if it was a knockdown, was the first in Marciano's career.
