

# Whitey Ford Surprise A.L. Pitcher For All-Star Game

By JACK HAND  
 CLEVELAND, (AP) — Whitey Ford, 25-year-old New York Yankee lefthander, is manager Casey Stengel's surprise pitching choice to start against Philadelphia's Robin Roberts in today's 21st All-Star baseball game at Municipal Stadium.

Seeking to break a four-game American League losing streak, Stengel drew on his own staff to face the favored National Leaguers who pack three lefthanded sluggers — Cincinnati's Ted Kluszewski, Brooklyn's Duke Snider and St. Louis' Stan Musial — in their starting line-up.

With a break from the weatherman who predicts a partly cloudy day with the temperature in the middle 90s, the All-Star attendance record of 69,812, set at Cleveland in 1935, might be broken.

sensational New York outfielder. Roy Campanella, the Brooklyn catcher who has been behind the plate for 43 consecutive all-star innings, got a go-ahead for his doctor Monday in Brooklyn. The doctor reassured Campy that a recent numbness in his fingers, following an operation, was only a natural reaction and he soon would be as good as ever.

### NATIONAL FAVORED

Game time is 1:30 p.m. EDT with network radio and television coverage. In case of rain, the game will be played at 8 p.m. tonight. If the weather should force other postponements, Commissioner Ford Frick has set aside 11 a.m., 2 p.m. or 8 p.m. Wednesday.

Although the Americans still hold a 12-8 edge in the series, the Nationals' home run power makes Manager Walter Alton's team an 8-to-5 choice.

Both clubs are in tough shape for pitching after Sunday's heavy doubleheader firing and injuries that cost the Americans the services of New York's Allie Reynolds and Cleveland's Mike Garcia.

Stengel admits he planned to use Garcia until he got word Sunday that he was unable to pitch.

"I wanted a lefty to get after their lefthanders," Stengel said, explaining his choice of Ford who has been erratic in compiling a spotty 7-6 record.

### FOLLOWS BOOK

Alston, who got the job as a freshman manager because Brooklyn fired Chuck Dressen, the 1953 pennant winner, followed the book in naming Roberts (M-8, a 27-year-old righthander who started three of the last four National League victories since 1950).

The problem of "where to play Willie Mays" will face Alston after three innings. He said he would remove Jackie Robinson of Brooklyn from left field after three. He might shift Snider to right and play Musial in left, leaving centerfield open for the

## Hockey League Meeting Postponed Three Weeks

The Maritime Major Hockey League meeting at New Glasgow originally scheduled for July 17 has been postponed until Sunday, August 8, it was learned here last night from Mr. MacFarlane of the Islanders Hockey Club.

Sydney Millionaires and the Halifax Atlantics requested the delay. It was stated by Mr. MacFarlane who received his information from League President C. Roy MacDonald.

The Millionaires asked for the delay in order that they might be able to collect sufficient money to pay their \$500 bond. The Atlantics wanted the postponement as most of their club directors will be out of the City during the last two weeks of July and they are not certain which Halifax group will handle the franchise.

Clubs intending to enter the League were supposed to post a \$500 bond at the coming meeting.

In his letter to Mr. MacFarlane, League President MacDonald stated he had hopes of Dartmouth joining the circuit but that New Glasgow was definitely out. He thought that the four teams which operated a year ago would be back in the League again.

## New Coach of Red Wings?

EDMONTON (CP)—The Journal says in a sports page story Monday it was learned that 37-year-old Jimmy Skinner of Lockport, Man., veteran of 12 years in the Detroit chain, will shortly be announced as the new coach of the National Hockey League's Red Wings. He will succeed Tommy Ivan, now general manager of Chicago Black Hawks.

Journal writer Don Fleming said that in telephone interviews with Skinner and general manager Jack Adams of Detroit it was determined all that remained was official confirmation.

Fleming said Adams told Jim the job was his if he wanted it, but that Jimmy had delayed giving his decision until he fully considered his business affairs.

ing for the Yankees and Bob Feller for the Indians. At that time Feller was as fast as any pitcher who ever stepped on the mound.

It was late in the game and a cloudy day. There was some question as to whether the game should proceed because of the rapidly approaching darkness caused by extreme cloudiness. The umpires decided to continue. It was Gomez turn to bat and he struck a match as he stepped into the box. The umpire roared at Gomez: "Are you trying to make a farce of this game? Are you questioning my judgement?" Lefty replied: "No sir, Mr. Umpire. It's just that we all know how fast Feller is and I want to make sure he can see me."

Speaking of Feller brings to mind the fact that Feller has crashed the "Top 10" among modern Big League winners. Feller has won 255 games in his career, a figure exceeded only by nine other pitchers. Tied for tenth place with 253 wins each are Carl Hubbell and Urban "Red" Faber. The pitchers ahead of Feller are Grover Cleveland Alexander, Lefty Grove, Walter Johnson, Christy Matheson, Eddie Plank, Burleigh Grimes, Ted Lyons, Epps Rixey and Red Ruffing.

The Parkdale Lions emitted one of their loudest roars of the season as they edged the Legion 15-14 in extra innings while Sonny Stull pitched and batted the City Slickers to a 2-7 victory over the Ligonian Youth Club.

Art Ballen won his fifth game of the season without a defeat as he hurled a five-hitter at the B.Y.C. Father Clarence Roche, at the moment the B.Y.C.'s one-man pitching staff, tossed a good seven hits.

The Dairymen won the game in the second inning on five consecutive hits, good for four runs. Art Ballen, Rollie Lee, Billy MacLean, Hilson Carr and Dick Carroll hit for the Dairymen.

Dick Carroll led the winners with three singles in four trips. Kenny Tulle had two hits for the B.Y.C. including a double in the fourth inning.

Angie Carroll and Joe Revell made standout defensive plays for the Dairy while Charlie Weatherbie and Gerard Burge played sound defensive ball for the B.Y.C.

The Lions and Legion fought a see-saw battle on the Old Diamond with the Lions firing the last salvo. The Lions were ahead 8-3 in the third inning but the Legion tied up matters in the fourth and went ahead 13-11 in the fifth. They led 14-13 in the seventh before Louie Gaudet of the Lions hit a home run to tie the score.

In the first of the eighth Vern Blanchard hit a double. The next two men filed out before Ivan Connors slammed a ball over the left fielders' head. However, centerfielder Alex MacDonald made a brilliant run to gather in the ball and prevent any further score.

Orin Carver of the Lions led off the last of the eighth by drawing a walk. Keith Dalziel followed with a single and Carver later went to third on a passed ball. He scored with the winning run on Frank Shephard's fly ball to centerfield.

Brian Chandler went the distance for the Lions to pick up the win while Ivan Connors started for the Legion and was relieved by John Thistle in the fourth. Harold Hennessey and Vern Blanchard played fine ball for the Legion. Blanchard had a double, two singles and a walk.
