WE beg to call the attention of the RETAIL and COUNTRY TRADE to the fact that the SHIRTINGS, made by us, are much Better Weight, Faster Colors and More Durable than any others in the market.

The experience of those who have used them for the past eight years, and an examination of the goods will prove the correctness of this statement.

They are for sale by the leading Wholesale Houses.

often asked, "How close will your Watches run?" We answer by stating how close they have run and are running in the hands of those who carry a Rockford.

NEW CASTLE, Pa., March 10, 1886. ROCKFORD WATCH CO.

Gentlemen,—Mr. S. J. Frisbie, telegraph operator at Youngstown, O., to whom we sold one of your eleven Jewels a little over two years ago, is frequently in our store rating his watch. The greatest variation we have been able to observe in this watch was thirteen seconds fast in two months.

Yours truly, J. C. HANNA & SON.

U. S. COAST AND GEODETIC SURVEY OFFICE, WASHINGTON, D. C., Feb. 5, 1886.

Mr. J. KERR, 629 Penn. Ave., Washington, D. C. :

Sir—The silver watch I purchased from you in March, 1885, after being regulated by you, has not varied more than two seconds a month. I therefore take pleasure in testifying to the excellence of the Rockford Watch for which you are agent.

Yours respectfully, RICH. M. HARVEY.

Hundreds of other testimonials can be shown at our store. The Watches we have sold are doing very well and our customers are well pleased with them.
