

THE GREEKS

HAVE A WORD FOR IT

WE MEAN the magic word that tells a riddle to get going. It probably worked better than usual, recently, when Greek multi-users had to transport into the isolated interior, roofing materials needed for the construction of refugee shelters.

Another nice thing about aluminum's lightness is that a given poundage goes two to three times as far as with other metals. It often means that aluminum, with all its advantages, actually costs less, too.

NEW MONT ROSA EVERBEARING RUNNERLESS DWARF BUSH STRAWBERRY

Fruit from seed the first year; easily grown. Bush form, about one foot high. No runners. Hardy perennial. Bears abundantly from early summer till killing frost.

CHAPTER FOUR

Continued

Bang! The door was shut in his face. With amazing ease, its rusty bolt jumped home.

Jerry grinned. "As a liar," he said, "I don't seem to rate quite one out of a possible ten."

He looked at the door; the door stared blindly past him and across that stretch of dreary wasteland. He listened; there came no sound from within the shack.

"I guess," he reflected, "that there are hundreds of thousands of words in those books. Lighter loves and I was fool enough to read. But there's not one piece of advice in the whole six-foot shelf of 'em to tell you what to do when a lady kicks your shins and bolts the door on you."

"Knock again? To what purpose? Invent another lie? It was sure not to be believed. However, he did not yet turn back the way that he had come. Instead, he made a circuit of the shack.

A wretched kitchen garden, this, which flanked the place. Some yellow cabbages. A few drooping stalks of corn. Still, from such a soil prodigious labor must have been required to produce these most meager results.

"So Angie's been here for five years—'mebbe six' was what friend Hassler said. As far as connection with Albany or Troy goes she might about as well have been in the middle of the Sahara."

He saw a metal bucket lying on its side. It was plugged with tar. Attached to it was an enormous coil of rope, unusually thick for the size of that utensil.

"Where does she get her water from?" "What matter where? For him the sole point of importance was that his morning's work had cut him off from a possible source of information. To be sure, Miss Slinn might have none to give; but quite certainly, if she had, she would not now give it.

Pondering, he followed for some yards along what he fancied had once been a continuation of the road that brought him here. It skirted the dense clump of pines he had noticed when emerging upon the tableland—then, for the ground had given away beside it, ran along the very edge of a suddenly revealed chasm.

Here was one border of the tableland, but a border not formed by a hill. Instead, a deep, narrow valley approached it, and where this met the elevation, the scoops and steamshovels of a past generation had cut, profoundly into the elevation's front—cut it, on three sides of a square, to the perpendicular.

Bending over, Glidden could see, on upjutting rocks at the base, the planks of a fallen cabin, the rotting remnants of a derrick. Save for those rocks, however, the entire space at the gorge's foot,

over an area a quarter-mile square, was flooded by an opaque body of turquoise water. This must be the grave of Phineas Walker's fortune, these the sole remaining relics of Break O' Day Iron Company.

Jerry possessed a mind that couldn't remain quiet. Hassler had declared the present summer the country's driest in thirty years—and this lake plainly maintained its topmost level. He had talked nonsense about it; the water was visibly fresh, however colored by its ore deposits; there had to be an inlet, and an outlet, too. Jerry's insatiable curiosity worked once more.

He descended into the deserted valley. The steep walls rose straight above him, their crests sometimes overhanging the drop. He felt as if he were at the bottom of a giant's well. Or no, not the bottom by a long shot; for in general the walls clove directly on into the green-blue liquid; the sole foothold was supplied by such earth and stones as had fallen from above and found a precarious rest on some rare outcropping at the water's edge.

To be continued

Whyte-MacMillan Wedding

On December 29th at the Baptist Church Manse, Charlottetown, the Rev. J. D. Davidson united in marriage Ruby Ella MacMillan of Charlottetown to Kelso Stewart Whyte of Smith Falls, Ontario.

The bride and groom were Mr. Ira Townshend. After the wedding a reception was held at the home of Mr. and Mrs. Ralph Gay, Winsloe, after which the happy couple left on a short honeymoon.

Prior to her wedding a shower was given by her girl friends at the home of Mr. and Mrs. Keith Myers, Charlottetown, where the bride received many lovely and useful gifts.

On January 16th, many of her friends from Parkdale, Charlottetown, and vicinity gathered at the home of Mr. and Mrs. Ralph Gay to tender them a shower.

The bride and groom entered the room to the strains of the wedding march played by Miss Norma Gay. After the bride and groom were seated the gifts were wheeled in by little Marion Vessey and Barry Good in a carriage decorated for the occasion. The verses were read by Mrs. Olive MacMillan. Many pictures were taken of the happy couple and guests present, by Mr. Percy Gay. The groom very graciously thanked every one for the lovely gifts which they received.

The remainder of the evening was spent in games and music, after which a beautiful lunch was served by the hostess and friends. After wishing Ruby and Kelly many years of wedded bliss, the guests departed feeling they had spent a most enjoyable evening.

Mr. and Mrs. Whyte are residing in Summerside where Mr. Whyte is now stationed with the R.C.A.F.

NEW AMBASSADOR TO BRITAIN—Winthrop Aldrich raises his right hand to take the oath as U.S. Ambassador to Britain.

London as soon as possible. Left to right are: Ambassador Aldrich; Freeman Matthews, Deputy Secretary of State; and John F. Simmons, Chief of Protocol who administered the oath.

Trinity United Church, Montague Annual Meeting

The 29th annual meeting of Trinity United Church, Montague, was held in the church on January 14th.

The meeting opened with the singing of a hymn, followed by scripture reading and prayer by the pastor, the Rev. J. M. Fraser. Officers for the meeting were appointed as follows: chairman, Mr. J. M. Fraser; secretary, Dr. L. A. Johnston. Minutes of last annual meeting were read and approved. Reports were given as follows:

The session by Mr. Fraser; Women's Missionary Society (Montague) by Mrs. Lester MacLeod, treasurer; Women's Missionary Society (Whim Road) by Mrs. Howard Vickerson for Mrs. Garnet Moore, secretary; Sunday School (Montague) by Miss Lorraine MacLure, treasurer; Sunday School (Lower Montague) by Mr. Fraser for Miss Dorothy Taylor, superintendent; Ladies' Aid (Montague) by Mrs. Leon Johnston, treasurer; Ladies' Aid (Lower Montague) by Mrs. H. Vickerson for Mrs. T. Jackson, treasurer; Young Adults Group by Mr. Horace Fraser, secretary; Treasurer; choir by Mrs. Charles Fraser, treasurer; Missionary and Maintenance Fund by Mrs. Howard Vickerson, treasurer; financial report (Lower Montague) by Mrs. Howard Vickerson, treasurer; building fund by Mr. Charles Fraser; Baby Band report by Mrs. Lester MacLeod for Mrs. George Nicholson, treasurer; Men's Club by Mr. Lorne Wigginton.

In reporting for the session, Mr. Fraser stated he was very happy indeed, to have received such splendid cooperation. He welcomed the new members added to the session this year namely Messrs. Donald MacLeod, Horace Fraser, Charles Fraser and W. D. Fraser.

As Mr. Fraser assumed his duties only within the last few months, having been inducted on October 17th his report was confined to statistics only. He reported that he visited the Rev. Dr. A. D. MacKenzie, who is considerably improved in health and still vitally interested in the welfare of this pastorate.

Messrs. D. M. MacDonald and Lorne Wigginton were re-elected to the board of stewards. The plate collectors and ushers were re-elected. It was decided to increase the insurance on the church property.

The subject of donations to the Mt. Allison fund was discussed and it was suggested that the men's club take over this project.

An anniversary service is to be held during the summer and a suitable time for such service was left to the judgment of Mr. Fraser. A hearty vote of thanks was tendered Mrs. L. H. Poole and Mr. Howard Vickerson for the supply of flowers during summer and fall, also to Mr. Alex MacKenzie for supply of water to the church kitchen.

The Women's Missionary Society had an excellent report, having exceeded their allocation for the year, as well as having sent large quantities of clothing, etc. to missions. The Ladies' Aid, besides the usual expenditures, accomplished many important projects, some of which are: Purchase of hymn books, remodelling Manse kitchen, painting of church kitchen, also a generous contribution to the building fund. The Young Adults Group, from the proceeds of two one-act

Ice Races At New Glasgow

A large crowd of race fans was on hand Saturday afternoon to witness the best race of the season when 15 horses making up four classes raced on a perfect quarter mile speedway on New Glasgow River.

A starting gate was used and the races were run off promptly. Following is the summary:

Table with race results including Class A, Class B, Class C, and Class D with names of horses and jockeys.

work of the church in Angola. It was a spiritual experience to feel the dread and despair of these people being replaced by faith in a just and merciful God, as the windows of knowledge were opened unto them, letting the light of a new life shine through.

With all the improvement in African village life by way of agriculture, education and health services there must be emphasis on the spiritual. As the Africans advance in the abundant life, it is for us to strengthen our work in training them, so they will be capable of providing leadership in Africa, "the land of tomorrow".

Hymn 252 was sung, "In Christ There Is No East Or West". The meeting was closed by repeating the Lord's Prayer in unison.

A social half-hour followed, when refreshments were served.
