**TO MOBILIZE AN ARMY.**

WASHINGTON, D C, Sept. 21.—The military movements are being directed rapidly towards the assembling of a large army in southern stations for winter camps and preparatory to the military occupation of Cuba and Porto Rico.  
About seventy thousand troops are now located in the South, and orders will be issued sending the First, Second, Sixth, Ninth and Tenth cavalry from Montauk to southern stations. The purpose is to establish winter camps between the 31 and 35 parallels.  
The major part of the army thus assembled is destined for service in Cuba with a much smaller force for Porto Rico and a reserve in the winter camps. It is not the intention, however, to send the army of occupation to Cuba until after the unhealthy season is passed and meanwhile the troops will be put in the best possible condition.

Miss Laura Galbraith and Miss Mabel Haley, who have been visiting friends in P. E. I., for some time, returned home yesterday.—St. John Gazette.

Miss Tiny Fraser, daughter of Mr Chas Fraser, Montague Bridge, P E I, is visiting at her aunt's, Mrs John Fraser, West Side, this week.—New Glasgow Chronicle.

A private car containing Sir Louis Davies' family and party, came over from Point du Chene yesterday and went to Quebec last night on the Maritime express.—Moncton Times.

A very fair likeness of Mr WC Turner, president of the P E Island Provincial Union, appears in the last issue of the Christian Endeavour Banner published in Montreal. The likeness is accompanied by a very interesting letter from Mr Turner. In the same issue of the Banner there is a capital report of the C E Convention at Malpeque, and others matters of especial interest to the society here.

Mr. T. C. James, Jr., has our thanks for late Vancouver and Victoria papers. They contain particulars of the recent disastrous fire at Westminster, in connection with which much credit is given Mr W. H. Kent, manager of the Burrard Inlet and New Westminster Telephone Company, for the efficient service he provided in the face of the fact that the office at New Westminster was destroyed in the early stages of the disaster. It may be interesting to know that Mr. Kent is the husband of Mrs. Florence Findley-Kent, who has been visiting in Charlottetown for some time past.

**FORMER PLEBISCITES.**

The former prohibition plebiscites resulted as follows:

Ontario.....	192,497	110,757
Nova Scotia.....	43,756	12,352
Prince Edward.....	6,118	1,923
Manitoba.....	18,037	7,115
Total.....	260,408	132,150

These voters were taken by the local Liberal Governments under the promise that a majority would produce prohibition.

After they were taken, the various Governments found a constitutional difficulty, which was referred to the courts.

Then, in anticipation of a Federal contest, Mr. F. S. Spence moved at the Liberal convention of 1893, to which he was a delegate, that a Dominion plebiscite be held.

It is stated that Mr. Spence's party leaders have given assurances to opponents of prohibition that no matter how the vote goes there shall be no prohibitory law.—Mail and Empire.
