In Memoriam —In loving memory of Father and Grandfather, Fred A. Wotton, who died June 25th, 1951.

He had a nature you could not help loving, And a heart that was purer than gold, And to those who knew him and loved him, His memory will never grow old.

Ever Remembered by Avis, Stet, Sonja and Gertrude.

Three years have passed away Since our great sorrow fell, The shock that we received We still remember well.

The blow was hard, the shock severe We never thought his death so near; Only those who have lost can tell The pain of parting without farewells.

Lovingly Remembered by Mom, Day and Brothers.

In loving memory of Mrs. Patrick Kelly, who died June 26th, 1954.

Sweet are the memories that linger Dear is the one who is gone, Her memory we always will treasure, As long as the years roll along.

The Hughes Family, Auburn.

In memory of HUDSON G. MORROW who passed away June 25th, 1954.

'Twas just a year ago today That over our hearts a gloom was cast, A friend who was a friend indeed From touch and sound of loved ones passed.

He was a true and honest friend, His hearty voice and friendly smile For many a one on life's highway Did offer a pleasant hour beguile.

Though gone from haunts of mortal men Yet in a happy world of love When our short span on life is done Will have reunion up above.

Farewell dear Hudson tried and true Though long or short our own years be Will always keep your image clear Within our fondest memory.

Fondly Remembered by his Friend L. D. Rose.

NEWMARKET, Ont. (CP)—Quakers from all parts of Canada and from New York state gathered here Friday for a four-day meeting during which they hope they can present the unanimous unity of the three branches into which they have been divided for 125 years.

Mrs. Nesbitt Receives Key To City At Guide, Brownie Rally

Mrs. W. Rankine Nesbitt was presented with the key to Charlotteville last night by His Worship Mayor J. D. Stewart, at the Queen's and King's County Guide-Brownie Rally held in Queen Charlotte High School. The ceremony of presentation was done in the traditional manner with the Town Crier announcing the City Clerk, who entered with the key accompanied by two policemen and a bagpiper.

The Guide-Brownie Rally, at which lone Guides were also present, was arranged by Mrs. W. J. Rodd, District Commissioner for South Charlotteville. Assisting her were Miss Iphigene Arsenault, Division Commissioner for Queen's County, and Miss Suzanne MacKinnon, who arranged the programme. This was as follows: The Guard of Honour formed inside the High School Auditorium, one from each company and pack, through which Mrs. Nesbitt passed accompanied by Mrs. F. Gordon Hutcheson, Provincial Commissioner. They were greeted by Miss Iphigene Arsenault, who accompanied them to the front of the Auditorium.

25th Wedding Anniversary —A very pleasant evening was spent at the home of Mr. and Mrs. Hector Jenkins, Marshfield, on June 23 when friends and neighbors gathered to extend congratulations and good wishes on the occasion of their 25th wedding anniversary.

Mr. and Mrs. Jenkins were completely taken by surprise upon arriving home to hear the Wedding March, and were escorted to chairs by Miss Mae Warren and Mr. Wylie Gibson. Mr. Gibson, acting as master of ceremonies, explained the purpose of the surprise party and called upon Mrs. Rupert Godfrey to read a cleverly written address in verse form. A presentation of a chest of silver was then given to the happy couple by Mrs. Leigh Frizzell. Rev. Lee MacNaughton also added his congratulations and good wishes.

Mr. Jenkins then welcomed the unexpected guests and thanked them on behalf of himself and his wife. Refreshments, including wedding cake, were served after a social hour of music and singing. All wished Mr. and Mrs. Jenkins many more years of happiness.

The following is the address: To Helen And Hector In June, 1930, when the world was fresh and green, A dashing young couple — one dark and one fair, In Lover's Lane could be seen.

As the days of the month sped onward and the 24th arrived, This handsome blushing Hector Took bonnie Helen to be his bride. The years have treated them kindly, And many happy hours they've known, Three lovely children blessed these two, And made theirs' a bright pleasant home.

And now, twenty-five years later, In the community where they reside, Friends and neighbors have gathered To honor this bridegroom and bride. Your happy jovial manner, and friendly neighborly ways— Have won for you both our affection, And sincerely heartfelt praise.

Twenty-five years together have surely agreed with you well, And we all join heartily in wishing The next twenty-five will be swell. May the lovely memories of days gone by, Give you many hours of pleasure; And our wish for you is—that days to come Will bring joy beyond all measure.

Wilfred Judson.

Card of Thanks I wish to thank Dr. Burden, Dr. Lea, Dr. Cox and Dr. Brown, the Matron and Nurses of the P. E. I. Hospital for their kindness to me while a patient there, and also my thanks to all friends who helped me in any way during my illness.

Chief Guide turn again soon, bringing members of her family with her. In introducing Mrs. Nesbitt, Mrs. F. Gordon Hutcheson, Provincial Girl Guide Commissioner, told of her wide experience in every field of Guiding, which has been continuous since she was a Guide.

Mrs. Nesbitt gave a most interesting account of the recent annual meeting of the Canadian Girl Guides Association held in Fredericton, and described some of the important decisions made there. One of the most significant changes to be decided upon is the inclusion of the Guide "good money" to bring even closer to every Guide this important part of her training.

She also described the important part Canadian Guiding is playing in building a stronger, more united Canada, by its close relations with the various ethnic groups which are always increasing as the number of immigrant Canadians increases; and the growing part being played by this country in international Guiding. Mrs. Nesbitt paid tribute during her remarks to the experience Mrs. Hutcheson had displayed in guiding the sessions of the conference through a number of worthwhile discussions.

Mr. R. C. Parent, Provincial Commissioner of the Boy Scouts Association, commended Mrs. Nesbitt on her tenacity in getting to the Island despite the difficulties experienced on the way here, and on behalf of members of both Guide and Scout movements, thanked Mrs. Nesbitt for her instructive address, assuring Guiding all possible co-operation from the Scout Association.

To Visit City

The Rt. Rev. George Dorey, P.A., D.D., (L.D., above) of Toronto, Moderator of the United Church of Canada, who is expected to visit Charlotteville on Sept. 30. His election took place at the General Council of the Church at Sackville in September of last year.

Mr. Dorey has been acting Secretary of the General Council since the death of Rev. G. A. Sisco, D.D. He served on the Board of Home Missions for 25 years.

Dr. Dorey came to Canada from the Channel Islands in 1905 and was educated at the University of Manitoba and Wesley College, Winnipeg. He was ordained by the Saskatchewan Conference in 1914. He has a special interest among French Canadians, he speaks French fluently.

Buying Carload of Island Pigs For Alberta

Major W. A. M. Innes arrived from Calgary yesterday morning by air to purchase a carload of more pure bred P. E. Island Yorkshires, which have won such a reputation in Western Canada as to make them and their progeny a "must" among the most advanced swine breeders.

"The quality and outstanding characteristics of this Island product have created a good demand," and no trouble is experienced in disposing of them in Calgary.

"This is my first trip to the Island where I am seeking advice from Mr. Clay with a view to obtaining these quality Yorkshires which are available at no other place in Canada."

Kinsmen Open Peanut Days

Last evening the Kinsmen Peanut Day opened in Charlotteville with club members and helpers making a house to house canvass.

Earlier in the day the colorful Planters float with the beautiful queen and peanut men made a tour of the city and then visited both the Orphanages. The children were thrilled with the visit and to complete a happy afternoon they were treated with peanuts through the kindness of W. G. Barbour Ltd., and F. R. McLaine Ltd.

Today the workers will be asking citizens and visitors to help the Kinsmen help the kiddies as a further canvass is made of the business center.

The proceeds from the Kinsmen Peanut Days will help send boys and girls to summer camps and picnics.

North Shore Lobster Catch Best in Years

The lobster catch on the north shore of Prince Edward Island has been the highest in recent years with the majority of fishermen in the West Prince area landing more lobsters in May than were caught in the entire two months season last year.

Although fish prices to the fishermen are not known until the total pack is disposed of, unofficial quotations were as high as 31 for canners and 35 for markets, slightly higher than last year.

Friday's activities in the Constantine region followed swiftly on the heels of a warning given by yesterday from 500 traps. One packer attributed the poor catch in June to rough weather for about ten days of the month and said no improvement was expected before the season ended.

The Queen's member also advocated a policy of education rather than prosecution to put a stop to lobster poaching. He also enquired about the inspection of canned fish and asked what percentage of the inspected fish is rejected as being sub-standard.

Changes Among Catholic Clergy

Changes among the Catholic Clergy of the Diocese of Charlotteville were announced by His Excellency Most Rev. Malcolm MacEachern, Bishop of Charlottetown at the close of the Priests' Retreat at St. Dunstan's University this week.

Rev. Eric Robin, pastor at North Rustico will become pastor at Morell and be succeeded in his former charge by Rev. Leonard Ayers who has been pastor at St. Charles. Rev. Charles Gallant, assistant at Egmont Bay, is to be parish priest at St. Charles, and Rev. Emmanuel Richards, assistant at Palmer Road, becomes assistant at Egmont Bay. Rev. Phelan McKenna, pastor at Morell, becomes pastor at Alberton. Rev. Nazaire Gallant-assistant at Vernon River, to be assistant at Palmer Road. Rev. John Cashin, ordained priest, to be assistant at Vernon River. Rev. Francis Ledwell, newly ordained priest, to the faculty of St. Dunstan's College.

Show Granted Permission To Set Up In Park

"The show must go on" was the decision reached by the City Council at a special meeting held at noon yesterday following a discussion on the advisability of permitting the King Reid Shows to set up in Victoria Park when they arrive here on July 18.

Mayor Stewart, in introducing Col. F. J. Storey, chairman of the centennial celebration committee and Brigadier W. W. Reid as a member of the committee dealing particularly with amusements commended all concerned for the work they had done since the centennial celebration committee was formed.

"This kind of a birthday party without a bit of fun," Mayor Stewart said, "is not a birthday party at all."

Councillor MacDonald pointed out that a letter had been received from the Hospital Board objecting to the park site being used. It was developed that the roadway leading from the show area to Brighton Road West of the Hospital, would be closed off, and the area would be restricted to the immediate vicinity of the show space, that noise elements would be subdued somewhat and that finally the show would close promptly at midnight.

"What is a festivity without a circus carnival, Col. Storey asked, and added the King Reid Shows are above reproach. Brigadier Reid described the various programmes drawn up after weeks of consideration by the committees which eventually designated certain events especially in the park, would be restricted to the immediate vicinity of the show space, that noise elements would be subdued somewhat and that finally the show would close promptly at midnight.

"This is a festivity without a circus carnival, Col. Storey asked, and added the King Reid Shows are above reproach. Brigadier Reid described the various programmes drawn up after weeks of consideration by the committees which eventually designated certain events especially in the park, would be restricted to the immediate vicinity of the show space, that noise elements would be subdued somewhat and that finally the show would close promptly at midnight.

Councillor Gormley said he was not interested in taking in \$3,000 and paying it out to the Exhibition. He commended the centennial committee for their work throughout Charlotteville. He said he believed that co-operation in stopping loud noises would eliminate the objections raised, and diverting the traffic away from the Hospital, the blowing of horns, etc., would reduce the cause for complaint.

Councillor MacDonald hoped that all this would be done, but still objected to the area being used, suggesting that an area on Queen Square would possibly be more suitable. Mayor Stewart said that such an area would not begin to accommodate the show.

Members of the Council present were: Mayor Stewart, Councillors A. Walthen Gaudet, F. G. Hutcheson, Arthur Gormley, Elmer MacDonald, P. R. McCormac, Edwin Johnstone.

In Constantine, security units systematically combed the Arab quarters for suspected terrorists. Hundreds were put under arrest. Commandos swarmed from landing craft to join paratroopers in the operation taking place in the barren hills between Phillipville and Tamalisk. Bombers swooped down on the rebel-infested areas as the ground units advanced.

Special Service At Victoria On Symbol of Peace In keeping with the anniversary of the founding of the United Nations, Victoria United Church will present a special service on Sunday evening, Miss Dorothy Baxter is the soloist and Professor Heath Macquarrie will give an illustrated lecture on the International Peace Garden.

This unique garden stands at the very heart of the North American continent, on both sides of the border. It is maintained by grants from both governments as well as individual contributions from Americans and Canadians in many walks of life. Fast becoming one of the most beautiful parks in the New World, the International Peace Garden attracts thousands of visitors every year, and is one of the great and thrilling symbols of peace in the world today.

Professor Macquarrie has been closely connected with the Garden's development, and is the founder of the international relations conference which brings Canadian and American students to this border park every year. He has also written articles on the Garden for various American and Canadian papers.

Mr. Macquarrie is a native of Victoria and is at present on leave of absence from the Department of Political Science and International Relations of Brandon College. He has been a radio news analyst for several years and is an accomplished speaker of wide reputation.

Parkdale School Again Wins Strathcona Shield

It was announced last evening by the Physical Fitness Division that Parkdale School had again been successful in winning the Strathcona Trust Shield, emblematic of physical training proficiency. The shield is awarded annually to the rural school standing highest in physical training program.

M. Thompson Heads Fair

The first annual meeting of the Crapaud Exhibition Association was held in Crapaud on the evening of June 23rd. The president, Max Thompson was in the chair. He reported the one day exhibition held last August 25th as a very successful venture, beyond the expectations of most. He looked forward to the 1955 show with a great deal of enthusiasm, as more money would be available for prizes, and better facilities were being installed to care for the livestock, and make it more convenient in general.

The secretary, Brent Wood, gave the financial statement, reporting the total revenue enough to cover all expenses, and leaving a small surplus. He stated that this year there would be an additional sum of \$850.00 available which would be added to the prize money.

considerable owing the Provincial Government on the lights in Memorial Field and the work done by the sponsoring club, requiring 18 or 20 ticket sellers and collectors will be a voluntary effort to help pay this out and assist the little league baseball units," Brigadier Reid said.

Councillor McCormac said that after considering the complaints he felt that the explanation was satisfactory. When the King Reid Shows were here before the management left \$25.00 for boys to clean up the debris next day, which appeared to be adequate.

Councillor Hutcheson withdrew his objection on the strength of the assurance of Brigadier Reid that only the trampled grass could be attributed to the show being on the ground when here before. He felt that the carnival would prove interesting and attractive.

Councillor Gormley said he was not interested in taking in \$3,000 and paying it out to the Exhibition. He commended the centennial committee for their work throughout Charlotteville. He said he believed that co-operation in stopping loud noises would eliminate the objections raised, and diverting the traffic away from the Hospital, the blowing of horns, etc., would reduce the cause for complaint.

Councillor MacDonald hoped that all this would be done, but still objected to the area being used, suggesting that an area on Queen Square would possibly be more suitable. Mayor Stewart said that such an area would not begin to accommodate the show.
