They add that they will be followed shortly by hundreds more of their compatriots now living in the Eastern States.

POLICE COURT.—This morning William Walsh, better known as "Smiler" Walsh, was given three months imprisonment with hard labor for the larceny of a coat valued at \$10 from a young man named Chisholm. The larceny was committed in March last, the coat being taken from the Queen Hotel stables, about which Chisholm was employed at that time. "Smiler" was seen looting about the stables and yard on the day of the theft, and on Sunday last Chisholm saw him on the street wearing the coat. "Smiler" said he could not tell how the coat came into his possession as he had been drinking.

THE TURK.—The Hotel Brunswick Futurity races begin to-morrow on the Munton Driving Park. The Times says: Mr. Harry Horne arrived in Moncton Saturday evening with his 3-year-old filly, Lout S., which starts in that class next Thursday. It was this gentleman who, with only three weeks handling, drove the phenomenal yearling, Brighton Boy, owned by Chas. Deckendorff, of North River, P. E. I., in 1:28 (half-mile) over the Charlottetown Driving Park last week, which holds all previous records for that age in the Dominion, and if everything works well, we do not see why Mr. Horne will not "smash up" the 3-year-old record with Lout S., who has already this year started in four races, winning three first moneys and one second. Before coming to Moncton she received a slight injury to one of her tendons, but Mr. Horne thinks it will not prevent her from "getting there just the same."

SPECIAL DESPATCHES TO THE EXAMINER.

RIFLE ASSOCIATION.

Annual Meeting at Ottawa.

Major Weston Shot.

Re-Election of Officers.

The Position of the Teams.

OTTAWA, Aug. 30.

For the first time in the history of the Rifle Association an accident occurred at the competition. Shortly after four o'clock yesterday Major Weston and Capt. Stevens both of the 66th Battalion, Halifax, proceeded to shoot where the revolver matches were in progress. Captain Stevens handed in his ticket to the register keeper and stepped forward to fire. He was using his own weapon, and while in the act of cocking it his thumb slipped and the revolver was discharged. Major Weston was standing to the left of Captain Stevens, but somewhat in front of him. The bullet from the revolver struck a small stick and glanced off and buried itself in the fleshy part of Major Weston's left leg. He will be confined to the hospital for a few days.

At the Rifle League meeting held last night the old council were re-elected for all provinces except Nova Scotia, in which Capt. Bishop was substituted for Colonel Murray, and Major Weston for Colonel Walsh. At this meeting, cups were presented to the teams, the first of the ten men team being won by the 13th Battalion of Hamilton. The 82d Battalion of Charlottetown take sixth place. The Halifax Garrison Artillery take the 12th place, and the 63d Battalion of Halifax, the 19th place. Of the 29 men teams the Queen's Own, Toronto, take the first place and the Halifax Garrison Artillery take the fifth place. In the Rifle Association teams, Amherst Association stands first, Kentville fifth.

Cholera in Great Britain

Several Towns Infected.

LONDON, Aug. 30.

If all deaths being reported from Asiatic cholera are true, there is no doubt that Great Britain is having a visitation of the dreadful scourge. From Gravesend, Swansea, Glasgow, and Dundee—towns in England, Scotland and Wales—reports come of deaths from the disease, showing that the efforts of the health officials to keep it out of the country have proved fruitless. Yesterday afternoon it was reported that a person died from Asiatic cholera at Bolton, a large manufacturing town which lies twelve miles northwest of Manchester. Permission was given by the health officials at Middlesborough for the landing of the crew of the steamer Garons from Hamburg. This promises to have most serious results. Before the vessel was placed in quarantine a number of the ship's company departed for their homes. Six went to Dundee, and another of the crew went to Aberdeen. Among those sent to Dundee one died from disease pronounced to be cholera. Another member of the crew who went to South Shields was found suffering from cholera.

Railway Rascals—Committed.

AMHERST, Aug. 30. Two prisoners, Peter A. McMullen and Wm. McMullen, both of Springhill, were this afternoon committed for trial on a charge of placing a trolley on the railroad near Springhill. The evidence given at the preliminary examination showed that there was enough material on the track to derail the engine and cause a serious if not disastrous accident, especially as the engine would strike the obstruction where the line curved.

The Canal Difficulty.

OTTAWA, Aug. 30. Referring to the recent unfriendly action of the Washington Government, the Minister of Marine to-day stated that within the past year his department have, at the request of the United States, established several lights to complete a system of range lights required for the Sault canal. It will now be in order to consider whether there should be maintained at the expense of the Government of the Dominion.

Eureka!

TORONTO, Aug. 30. The new Provincial law, imposing a tax on the estates of deceased persons will, at the present rate, yield Ontario \$500,000 a year. This new source of revenue will make the ordinary income and out-go of the Province about balance.

Wealth Wins.

HALIFAX, Aug. 30. Daniel O'Day, of New York, and Miss Eliza Page, the adopted daughter of Dr. Page of Truro, were married yesterday at St. Mary's Cathedral. O'Day is wealthy. He is a Catholic and Miss Page a Presbyterian.

Naval.

HALIFAX, Aug. 30. The warship Blake left for Montreal at 4 o'clock on Saturday afternoon. She will be absent five weeks. Lady Hopkins accompanies the Admiral. The Tartar will remain in port until Sept. 7, when she also leaves for Montreal.

The Caron Case.

OTTAWA, Aug. 30. The Caron Commission will probably meet here about September the 12th. J. S. Archibald, of Montreal, has been retained as Government Counsel.

The Star

THE BEAUTIFUL STAR

Has vindicated her right to be called Beautiful from the universal admiration of our patrons for the Beautiful in Art. This is evidenced by the good taste they display in patronizing the Star Tailoring Establishment when they want something particularly nice and artistic. Our success in filling the bill has passed into a proverb, namely, when you fail to get suited at the Star Tailoring Establishment you are too fastidious for this yere world.
