

Heartfelt Greetings To Their Royal Highnesses

On this historic and happy occasion, the first visit to Canada of Their Royal Highnesses, the Princess Elizabeth and the Duke of Edinburgh, we join all Canadians in extending a Loyal Welcome. May they take back with them many cherished memories of their visit and the Love and Devotion of our people.

Eagerly we join in the acclaim that has risen across our great Dominion, a land proud of its place in the British Commonwealth of Nations, throwing open wide the door to our young guests from England.
