KENSINGTON HIGH

Rehearsals Are The Order Of The Day; Sports Over

High School students are feverishly making last minute preparations for the presentation of their plays and are brushing up on lines and actions. The date has been set for Wednesday, March 5, and performances for both afternoon and evening are planned. This year the plays are to be adjudicated and this adds interest. The Red Cross Council's order of jackets and crests in school colors arrived several weeks ago. The students really look smart sporting the green and white. The High School Hockey team has played two games with Summerside High School. The first, played in Kensington, ended with the score tied 4-4. In the second game Kensington defeated Summerside 5-4 in Summerside. A new floor has been laid in the auditorium. Plans are now being made for reorganizing the badminton teams. The Glee Club is soon to be re-organized in preparation for the annual musical festival. As in former years the club will enter in several chorus groups. And so—to close for this time. From all of us to all of you, until next time we say Adieu.
