FALL LECTURE SERIES IN SUMMERSIDE

The Natural History Society, in conjunction with the Island Nature Trust, is presenting an evening lecture series based on the interactions between man and nature on P.E.I. Entitled 'All the Living Things', the six week program will run on Thursday evenings from Sept. 22 to Oct. 27. Presentations are to be held in the Eptek Center and will begin at 7:30 p.m. Coordinator of the series is Rosemary Curley. The speakers and topics are listed below:

Sept. 22 - Images from the Past: A Legacy for our Children - Daryl Guignon.

Sept. 29 - The Piping Plover: Help for an Endangered Species - Winifred Cairns.

Oct. 6 - Changes in P.E.I. Birdlife over Five Centuries - Geoff Hogan.

Oct. 13 - Mammals Come and Go - Rosemary Curley.

Oct. 20 - Every kind of plant that bears seed - Betty Howatt

Oct. 27 - Enhancing Wildlife on your property - Dan McAskill

NATURE ART SHOWS

Canadian Nature Art 1982/83. This exhibition of outstanding works by Canadian nature artists will be on display in the Eptek Center in Summerside, Sept. 28 to Oct. 15. The show, co-sponsored by the Canadian Nature Federation and the National Museum of Natural Sciences, is currently winding up a cross-Canada tour. Don't miss this chance to see top-notch nature art right here on Prince Edward Island.

The Wild Side of the Isle. A showing of 25 selected nature photographs will be on display at the Eptek Center in Summerside from Oct. 17 to Nov. 6. Sponsored jointly by the P.E.I. Natural History Society and the Island Nature Trust, the exhibit will feature a broad spectrum of the wild creatures and places on Prince Edward Island. Exhibition organizers Geoff Hogan and Dan McAskill are hoping for a strong show of support from art lovers and naturalists across the province.
