Everybody in the harness horse fraternity in the Maritimes has been looking forward eagerly to the result of the Fullerton Trot, one of the feature events at Santa Anita Track, California, Saturday.

Among the numerous starters was the Maritimer Brewer's Gallon, that had already chalked up four victories there and lowered his record to 2:08 the Saturday previous.

Director Frank Acorn received a telegram yesterday afternoon from B. C. Cruickshank, Halifax, owner of Brewer's Gallon, stating that he had won in 2:02 2-5 a new record for him.

The same afternoon the trotting mare Proximity, that had set a new track record (trotting) for the course the previous Saturday of 2:01 2-5 had gained further fame by creating a new World's record for the mile and one sixteenth. The same afternoon Jerry The First, 1:59 1-2, that had won the \$50,000 Golden West Pace at Santa Anita last season, had won his race Saturday and lowered the track record for pacers to two minutes.

# Hill Prince Winner Of Preakness

BALTIMORE, May 21—(AP)—Hill Prince and Eddie Arcaro ran away with the 74th Preakness Stakes Saturday, soundly whipling the Kentucky Derby champion, Middleground.

The powerful bay colt from Virginia took the lead going to the backstretch of the ancient Pimlico race course. Those in the crowd of 26,559 who had established him as the odds-on favorite never had another worry.

At the finish of the 13 1/16 miles, Chris Chenery's stubby-tailed son of Princequillo-Hildene was five lengths ahead of Middleground who beat Hill Prince in the Derby two weeks ago.

Middleground, hope of the King Ranch to cop a second Preakness, was five lengths ahead of the third horse, C. V. Whitney's Dooly, in the field of six starters.

Mr. Trouble the supposed ace of the Whitney entry, was fourth, tagging along six lengths back of his stablemate.

The track was officially labelled slow, and the winner's time was a fair 1:59 1/2. Capot set the track record of 1:56 flat in winning the Preakness over a fast strip last year.

Hill Prince, who beat Middleground in the Wood Memorial, then again in the Withers Mile after his Derby defeat, rewarded bettors with \$3.40 straight and \$2.40 to place. There was no show wagering, because the track feared a minus pool with such a small field.

Middleground returned \$3.20.

VICS NO. 55

In connection with the annual six-mile running race and the ten-mile bicycle race, to be held here on May 24th under the sponsorship of the Department of Physical Fitness and the Charlottetown Playground Commission, officials informed this column last night that as of noon Saturday four entries had been received for the road race and eight for the ten-mile bike event.

The entries for the running race to date include John Paul of Springhill, N. S., and Rocky Point, winner of last year's event, Paul Belliveau of Moncton, and two Charlottetown boys, Jack Hennessey and Russell Doyle. The two local entries were both contestants in last year's race, Hennessey running third over nearly the entire course only to be forced to drop out with leg trouble coming around Victoria Park in the last leg of the course, while Doyle finished fourth in the six-mile event in a field of eight entries. Officials also stated last night that it is hoped that at least two or three more entries will be received before the closing time of entry at noon today.

Although the names of the eight entries for the bike race were not available last night, officials stated that it is an all-local field made up of contestants representing the various City schools and Prince of Wales College. Unlike the running race, which is an open event, the ten-mile bike race is limited to contestants under 17 years of age and must be attending school or college.

This is hardly the time of year to be talking of hockey, but it might be interesting to note however, that at a recent meeting of the Maritime Senior "Big Four" Hockey League all four of last season's clubs, Saint John Beavers, Moncton Hawks, Acadia Ramblers and the present reigning champions, Halifax St. Mary's, have all voiced their intention of taking part in the League again next season (1950-51).

The possibility of the Dartmouth Arrows, a former entry of the "Big Four" circuit, returning to the fold to make it a five-team set-up was also considered at the meeting. It appears that officials of the league will welcome the entry, but that the final decision would hinge on whether or not Dartmouth's proposed artificial rink is built and in operation by the time the season is ready to get underway. Dartmouth has no artificial ice at the present time.

# Boston Braves Defeat Chicago In Double Bill

(By The Canadian Press)  
Boston Braves twice measured Chicago Cubs Sunday, Johnny Sain winning his sixth of the season, 3-2 in the opener and Vern Bleckford registering his second decision, 4-3, in the closer which ended with Earl Torgerson catching pinch hitter Bob Scheffing's foul ball by stretching into a front row box. A Boston paid audience of 18,048 National League fans witnessed the wind-swept twin bill.

Home runs by Virgil Stallcup, Johnny Wyrostek, Grady Hatton and Danny Litwhiler sparked Cincinnati Reds to a 10-9 triumph over Brooklyn Dodgers. Litwhiler belted his as a pinch-hitter with two on in the eighth to win the game.

The victory ended Brooklyn's six-game winning streak and Cincinnati's six-game losing streak. The Dodgers rallied in the ninth but scored only three runs when they needed four to tie the score. Seven of the Cincinnati runs came on homers with Litwhiler's pinch four-bagger featuring a four-run rally in the eighth to give the Reds the lead.

Andy Semnick clouted a ninth-inning homer with Dick Sisler on base to give Philadelphia Phillies a 4-2 victory over St. Louis Cardinals in the second game of a late-inning Phil's rally to win the opener 6-5.

The split enabled the second-place Phillies to climb within a half game of Brooklyn Dodgers. Pittsburgh Pirates took both ends of a doubleheader from New York Giants 4-2 and 8-6 to snap a four-game New York winning streak. The Pirates scored twice in the ninth to win the opener and jumped off to an early lead to stay in the van all the way in the nightcap.

er to see that Saint John, Moncton and Halifax would be all back in the league next season, but we must admit that Amherst's decision to come in again was more than expected in this quarter, particularly at this early date, after having such a tough season last year. Although the league in general was not considered to be a particularly "peak" year financially, Amherst must have found it really tough, when crowds dropped off to a minimum both at home and abroad due to a sustained losing streak.

The fact that they are determined to give it another try despite their set-back may be a good sign however, and if their next year's roster matches their game-ness and determination, it might well bring forth an entirely different result in the 1950-51 "Big Four" hockey battle.
