## AN ITALIAN BISHOP AND THREE PRIESTS

### Massacred After Revolting Tortures.

#### SIX OTHER PRIESTS FLED TO THE HILLS.

#### Origin of the Trouble in China Described.

[SPECIAL TO THE EXAMINER.]

LONDON, July 27.—The Shanghai correspondent of the Express telegraphs: "Li Hung Chang now states that some of the members of the legations have already left Peking and may be expected shortly. He is becoming angry at the scepticism of the Consuls. The impression is gaining ground here that the ministers of the Powers to whom China has appealed for mediation may still be alive. The representatives of France, Japan, Russia and the United States have visited Li Hung Chang but the others still sleep aloof.

The Americans here are indignant over the fact that United States Consul Goodnow has entered into relations with Earl Li, but Mr. Goodnow defends his action on the ground that he is following instructions of his government.

LONDON, July 27.—The Hong Kong correspondent of the Daily Express wires that an Italian priest, who has just arrived from Hen Siu Fa, in Southern Fa An, says that an Italian Bishop and three priests had been massacred after revolting tortures.

This took place on July 4th. Six hundred converts had been massacred, after the women had been subjected to hideous brutalities. Six other priests fled to the hills where they were probably killed. A priest who escaped had a perilous journey to Hong Kong. He hid in a coffin on board the river boat for seventeen days.

LONDON, July 27.—There have been no developments to warrant the assumption that there has been the slightest improvement in the Chinese situation.

Indeed, the general tendency of the news received is to add to the steadily growing doubt as to the good faith of the Chinese government as manifested in its acts.

LONDON, July 27.—Telegrams have arrived at St. Petersburg by a circuitous route, dated Peking, June 15 and 18, describing the origin of the trouble. They came from the director of the Russo-Chinese bank in Peking. He says, in part: "The German Legation, June 13, arrested an anti-christian brigand. This was the signal for an anti-christian uprising and at six in the evening the anti-christians set fire to the American Church and burned it. The Europeans then barricaded the legations, and the rioters sacked and burned the houses in the European quarter." It further appears from these advices, that by June 18 the legations were besieged and the Chinese government had attempted to invoke the aid of M. de Giers the Russian minister, and Mr. Conger to prevent the advance of Russian troops to Peking.

## MEANEST THIEF ON RECORD.

(Bangor News, 26th.)

A little girl, 14 years of age, arrived in Bangor Tuesday night on the late train from St. John. She came from Prince Edward Island, and was going to a house on Broadway. She alighted from the train at the western station and stood looking for a policeman or a hackman. A man came along and asked her what she was looking for and she told him. He said that he would get her a carriage and then asked her if she had any money. The little girl had just 50 cents and she gave it to him. He walked with her to the corner of Main and May streets and there told her to wait until he returned with the carriage. She waited for an hour but the carriage did not arrive. Finally the girl broke down and began to cry. She called to a man who was going down on the opposite side of the street and he went to her rescue. She told him her story and he went to the Bangor House stables, where the police were notified of the case by telephone. Patrolman Baker, who is acting as captain of the night squad, had the girl sent to her destination on the Broadway, and then started his men on the search for the thief, whom the girl described as a very tall man with a black moustache.

### British and Americans.

TIEN TAIN, July 16, via Che Foo, July 24.—Gen Dorward, the British commander, has sent to the American commanders a letter, in which he says: "I desire to express the high appreciation of the British troops of the honor done them in serving alongside of their comrades of the American army and of the high honor accorded me in having them under my command.

"I blame myself for the mistake made in taking their position by the Ninth Regiment, not remembering that troops fresh to the scene of action and hurried forward in the excitement of the attack, were likely to lose their way. Still the position they took and gallantly stuck to all day undoubtedly prevented a large body of the enemy from turning the right of the attacking line and inflicting serious loss on the French and Japanese."

Gen. Dorward also expressed sympathy with the Americans in the loss of Col. Liscum, commander of the regiment, and Captain Davis of the marine corps.

### Salisbury Sceptical.

LONDON, July 26.—The British Premier Lord Salisbury, yesterday notified United States Ambassador Choate that it was impossible to accept the evidence so far submitted by the Chinese or that transmitted by the United States regarding the safety of the foreign minister at Peking, and that until their safety should be thoroughly established the British Government would be unable to discuss any question of mediation of kindred matters.

### German Opinion.

BERLIN, July 26.—The Imperial minister of foreign affairs, Count Von Buelow, has gone to Bremen to report to the Emperor. The press of Berlin continues to support Count Von Buelow's reply to the Chinese minister. The National Zeitung says Germany cannot consent to support China until she has atoned for the murder of Baron von Ketteler. The Boergen Zeitung says: "At all events Peking will learn that the attempt to detach one or other of the powers from the coalition is a futile venture." The feeling is growing in official circles that the ministers at Peking are alive.

### Society Wedding.

HALIFAX, July 26.—The wedding took place yesterday afternoon of Dr. M. A. S. Smith of Dartmouth and Miss Catherine Fraser Prescott, daughter of the late Charles Prescott of Westmorland. The officiating clergyman was Rev. E. P. Crawford. The bride was given away by her brother-in-law, Walter Allison.

### Russians to the Rescue.

ST. PETERSBURG, July 26.—Russian troops from Nikolok (Kikolsk) and Sugar river are hastening to the relief of Charbin and other places in a similar plight. General Grodekoff reports that Chinese feebly cannonaded Blagovestchensk, Sunday, July 22. Little damage was done. Cossacks are crossing the Amur River, dispersing the Chinese.

### There's Nothing in It.

OTTAWA, July 26.—Nothing is known at militia headquarters of the alleged cases of destitute Canadians belonging to the Canadian contingents in London, and still less is believed. Members of the Canadian contingents invalided in England are under orders and any such sleeping out in the parks must have broken leave or have been out without leave in order to do so. In this case they will be taken care of by the military authorities. Fifteen members of the Canadian contingents now in England received £10 pound sterling apiece at the hands of Lord Strathcona this morning on account of deferred pay. This is the result of a correspondence between Lt.-Col. Pinault and the High Commissioner. It was pointed out that several of those invalided home were practically well when they reached England, and might like to take some leave to see London. Under the circumstances Lord Strathcona asked if he might advance money on account of the deferred pay voted by the Canadian parliament. To this Col. Pinault replied that as a number of men had assigned their pay, it would be advisable to see that they were clear on the books and advised that in any case the names should be submitted to the Department before the advance was made. Lord Strathcona replied by submitting fifteen names, none of whom had assigned, and they today drew their money.
