Plans Indicate Most Successful Exhibition At Alberton Tomorrow

The 24th edition of the Alberton and Prince County Exhibition will be held tomorrow and preparations are now in process of being completed to make it the most successful to date. Exhibits of livestock from all over Prince County are being delivered to the barns and judging will commence at 11 A. M.

It is anticipated that the number of exhibits will be the largest in the history of the Fair as some new names are in evidence among those who have entered livestock.

The quality of the exhibits continues to improve from year to year and a share of the credit for this improvement must go to this annual exhibition which has created a spirit of rivalry among the farmers and a pride in the possession of fine cattle, horses, hogs and poultry.

His Honor, Lieutenant-Governor J. A. Bernard will officially open the Fair at 2 p. m. Among those expected to be present is the Provincial Minister of Agriculture, the Hon. C. C. Baker, Mr. Lester Wallace, Howland, the president of the Exhibition Association will preside.

Mr. Herbert Matthews, the secretary, is busy looking after the countless details that add up to a successful show. The women will be a little ahead of the game as their exhibits of domestic science and handicraft will be judged this afternoon. This display is always one of the main attractions of the fair and when the large crowd files through the showrooms tomorrow all the prize ribbons will be in place.

The Ladies' Aid of the Alberton Hospital will serve meals and there will be refreshment booths. In the evening there will be modern and old time dancing. If the day is favourable a large crowd of people will travel the roads to Alberton tomorrow. — S

Miss Laura Crosby invited the members to meet at her home in September, when Mrs. Vickerson will take the devotional and Mrs. Chastan introduce the Study Book.

Laxton, Amherst, who was a visitor, and Mrs. Stewart Drake sang very acceptably the convention hymn, "Fairest Lord Jesus."

A very pleasant social hour was spent in Mrs. MacKinley's beautiful home and lunch was served by the hostess and committee.

The closing prayer was that Christian teaching and evangelism may be advanced because of this convention and that Christians, whose Christianity is being tested severely these days, may learn to serve the Master better than ever before.

LOWER FREETOWN W. I.

The August meeting of the Lower Freetown W. I. met at the home of Mrs. Scott Cairns with the president Mrs. Walter Bernard presiding. The meeting opened with the Ode followed by repeating the "Collect" in unison. Seventeen members and one visitor were present.

maintain the textword "Worship". There were 13 members and 3 visitors present. The secretary reported the proceeds from the pantry sale held in Kensington in June to be \$33.80. The offering amounted to \$10.10. The September meeting is to be held at the home of Mrs. John MacLeod when the leader will be Mrs. Louis Campbell. Dedicatory Prayer will be offered by Mrs. Harold Mayhew and Mrs. Harold Dunning will have charge of the program.
