Mr. Archie Johnstone, 30-year-old Burlington farmer, has been awarded the Nuffield Foundation Scholarship given annually to two farmers in Canada for the purpose of working on the farms and studying British agriculture. This announcement comes from the Canadian Federation of Agriculture at Ottawa. Mr. Johnstone will leave next April for England and will spend six months in the British Isles before returning to Canada. It is noteworthy that this is the second time the scholarship has been awarded to an Islander. Mr. William Cairns of Freetown was a representative from this province in 1952.

A veteran of World War II, Mr. Johnstone who is the son of Lt. Colonel E. W. Johnstone and Mrs. Johnstone, is a graduate of the Nova Scotia Agricultural College (general course) and last year was a delegate to the Canadian Association for Adult Education held at Antigonish. He is a director on the provincial board of the P.E.I. Federation of Agriculture and a member of the provincial farm forum committee. He has been a pre-lector for farm radio forum of P.E.I. and is vice-president of the Queens County Federation of Agriculture.

The annual meeting of the Eastern King's Exhibition Association was held in Souris Town Hall Saturday afternoon at 3 o'clock. The president, Mr. Hugh MacKinnon, occupied the chair. Minutes of the previous meeting were read and accepted as read.

The election of officers resulted in Mr. Hugh MacKinnon, Rollo Bay, being re-elected president and Mrs. Ernest Underhary of Bay Fortune vice-president. Mr. Ansel MacDonald as secretary wished to be relieved of his duties. One was elected to replace him and he said he would act until he was replaced.

Dr. S. Bandler accompanied by Mrs. Bandler and her son, Dr. Martin Bandler, left Alberton by car Sunday morning to spend some months with relatives in New York, California and Buenos Aires. To the deep regret of their many friends Dr. and Mrs. Bandler do not expect to again take up permanent residence in Alberton.

Victims of the tragedy of World War II, the Bandler family found refuge in Canada. Almost thirteen years ago they came to Alberton which was without a doctor at that time, and here Dr. Bandler earned the esteem of the entire area by his professional skill and kind manner. He received his Canadian citizenship certificate at the first public ceremony of naturalization to be held in Prince County under the new citizenship Act. Mrs. Bandler has also endeared herself to the community.

A disastrous fire occurred last evening at 5:30 p.m. at Summerside, West, when the pigery owned by Mr. Clovis Perry, housing about 103 pigs was completely destroyed along with 75 of the pigs.

Origin of the fire is uncertain but it is believed that it might have been caused by a spark from the stove used to heat the feed boiler. Stored in the pigery was an estimated 5 tons of straw which was also lost and which fed the flames making it impossible to do anything to control the fire.

No estimate of the loss could be learned last evening and since there was practically no insurance on the building or its contents the loss to Mr. Perry is a heavy one.

Of the number of pigs which were saved from the fire a number were

badly burned before they could be released and possibly some of these will have to be destroyed adding further to the loss.

"Murray River voted in favor of incorporation under the Village Services Act in an election held Saturday by Mr. Edwin Reid, Rollo Bay, sheriff and returning officer.

The final count stood at 103 in favor and 36 against. This is the second election held in Murray River, the first resulting in a majority vote against incorporation.

Villages at present incorporated in King's include: St. Peters, Morrell, Cardigan, Murray River and Murray Harbour.

"The town of Montague will make official application to Federal authorities for the purchase of the old post office building, it was decided at the regular meeting of the Town Council held last night.

Moving B. H. Yeo presided over the meeting at which Councillors Reynolds, Hessian, Nicholson, McGowan and Greene were in attendance.

The council was informed that the old building had been turned over to the Crown Assets Corporation for disposal, and a formal application to purchase must be tendered. This is to be done immediately.

Dr. Hellmich, recently of Borden, began the practice of his profession in Alberton yesterday succeeding Dr. Bandler who left here on Sunday after a residence of thirteen years.

Dr. Hellmich was educated in his native Poland and with his family experienced the hardships of World War II. Before coming to Canada in 1949 he practised medicine in England for three years. For the past five years he has served the Borden area. Dr. and Mrs. Hellmich have two small children, Christina and Mark. Mrs. Hellmich's mother also makes her home with them.

Tuesday

Plans have been finalized for the official inauguration of Centennial Year in Charlottetown.

On New Year's eve a dance will be held at the Charlottetown Hotel as well as at the Queen Charlotte High School where Phlat groups of the Y.M.C.A. are sponsoring an entertainment for the younger set. At midnight a Town Crier in period costume will read to the dance patrons the official proclamation from the Mayor and City Council declaring Centennial Year opened.

Centennial novelties will be in evidence at both these official functions, which will be attended by Mayor Stewart.

On New Year's morning, the Mayor, accompanied by the City Clerk and the chairman of the Centennial Committee, will visit either of the two Charlottetown hospitals where the first baby of the New Year has been born. The child will be presented with a sterling silver mug and the mother will receive a bouquet of flowers.

At 2 p.m. the official opening of Centennial Year will take place in the Council Chambers at City Hall. Present for the occasion besides the Mayor and Councillors will be His Honor, Lieutenant Governor Prowse, Premier A. W. Matheson, the two Charlottetown members of the Legislative Assembly, the Queen's County members of Parliament, the Chief of Police, the Fire Chief, the heads of the various city departments and all former living mayors. Clergy will be represented by the President of the Charlottetown Ministerial Association and a representative of the Roman Catholic Bishop of Charlottetown.

Chester Weeks of Fredericton who entered the P. E. Island Hospital on Saturday suffering from injuries received in a car accident, is reported last evening as resting comfortably.

The accident occurred as Mr.

Parking meters came in for considerable discussion at the regular monthly meeting of the City Council held last night. Councillors Johnstone, McCormac and Keefe were not present for the meeting.

Councillor Elmer MacDonald brought up the matter of parking meters and felt that it was a very unsatisfactory condition to have some 127 meters in poor working condition. He inquired from the police commission, "who was Mr. Crockett's boss" and why the servicing of the meters could get so far behind that 127 were out of working order at one time. Councillor MacDonald made the suggestion that police officer Bishop be assigned to supervise the working of the meters and that Mr. Crockett be responsible to him.

Councillor Hutcheson informed the meeting that in a recent survey made it was shown that many of the meters, especially the new type installed, were of an unsatisfactory type. He felt that the condition of some of them was not the fault of the man looking after them but in the machines themselves. Councillor Gaudet expressed the opinion that it was wrong to censor Mr. Crockett for not giving satisfactory service until the findings of the police commission are more complete. Councillor Gormley, chairman of the Police Committee explained that many of the meters became corroded and that it was impossible for one man to keep them all working properly under these conditions. He said that in other cities where there were over 300 parking meters there was an additional man for each extra 200. In Charlottetown there are 450 meters. He told the Council that the Police Commission had the matter in hand and that it would be taken under advisement at a meeting of the commission. His Worship expressed confidence in the Police Commission and suggested that the matter be left in their hands.

City Police are investigating a break which is reported to have occurred late Sunday night or early yesterday morning at the warehouse on the Railway Wharf. Mr. Ralph Stewart, an employee of the Imperial Oil Ltd., noticed the break early yesterday morning and reported it to police. Entrance to the warehouse was effected by breaking the lock on the door of the office. Wharfinger William Brown stated that there was butter, eggs and canned chicken stored in the building to be loaded on the Newfoundland boat. It is not known exactly how much of these goods is missing, but some has definitely been taken. No arrests have as yet been made.

The Irving Oil Company will commence the construction today of a new service station on the southeast corner of Prince and Grafton streets, and of a new storage plant near Hillsboro bridge. Only recently the site of the new service station was cleared by the demolition of an old residence, and preparatory filling and leveling has been carried out at the location of the storage plant. The latter will be built near Hillsboro bridge on the Charlottetown side of the river and just west of where the shoreline and the bridge meet.

Already considerable, the construction of the new plant will represent a considerable expansion of the Irving Oil facilities in the province.

The many friends of Jack Walsh, Albany, will be pleased to learn that after nine weeks of hospitalization in the Victoria General, Halifax, he is being released from hospital on Thursday.

His parents, Mr. and Mrs. Lloyd Walsh are leaving today by car to bring him home. They are accompanied by Mr. Melvin Waddell, Albany, in his car.

Medical authorities at Halifax have informed Mr. and Mrs. Walsh that their son will have to return to Halifax in three months for an operation to put a steel plate in his head. The homecoming patient was the victim of an accident at Cranford several weeks ago, suffering serious head and back injuries.

Known Alberton since its pioneer days.

—Dr. J. P. Kelly, Mrs. Kelly and their little daughter, left Alberton Tuesday afternoon after a residence of three years. Dr. Kelly has accepted an invitation to practice his profession in Borden which has recently been left without a doctor. While his friends and patients in West Prince regret his departure, he is followed by their most kindly regard.

Wednesday

At a special meeting of the entire Board of Trustees of School Unit No. 1 held last night at Parkdale it was decided to investigate the possibility of building a central junior high school for the unit.

The trustees are facing the serious problem of having to provide from 12 to 15 new classrooms in the Unit during the next four years. School population has increased rapidly and at the present time crowded conditions exist in Spring Park, Parkdale, Central Royalty and West Royalty. In Spring Park School it is now necessary to stagger classes in order to accommodate the children. A recent census of the pre-school children living in the unit indicates that a minimum of 300 more pupils will be enrolled in 1959 than in 1954.

The trustees have been studying the situation for some time and as a result of their deliberations have decided to investigate amongst other solutions, the possibility of a junior high school.

The trustees are Messrs. Gordon Rodd, chairman, Warren Burns, J. J. Paquet, Ernest MacMillan, George Cairns, Andrew MacRae, and Duncan MacInnis.

Mr. W. C. MacLeod was elected president of the Caledonian Club last night at an enthusiastic meeting held at the Rendezvous banquet room. He succeeds clansman George V. Fraser who was named Chief of the Club.

Honorary Patron of the Club is Chief Justice Thane A. Campbell with Dr. W. J. P. MacMillan, O.B.E., named Honorary Chief. Honorary President is Premier A. W. Matheson and Honorary Piper, Lt. Governor D. L. MacLaren of New Brunswick. Other officers elected were: 1st. vice-president, Hon. Dougald MacKinnon; 2nd. vice-president, Gordon MacMillan; treasurer, Roy MacGillivray; financial secretary, James MacEachern; recording secretary, Dr. L. W. Shaw; correspondence secretary, J. O. Campbell, Q. C.; public relations, W. Blair MacDonald; dinner committee, J. Bruce MacLaren; property committee, David L. Bethune; finance committee, Neil A. Matheson, M.P.; sick committee, Charles H. Black.

—Mr. Holden Sharp, 81-year-old resident of Linkletter Road, suffered a fractured left hip when thrown from a horse-drawn load of hay in Summerside yesterday afternoon.

Mr. Sharp was about to have the hay weighed on the scales of Joseph Reid & Co. when a train approaching the nearby crossing sounded its whistle which frightened the horses and caused them to bolt, throwing Mr. Sharp to the pavement.

He was taken to Prince County Hospital by ambulance and his condition last evening was said to be very good.

Three prelates who have been Rectors of St. Dunstan's Cathedral Parish during the past 46 years took part in a service of unusual interest in the Basilica, on the occasion of the official opening of the new, redecorated basement, and the erection of the new Stations of the Cross. The basement church was filled to capacity. Rt. Rev. Monsignor Maurice McDonald, D.P., who was rector of the Basilica from 1915 to 1933, erected the Station with traditional ceremony. Rt. Rev. G. J. McLellan, P.A., Vicar Capitular of the diocese, delivered a stirring sermon appropriate to the occasion. During his rectorship of St. Dunstan's which was from 1907 to 1915, the Basilica was destroyed by fire and the rebuilding begun. The basement was opened for services on Christmas Day 1914.

Benediction was given by Rt. Rev. Patrick McMahon, D.P., who was rector from 1934 to 1942 and from 1946 until 1954. Rev. F. J. Corcoran, deacon, and Rev. Clarence Roche, sub-deacon. The mass's choir was directed by Leo Chaisson with Mrs. Joseph Dougan as organist.

The Centennial Club of Charlottetown Y's Men held their anniversary night last night. It marked three years of successful service to the local Y. M. C. A. in this City. Guest speaker for the occasion was Y's Charles Linkletter of Summerside. International director of the organization, Chairman for the evening was Mr. Earl Taylor, President of the Charlottetown Y. M. —A holdup was averted at a Toronto branch of the Bank of Nova Scotia recently due to the courage and alertness of a former Kensington native and several other bank employees.

Mr. James K. Cousins, formerly of Kensington, an accountant at the Church and Queen Street branch, sped three blocks down Church Street after a would-be holdup man, but to no avail.

He fired several shots in the air but the thug escaped in the Christmas shopping crowds.

The bandit entered the bank and approached the teller, ordering him to "fork over the money as this is a hold-up." The teller stalled for time, asking the thug what denominations he would like and finally dropped to the floor shouting to nearby employees "get that guy."

The hold-up man bolted out the door and in doing so dropped two 32 caliber bullets.

Mr. Cousins grabbed a revolver, and accompanied by five other bank employees, they raced after the robber.

Mr. Cousins was employed in the Charlottetown branch of the Bank of Nova Scotia for several years both before and after the war, and has spent the last two years in Toronto. He is married and has two children.

He has a brother and sister, Mrs. Ivan Darrach, R.N. and Mr. W. M. Cousins, both residing in Kensington.

—The December meeting of the Corran Ban sub-division of the C. W. L. was held Sunday, December 12 with 15 members present. Meeting opened with prayer by Father Wood. The minutes of the previous meeting were approved as read. Correspondence from Provincial President, convener of Legislation and citizenship convention of Social Services and Child Welfare, T. B. League and Rev. Patrick Peyton C. S. C. was read and dealt with. Also the Provincial Treasurer's report on her civil defence course and some literature on the Blue Army of Mary were passed around.

Movies were voted for T. B. League, School treat at Christmas and flowers for Altar. It was decided to park boxes for Precious Blood Sisters and St. Vincent's Orphanage. It was also decided to order some of Fr. Peyton's prayer books and to try to have everyone enrolled in the Blue Army with the Pastor's help. Four members paid dues.

Conveners appointed: Social Services and Child Welfare, Mrs. Agnes MacDougall; Press, Mrs. Dan Bradley. A committee of three volunteered to supervise the erection of the Church crib at Christmas. Meeting adjourned with prayer.

IN THE HOME WORKSHOP

This festive tablecloth was made of percale sheeting. As it is sold by the yard a cloth for the largest table may be made by simply repeating the red and green holly designs as often as needed. The pattern carries directions on how to use fabric paints and gives printed outlines of the designs to be cut out and used as stencils. The angelic figures lined up in front of the candles are made by tracing them on stiff paper, filling in the colors and shaping to stand six inches high. This pattern is 320 and the tablecloth is 249. These numbers are available at 35 cents each from the address given below. Also both 249 and 320 are included in the Christmas Decorations Pack of five standard size patterns for \$1.50.
