The Fourth of July

will be commemorated by the people of St. Joseph's Parish, Lot 29, by holding a day

—Mouth Tea Party—

to raise funds in aid of their new church, and to assist in replacing the parsonage house burned down last August.

A most willing and vigilant committee will make lavish preparations to hospitably cater to every need and pleasure of those who favor them with their presence and patronage on that day; while the ladies of Kelly's Cross will give the well merited credit of being most capable bakers and lovely courteous waiters.

Every refreshment obtainable, and everything calculated to satisfy and entertain, will be provided. Come to Kelly's Cross, therefore, friends on Wednesday the 4th of July, to the first, and, most probably, the best Tea of 1900. By order of com.

What Is Dr. Chase's Nerve Food?

In appearance Dr. Chase's Nerve Food is an oval, chocolate coated pill. In the condensed form it contains all of nature's most strengthening and invigorating tonic and restoratives and for this reason it is unsurpassed as a blood-builder and nerve restorative. It cures all diseases caused by thin blood and exhausted nerves and makes pale, weak nervous men, women and children strong and healthy. 50 cents a box.

Broken enamel sticks, with a gem between, make a pretty chain for a girl especially in blue enamel and pearls.

To Cure a Cold in One Day

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box.

Doubt your own ability if you must, but never let anybody know it.

A Good Stomach.

Is essential to health and happiness, but don't blame the stomach for biliousness. It is deranged, and causes poisonous bile to remain in the blood causing indigestion, headache and irregular action of the bowels. Dr. Chase's Kidney-Liver Pills regulate the liver, kidneys and bowels and by their direct action on these organs effect prompt and lasting cures of biliousness, dyspepsia, headache and all kidney ailments. One pill a dose, 25 cents a box, at all dealers.

We could all pursue our opportunities more successfully if the road was not so wide.

DR. A. W. CHASE'S CATARRH CURE... 25c.

Is sent direct to the diseased parts by the Improved Blower. Heals the ulcers, clears the air passages, stops droppings in the throat and permanently cures Catarrh and Hay Fever. Blower free. All dealers, or Dr. A. W. Chase Medicine Co., Toronto and Buffalo.

After we discover that groping after the unattainable makes us unhappy we continue to grope.

When It Hurts to Cough.

The cough that hurts, the cough that gets tight in the chest, is daily getting deeper and deeper into the bronchial tubes and is making directly for the lungs, to become pneumonia, inflammation of the lungs or consumption. Such coughs yield only to the wonderful efficiency of Dr. Chase's Syrup of Linseed and Turpentine which loosens the tightness and cures cough and cold together. 25 cents a bottle. Family size 60 cents, sold everywhere.

One phase of culture is getting so you can say mean things in a polite and scholarly way.

The copy of an old photograph taken a generation ago, of the north side of Queen Square, which forms the front-piece of the June P. E. Island Magazine is quite interesting. The signboards, sidewalks, fences, etc., appear decidedly antique to the young folks of to day. There are a lot of other interesting things in this month's magazine. At all the bookstores. Five cents a copy.

Actresses Paint Their Faces.

"It is a mistaken idea that actresses are as a general rule handsomer on the stage than off," writes Franklin Fyles in The Ladies' Home Journal. "The reverse is as likely to be true. Nevertheless all theatrical faces have to be painted. It may be assumed safely that none of the complexion is genuine. An exceptionally clear and pink skin may chance to suit the character to be assumed. But these exceptions to the rule are rare. The glare of artificial light would make most faces ghastly white or unpleasantly sallow if bright hues were not laid on. The art of coloring a pretty visage just enough and not overdoing it is one which all actresses should learn. Many do not, and so we see beauty disfigured instead of enhanced. Others are very expert. There are two distinct processes. One makes use of colored powders applied dry; the other mixes the same powders with grease, making a substance called grease paint."

"Making Over" a Hat.

A Corry woman, who could not afford a new \$5 hat, visited a millinery store, saw the late styles, went home, pounded her old hat for half an hour with a rolling pin, stuck a feather through the band and went to church the next Sunday the envy of all the women in the town.—Erie Dispatch.

Originality.

Original things are not always good. The best that any writer can do is to absorb facts and similes as a cow does grass—then give as good a quality of the milk of common sense as possible.—New York Journal.

How He Discovered Her.

"Yes," said a noted detective, "I have seen a great many queer things in my experience."

"Discovered a good many gigantic frauds, I suppose?" ventured an admirer.

"Well, I should say so," was the reply. "But, between you and me, the most complete piece of deception I ever saw was a woman, young, pretty and I would have sworn, an angel."

"But she wasn't?"

"I should say not. She has a temper like a whirlwind, and when she gets wild the very earth seems to shake."

"Good gracious! And how did you manage to discover her true character?"

"Well I—ahem! The fact is, I married her!"

POWNAI SCHOOL.

Very Satisfactory Examination.

The annual examination of Pownal school was held on Monday, 25th inst. The examination was conducted by the trustees, Messrs A. A. Moore, A. P. Ings and A. Gay, and the teacher, Mr. J. M. Jones.

This was a pleasing and satisfactory examination owing to the fact that under the severest tests that the trustees could devise, in knotty problems in arithmetic, jaw breakers and brow twisters in spelling, difficult passages in reading, known and unknown places, cities, mountains, rivers, etc. in geography, ancient and modern history, mental arithmetic, etc. etc, the pupils came off more than conquerors, and showed by their ready answers an intimate knowledge of the different branches taught, and reflect credit on their teacher whose ability as a teacher, and gentlemanly conduct is recognized by the district in securing his services for another year (the third) a d voting the same surplus as last year, viz, \$30.

A generous amount was voted at the annual meeting for supplies and for keeping school house, outbuildings and grounds in their usual first class condition. These matters will be looked after by a first class board of trustees.

At the close of the exercises complimentary and enthusiastic speeches were made by the trustees to which the teacher feelingly responded, when the school closed for the summer holidays by singing God Save the Queen.
