

Jocks Reply

Dear Lightning:

If you are the Campus King of IT, perhaps it is our liberated female athletes (Jockettes) who are not getting IT. However, if this is only by an oversight on your part and you are really "Lightening" Campus Queen of IT then we may begin discussion. Speaking for some of us who are newcomers and from out of town, we are very impressed with the hospitality of the Islanders, but we are a trifle less impressed with the liberalness of the girls we meet at Jim's and at Pig 'n Whistles, perhaps this is because the Island is more rural and slightly more conservative

in their ways. As to taking matters into our own hands, we are, and all it is giving us is blisters.

Hopefully, the situation will improve and life will be made happier for both sexes.

Respectfully,
The "Jocks"

Library Nixes Typewriter

Well Students - They've done it again... Last year when the New Library was completed, there were rooms set aside equipped with typewriters. These rooms were made available to students to complete assignments, papers, etc. which professors requested to be typed. On a recent request however, I discovered that these rooms were no longer available to students, only to professors, who by the way, already have their own departments with the necessary equipment, including secretaries. Looks as if the new facilities are once again being denied to the majority for the sake of a few.

Student I.D.

Students! Please bring your I.D.'s to all social events. This enables the campus police to ensure that as many U.P.E.I. students as possible may participate in these events. Fire Marshall regulations restrict us to 400 people at Pig 'n' Whistles. Let's make this 400 U.P.E.I. students. This can be done with your co-operation. Thanking you in advance,
The Campus Police Force

Wanted One Woman

On October 29th and 30th, the National Association of Colleges and Universities are meeting in Ottawa. Our University is sending a delegation which will include one student. Because this is the "Year of the Woman" and the theme of the conference is centered around the role of women in education, it seems appropriate that the student chosen be a female. Therefore, we would like some nominations for this position. The person we need should be well-versed in such topics as Women's Rights, the role of women in education, the "Year of The Woman, (is this the first and the last?) and be generally well-versed on contemporary educational issues. Give it some thought and drop your nomination off at the Student Union office or take it to the Student Council Meeting in the Barn on Sept. 28th. at 6:00P.M.

By the way, all expenses are paid.

Gerald (Woozy) MacDonald
