MORE LIGHT WANTED.—Now that Mr. Newbery has Queen Square Garden looking very pretty, and that the fountain-basin is again in working order, would it not be well to have all the lamps in front of the Provincial Building lighted during the evenings. We are informed that the Electric Company will to-morrow place a lamp in the neighborhood of the fountain, which will show up the surroundings to advantage. In connection with this lighting of the Square, we call the attention of those in authority to the fact that the glass in some of the gas lamps is broken, and suggest that the necessary repairs be made at once.

SPECIAL DESPATCHES TO THE EXAMINER.

Proposed New Law.

OTTAWA, July 24.

The British Government have asked the Canadian authorities whether they have any objections to an Act of Parliament being passed in England enabling the Government of a British possession, on the receipt of a request from another British colony, and on the production of a warrant issued by a competent court of the colony for the arrest of a vessel for a breach of the revenue laws, to order the arrest of such vessel if found in waters of the British possession, to whose Government the application is made, and if arrested, delivered to an officer to be taken to a second British possession, to abide by a trial of the charge of a breach of the revenue laws, and authorize the removal of the vessel accordingly. Sir John Thompson has replied that there is no objection to the passage of such a measure in England, but points out that in Canada such a law would have to be enforced by provincial authority, and that the authority to arrest a vessel under such circumstances should be conferred upon every Supreme Court in Canada.

British Parliament.

LONDON, July 24.

Since Labouchere laid on the table of the House of Commons his motion to substitute for the report of the royal grants committee an address to the Queen stating that if further supplies are needed they ought to be provided through retrenchment in the expenses of the royal household, there has been a rupture among the Liberals. Gladstone, Sir Wm. Vernon Harcourt and Parnell have decided to support the Government. John Morley will move in amendment against increasing the allowances to the royal princes unless when the next request is made it is accompanied by a pledge that it will be the final one. Gladstone's pressure upon Labouchere to withdraw his motion has been futile. Labouchere would listen to no compromise. The Parnellte members of the House are whipping for the Government, greatly to the disgust of the Radicals. The Opposition being at sixes and sevens, a large Government majority on the report of the royal grants committee is assured.

The St. John Carnival.

ST. JOHN, N. B., July 24.

St. John is so far particularly favored by the weather for its carnival festivities. To-day was another splendid day, and all the attractions drew out large audiences. The horse races at Moosepath furnished fair sport. The cricket match, St. John versus Toronto, was finished this afternoon, and Toronto won by one innings and 20 runs. St. John and Fredericton played the regular baseball league game this morning, the home nine winning by 25 to 4. Fredericton had its three professional pitchers batted out of the box. The big attraction this afternoon was the Lacrosse match between the Montreal Indian's Club and a picked nine of St. John. The former secured three goals to St. John's two after some highly exciting playing. The attendance was very large. The marine display to-night was a grand success.

Supreme Court.

GEORGETOWN, July 24.

Austin C. Macdonald and another vs. Richard Thornton. Action on two promissory notes—verdict for plaintiff for $93. D. A. McKinnon for plaintiff, A. A. McLean for defendant.

An ejectment case was settled.

W. J. Nicholson, respondent, vs. E. Campbell, appellant—Appeal from Magistrate for violation of Canada Temperance Act, second case. The evidence for the prosecution was that a witness, on 24th May last, went into the appellant's place for the purpose of testing the intoxicating qualities of the beer. He bought and paid for four glasses which he drank, and which he swore intoxicated him. Other witnesses were called for the applicant, who testified they had drank large quantities of the beer and were not intoxicated. The jury, after some deliberation, returned a verdict of not guilty. Attorney-General for prosecution; A. A. McLean and D. A. McKinnon for defendant.

W. J. Nicholson, defendant, vs. J. McKinnon, appellant. Two cases appealed from magistrate's conviction as above. Both cases settled. In the first the appeal was dismissed with costs fixed at $10. In the second the appeal was allowed and conviction quashed without costs. Attorney General for prosecution, A. A. McLean for appellant.

McLean vs. McLean.—Trespass case. Mr. McLeod, Q. C., for plaintiff. Withdraws the record on terms. W. A. O. Morson for defendant.

JULY 25.

WORDS cannot express the gratitude which people feel for the benefit done them by the use of Ayer's Sarsaparilla. Long standing cases of rheumatism yield to this remedy, when all others fail to give relief. This medicine thoroughly expels the poison from the blood.

Three Havana Cigars for 25 cents, the best value in the city.—Reddin's Drug Store.

Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a **radical change** in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, **the result is certain.** Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.,) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.
