The Committee in charge of Festive Week, particularly the members of the Services have done everything to make this Week a success, all we need now is the co-operation of the citizens. The City is taking on a Festive appearance with its flags and decorations and it is hoped that all merchants and citizens will co-operate in decorating in the vicinity of their properties. Plenty of Band music is guaranteed.

The City's Theatres have special features on hand for the Week and the local merchants are running special sales. Golf, tennis and dancing will be the highlights of the Week and on Wednesday, July 2nd, Ron Elliot's midway will be set up on the Market Square to provide rides, games, etc. for young and old with the Festive Week Committee's share of the proceeds being donated toward the fund for the lighting of Memorial Field.
