Junior Farmers and Junior Club News

Sherbrooke Calf Club debating team of Urban Laughlin, Kathleen Dekker and Clarence MacDonald won a close decision over Augustine Cove Club team of Margaret Murphy, Norman Caruthers and Gerald Murray in a debate at the Sherbrooke hall on Friday evening, April 6th. The topic for debate was "Resolved that country life offers more advantages to young people than city life." The winning team supported the negative side of the resolution.

Despite the muddy roads a large crowd was present and Mr. James Harris, Sherbrooke, capably acted as chairman for the evening. The judges were Mr. James Murphy, Summerside; Mr. Harry MacFarlane, Augustine Cove and Mr. Charles Yeo, Sherbrooke. Mr. Murphy announced the decision and each of the judges gave some comments regarding the debate.

Mr. Keith Moase, Kensington, who is President of the Prince Edward Island Junior Farmers' Federation was present and announced that the Kensington Cooperative is donating prizes to the debating team that wins in the Prince County competition. The team winning the Provincial finals will be presented the Simmonds and MacFarlane plaque. Sherbrooke will now meet Montrose-Alma Calf Club in the second round of the Prince County competition.

Guitar, violin, banjo music, step dancing, singing, etc., added to the evening's entertainment. Those taking part included Helen Waite, Urban Laughlin, Sadie Chapell, Mr. Cosgrove, Mark Cosgrove, Martin Dekker, and Carl Chapell. A delicious lunch, served by the Sherbrooke ladies, completed a most enjoyable evening.

Knowland, (Rep.-Calif.) that MacArthur policies be chosen over those of State Secretary Dean Acheson, and a report that Britain is about to move directly for steps...

Captain John Jerrier veteran harbour master, has not as yet succeeded in making a landing of fresh herring. For years he has invariably taken first honors in the spring catch here.
