Island Team Wins—Banquet at Hotel Davies.

The intermaritime shooting match on Kensington range yesterday was concluded about six o'clock, and the Island team won by eleven points. The Nova Scotia team stood second and New Brunswick third. The shooting throughout was good, considering the strong and unsteady wind which prevailed.

The score at the 200 yards range was given by THE EXAMINER yesterday. Below will be found the scores at 500 and 600 yards and the individual and team totals:

In the evening the visiting marksmen were banqueted at the Hotel Davies. The well appointed dining room of this popular hostelry presented a brilliant appearance, and the choice viands so plentifully provided by chef Vassallo were well received.

The chair was occupied by Colonel Moore, District Officer Commanding. He was supported on his right by Major Garrison, of the Nova Scotia team, and on his left by Major Hart, of the New Brunswick team. The vice chair was filled by Surgeon-Major Warburton.

There were about fifty guests present. After the "inner man" had been well attended to, the intellectual and social portion of the programme was entered upon.

The regular toast list included "the Queen, the Governor-General, the Lieutenant Governor, the winning team and the visiting teams. The health of the Queen was honored by the singing of the National Anthem. Surgeon-Major Warburton replied on behalf of the Governor-General and Major Weeks spoke for the Lieutenant Governor. Captain Macdonald replied to the toast in honor of the winning team; Majors Garrison and Hart responding for the Nova Scotia and New Brunswick teams.

The remainder of the time was taken up with volunteer toasts, songs and recitations, and a thoroughly enjoyable evening was brought to a close by the singing of the National Anthem and Auld Lang Syne.

A feature of the evening was the presentation to the New Brunswick team of a wooden gun, the gift being fittingly acknowledged by Captain Hart on behalf of the recipients.

The instrumental music furnished by Captain Waits and Mr. David Watson, jr., was greatly appreciated.

The visiting teams left for their respective homes this morning. They speak in the highest terms of the treatment they received at the hands of the Island marksmen.
