Amherst Edges S' side Holmans To Tie Series

—Len Smith's well-tagged base hit to deep centre field with two in the bottom half of the ninth inning broke up a tie ball game in Amherst yesterday afternoon, sending the winning run across the plate, and giving Amherst the victory over Holman's by the score of 3-2.

The rubber game of the best three series for the N.R.P.E.I. intermediate baseball championship was called by umpire Hank Lefurgy before one inning had been completed because of the increasing rain. The last two or three innings of the first game had been played in a light rain.

The two clubs failed to come to an agreement on arrangement for the deciding game of the series.

Paul Schurman started on the mound for Holman's but was shelled out in the second inning after a single home run and triple, together with Schurman's own fielding error had scored three runs. With another runner perched on third, Lefurgy came on to relieve, and got the side out not before another run was scored by a sacrifice fly off the bat of Bob Milton Amherst lead-off hitter. Lefurgy did a capable pitching job allowing only five hits, including the one that won the ballgame, in the remaining 7-2-3 innings. Two additional runs were scored off him however, in the fourth frame when Gero singled to left centre and Milton drove the ball over the left field fence for the home forces' second round-ripper of the game.

Holman's picked up their first run in the fourth, Jones getting a life on the shortstop's error, going on second when pitcher Hopper threw wild on an attempted pick-off play at first, and scored on Jimmie Grady's single to right.

They added another in the fifth. Dee Lefurgy hitting a triple to centre and coming home when the shortstop fumbled the relay in from the outfield. The eighth inning proved the big frame for the visitors when they scored four runs and tied up the game six-all. Schurman got a life when MacLeod dropped his fly to left. He stole second and went to third on a passed ball. Lefurgy walked and he and Schurman engineered a double steal to send Schurman across the plate. Jones sent line

Prospects Said Bright For Five-Team League

The prospects for a five-team Maritime Senior Hockey loop have become much brighter over the week-end, it was learned following a meeting of the Infant Atlantic Coast Senior Hockey League held Sunday in Amherst. Charlottetown Islanders remain as one of the three definite starters in the new league because of the pressure of his new interest. The Islanders' first home game is expected to be played on Monday the 25th, their opponents being made known with the choosing of a schedule, Wednesday.

Representatives from both Moncton and Dartmouth attended Sunday's meeting and both cities are expected to ice a team in the new league. Two Moncton men are considering taking control of the Hub City's club for the coming year while Dartmouth have to make arrangements with the forum before their entrance will be certified. Halifax on the other hand have completely dropped the idea of entering this league and are seeking a berth in Nova Scotia's APC League.

A meeting of the ACSHL will be held at the Windsor Hotel in Moncton on Wednesday evening.

Boston Red Sox Get New Manager

BOSTON (AP)—Boston Red Sox today hired Frank (Pinky) Higgins to manage the American League baseball club for the next two years. He will replace Lou Boudreau who ran the team the last three seasons.

Higgins, former star major league third baseman, has been managing in the Red Sox system for the last eight years. He piloted Louisville Colonels of the triple A American Association to the little world series title this season, defeating Syracuse of the International League in the best-of-seven inter-league series which ended Saturday.

Boudreau had one year to go on his Boston contract. General manager Joe Cronin told a gathering of baseball writers: "Gentlemen, the Red Sox have decided to make a change in managers."

He said the Red Sox will "meet the obligation" insofar as the second year of Boudreau's current contract is concerned. He added that if Boudreau should get another job in baseball any necessary adjustment will be made.

Higgins, a Texan, began his major league career after his 1920 graduation from the University of Texas, signing with Philadelphia Athletics.

After two years in the minors, he played for four years with the Athletics. He was with the Sox in 1937 and 1938 and the next seven years was with Detroit, returning to Boston for his final active season in '46.

The next year he began his apprenticeship as a manager, piloting Roanoke, Va., a Sox farm in the class B Piedmont League. Higgins was there two years, then spent two with Birmingham and the last four with Louisville.

The Red Sox finished fourth this season.
