NOTICE. THE Charlottetown Gas Light Company have imported a fresh supply of Bray's Patent Burner's, especially made to consume only three feet of Gas per hour with the tap turned full on. These Burners are intended for use in Stalls, Bedrooms, Kitchens, and other places where a light from a small consumption of Gas only is required. By regulating the tap, the Gas consumed can be reduced to any desired quantity less than three feet per hour. These Burners are so scientifically made that they will give a light equal to about ten candles at a cost of three quarters of one cent per hour. The price of these Burners to consumers of Gas will be ten cents each. [ju 10 eod pat
