

Miners Edge Islanders 5-4 For First Victory Of The Current Season

GLACE BAY, N. S., Oct. 28 (CP)—Glac Bay Miners tonight defeated the scrappy Charlottetown Islanders 5-4 in a hard-fought contest which saw Miners win their first game of the Maritime Major Hockey League this year.

While it was McKenzie who pumped in the winning tally after a two-goal Charlottetown spurge early in the third period, the standout of the night was easily Buck Whitlock of the Islanders.

Whitlock, a balding veteran of many Maritime senior hockey years and a consistent top scorer, sniped three of his team's four goals, two within two minutes of the third period.

Clements scored the other Charlottetown goal.

But McKenzie was no slouch either. He assisted on goals by Burega and Schiller before scoring the winner at 14:44. The other Glac Bay marksman was Amadio, who tallied twice.

Miners took a 3-1 lead in the first, led 4-2 in the second and withstood Whitlock's drive in the third for their victory. Another star was Charlottetown's goalie Campbell, who stopped 37 shots, 20 in the second period. Lockhart handled 24.

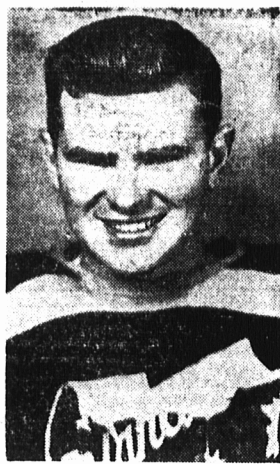

Charlottetown—Goal, Campbell; defence, Kelly, Stevenson, Gray, McLagan; forwards, Beaudry, McKenzie, Whitlock, Clements, Bonhomme, Marshall, Hagen, Gordon, Kilty.

Glac Bay: Goal, Lockhart; defence, Burega, Lambert, Cooper, Hinchberger; forwards, Schiller, McCracken, Keller, J. McKenzie, Miller, Macey, Batten, Amadio, Russell.

Court Case Over Telecast Of Football Games

OTTAWA, Oct. 28 (CP)—Canadian Admiral Corporation of Toronto has filed a statement of claim in Exchequer Court asking that Redifusion Inc., of Montreal be restrained from supplying its subscribers with telecasts of Montreal Alouettes' football games.

The corporation claims its copyright on the telecasting of the games has been infringed by Redifusion, a company which rents television sets to subscribers and supplies them with TV programs.

The corporation also asks for an injunction restraining Redifusion from publishing certain advertisements concerning television sets.

The corporation asked for damages—no amount was mentioned—for infringement of the copyright and for contravention of the Unfair Competition Act.

Redifusion has a month in which to file a statement of defence. At the end of that period either party can ask the court to set a date for a hearing. The parties remain at liberty to settle the dispute out of court.

In a statement of claim, the Admiral corporation said that it paid the Alouettes football club \$10,000 for the exclusive right to telecast games in Montreal. Another \$2,500 was paid to telecast films of Alouettes games played outside Montreal.

Admiral agreed to pay the CBC \$1,125 for each "live" game telecast and \$500 an hour for the telecasting of films of games away from Montreal.

The corporation said it undertook sponsorship of the games to increase sales of the TV sets which it manufactures in Toronto.

Newspaper advertisements sponsored by Redifusion urged prospective buyers of television sets to consider a number of factors before making an investment. The advertisements said buyers should first check reception in their area; whether they could obtain permission to install an antenna; whether reception will be free of interference even with an antenna.

The advertisements "discredited the wares" of Admiral Corporation, its statement said.

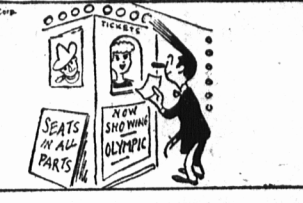

WASHINGTON, Oct. 28 (AP)—Henry (Pappy) Gault, Spartanburg, S. C., today challenged Vic Towel, world's bantamweight titleholder of Johannesburg, South Africa, to a championship bout in Quebec last night. Gault, discredited Fernando Gagnon in a 12-round bout for the North American championship.

Red Wings Seek To Put End To Losing Streak

IN THE CORNER

DETROIT, Oct. 28 (CP)—Detroit Red Wings, annoyed by a three-game National Hockey League losing streak, today announced two player changes.

Defenceman Larry Zeidel and utility forward Vic Stasiuk were sent to Edmonton Flyers, Detroit farm club in the Western Canada League. Defenceman Bill Folk and right-wing Lou Jankowski were brought up from Edmonton as replacements.

Folk, 25-year-old native of Regina, gets his first real chance after five years in the Detroit farm system. He is rated a "heavy" no doubt but that the Atlantics are the strongest team at a moment's notice either the Islanders or Millionaires. Sydney will be much stronger next week when Frank Bathgate returns to them from Shawinigan Falls. The Islanders too will be stronger according to reports.

Bougie And Corriveau Head Quebec League

MONTREAL, Oct. 28 (CP)—Two sharpshooters of the Valleyfield Braves, Georges Bougie and Andre Corriveau, have taken the point-scoring leadership in the Quebec Senior Hockey League.

The league statistics, released today, show each with 12 points. Bougie has scored six goals and has six assists. Corriveau has a five-seven count.

The two displaced Les Douglas of Montreal Royals, who has dropped down the list with only one goal scored in the week since the last statistics were issued and now has seven points. Tod Campeau of Sherbrooke Saints displaced Royals' Jimmy Moore for runner-up. Campeau has five goals and six assists and Moore four goals and six assists, tied with Jacques Locas of Sherbrooke.

Herb Carnegie of Quebec Aces, Leo Gravelle of Ottawa Senators and Jean-Paul Bissillon of Valleyfield Braves, follow with eight points each.

Bougie's six goals place him on top for goal-scoring honors. Corriveau and Quebec's Frank Mario lead with assists, seven each.

Bougie is also the most penalized player, with 18 minutes served. Locas has 17 minutes.

As far as is known there is no word on Gordon or Beaton. The latter, although he played in the English League last year, is still the Islanders property. He attended the training camp of the Sarnia Sailors this season. Gordon on the other hand was not interested in returning East although order to do so by the Islanders. It is understood he wants to play for Kamloops, B. C.

The Islanders met the Glac Bay Miners last night for the first time and lost by a 5-4 count. In view of their game on Monday night and their day-long car trip to the Bay yesterday it was not a bad showing. The showing of the team however pales in comparison with that of Buck Whitlock. Buck has been going great guns since season started and his three goals last night made up for some which he earned but did not get last week. A few days ago we referred to Bucko Trainor as the All-Star centreman of the Big Four in 1951. The reference was erroneous. Whitlock was the All-Star centre and Trainor the All-Star right winger.

The Halifax Atlantics after their tough tussle with the Millionaires last night may be beginning to realize that they will not walk away with the League. There

New Baseball Bonus Rule Shaped

NEW YORK, Oct. 28 (AP)—Baseball's major-minor executive council, in a hush-hush meeting in Commissioner Ford Frick's office, shaped up a new bonus rule today which will be presented to the owners for ratification at the annual meeting in Phoenix, Ariz., next December.

The rule was presented by a special recommendation committee which had been wrestling for several months with the problem of stopping the costly scramble for unproven youngsters.

It was learned the new bonus rule will be somewhat similar to the present one which calls for a \$5,000 "ceiling" for major, triple-A, double-A leagues and open classifications. The player receiving more than the limit now must be brought up at the major league club within a year after signing, or be subject to unrestricted draft.

The big differences in the newly proposed bonus law, however, are that more "teeth" will be put into it in order to enforce it and that more severe punishment will be imposed on violators.
