Among the airmen to attend the Coronation will be Leading Aircraftman Frank Oatway of Air Force Headquarters in Ottawa. Frank is the son of Mr. and Mrs. Norman Oatway, Borden-L.

Schurman's New Retail Dept. To Open Next Week

The new retail department of the M. F. Schurman Co. Ltd., which includes a building service branch is nearing completion and it is expected that it will be open for business next Monday. The department is located on the corner of Buxton and Water Streets and the exterior of this section of the building has been completely redesigned. There are five large display windows which will immediately catch the eye of the passerby from the outside and will have the effect of giving plenty of illumination to the interior of the building. The entrance is designed to simulate the entrance to a house and so convey the idea of building service. The establishment of this new department indicates an expansion in the retail part of the Company's operations and according to Company officials, is done with the idea of giving better service to the buying public. The department is 60 x 40 feet and the merchandise will be attractively displayed and in such a manner that customers can walk among it. The stock will include hardware, roofing, moulding, wall-boards, paints, and other building materials. At the rear of the department will be located the counter where staff members will be available to give assistance to the customers. Two fire proof vaults have been constructed, one on the main floor and one immediately below in the basement. Along the south side are offices for the retail branch manager, advertising and sales department and the building service branch. The protective covering has been removed from the building and the front can now be seen by the public.

JUNIOR GROWERS

PETERBOROUGH, Ont. (CP)—City florists and merchants have already donated many prizes for the first Ontario junior gladiolus show ever held here, to be staged Aug. 13-14. Interest among junior growers in this district was stimulated by gifts of hundreds of bulbs from the Peterborough District Gladiolus Society.
