MR. C. D. RANKIN, Chemist, North Side Queen Square, has the honor to announce arrangements with

MR. B. LAURANCE,

The Eminent English Oculist's Optician,

to personally superintend the adaptation of his

SPECTACLES AND EYEGLASSES

At C. D. Rankin's Drug Store, North Side Queen Square, from Monday, the

18th, to Saturday, the 30th December,

And will be at the Clifton House, Summerside, from Monday, the 1st, to

Thursday, the 4th January,

To all those requiring aid to vision. The hold that Laurance's Lenses

have taken upon the spectacle-wearing public of Great Britain and the testimonials

from the greatest of the English Oculists, among the faculty in England and in this Pro-

vince, must be conclusive that nothing better in aids to vision can be obtained, and when

in addition such Lenses are selected and adapted to the eye by Mr. Laurance personally, Mr.

Rankin is convinced the same of comfort will be obtained by every person requiring the

use of Spectacles or Eye-glasses.

Mr. Laurance's mode of procedure is to test the capabilities of both eyes, and not only

to determine the exact power required for each eye, but also to select the particular Lenses

best adapted to arrest decay and to give sight without discomfort. Mr. Laurance is not a

stranger to Prince Edward Island in his capacity as an Optician. For years he visited this

Province, as testimonials from our leading medical men and citizens, as far back as 1854,

can testify. Mr. Laurance is one of the leading Opticians of England, and his visit here is

for one purpose, and that is the introduction of his celebrated Lenses through REGULARLY

ACCREDITED AGENTS THROUGHOUT THE DOMINION.

Persons who have tried in vain to be suited with Lenses are particularly requested to

call at C. D. Rankin's, and as MR. LAURANCE'S VISIT CANNOT BE PROLONGED,

BEYOND A FEW DAYS, it behoves those requiring his assistance to call as early as possible

REFERENCES AND TESTIMONIALS, as to the Quality of the Lenses, etc., are

coupled with the names of the following eminent Medical men and residents of Nova

Scotia:—

Chief Justice Sir William Young.

Rev. Dr. Hill, Rector of St. Paul's, Halifax.

The Hon. W. J. Almon, M. D.

The Hon. A. W. Smith, Judge Supreme Court.

J. Scott Hutton, Principal Deaf and Dumb Asylum.

Dr. Arthur Moren, Physician to Deaf and Dumb Asylum.

Wm. Dunbar, Ex-Mayor of Halifax.

Edwd. Jennings, M. D., President of the Medical Council of Nova Scotia,

Vice-President of the Medical Association of Canada.

Wm. Tobin, F. R. C. S.

W. B. Slater, M. D.

H. C. Herbert, M. D., F. R. C. S., Surgeon-Major, A. M. D.

From Chief Justice Sir Wm. Young

HALIFAX, 2nd Dec., 1882.

I have pleasure in testifying that the two

pairs of Spectacles I have purchased from Mr.

B. Laurance give a clearer and purer light,

especially under GAS than any I have pre-

viously obtained HERE or ELSEWHERE.

WM. YOUNG.

From Rev. Dr. Hill, Rector of St. Paul's,

HALIFAX, N. S., Nov. 18, 1882.

MY DEAR SIR,—The glasses with which you

have supplied me for reading, both by natural

and artificial light, have proved themselves

to be all that could be desired. I strongly

recommend any persons wishing to save strain

upon their eyes, and enjoy comfort while

reading, to apply to you to fit them with

Lenses adapted to their condition of sight.

I am, dear Sir, yours truly,

GEORGE W. HILL, Rector of St. Paul's.

Mr. B. LAURANCE, Optician, 147 Hollis St.

From Hon. W. J. Almon, M. D.

HALIFAX, N. S., Nov. 4th, 1882.

MY DEAR SIR,—By the aid of the Glasses

you last fitted me with I was enabled last

night by lamp light to read with comfort, a

thing I had not done for some months pre-

vious.

I am, dear Sir,

Yours truly,

WILLIAM J. ALMON.

To Mr. B. LAURANCE, Optician.

From Judge Smith.

HALIFAX, Nov. 2, 1882.

I beg to state that I have purchased of Mr.

Laurance one or two pairs of Spectacles, and

have found them everything I can desire to

improve the vision for writing and reading

purposes.

H. W. SMITH,

Judge Supreme Court, N. S.

From the Principal of the Deaf and Dumb Institution.

HALIFAX, Nov. 1, 1882.

Mr. B. Laurance fitted a number of the

pupils of this Institution requiring Lenses to

assist their sight, and I have pleasure in tes-

tifying to the benefits the wearers of the

glasses have derived from their use. But

for the aid thus obtained several of them

would have continued to labor under great

difficulty in reading script or print, and

would thus have been seriously retarded in

their studies which they are now enabled to

pursue with comfort and satisfaction both to

themselves and to their teachers.

J. SCOTT HUTTON,

Principal.

As Medical Officer to the institution of

Deaf and Dumb, I have much pleasure in

certifying the testimony of the Principal, J.

S. Hutton.

ARTHUR MOREN, M. D.,

Physician to Deaf and Dumb Inst.

From John Woodill, Esq.

B. LAURANCE, Esq.:

DEAR SIR,—In the year 1864 I purchased

a pair of night-reading spectacles (and have

used them ever since) from Mr. Laurance.

I called on you yesterday and found that you

were the same person, and had my name on

your books, and as you then told me that

you could supply me with a pair that I could

see small print for 20 years longer. Well,

being in active business, and only in my 74th

year, I concluded to take them. But judge

my astonishment, at night when I took up

the evening paper. I could see to read it in

any part of the room by the light of one gas

burner as well as when I was 20 years of

age, and I trust I will have an opportunity of

thanking you personally before you leave

our city.

Yours respectfully,

JOHN WOODILL.

Artillery Shifting Ordnance Com-

petition.

On Wednesday evening last a detach-
ment of No. 1 Battery P. E. I. Provincial
Brigade of Garrison Artillery, competed for
the prizes given by the Dominion
Artillery Association. This year the shift
was "a go as you please," and is the same
as that in which the Canadian Team were
so successful at Shereburne. It consisted
in dismounting a 24 inch gun of 50 cwt.
from its carriage taking it across a space
of 50 feet between the platform and re-
mounting it on another carriage with only
the following stores, viz.: one long skid,
three short skids, one lever, two small
scotchies, and two parbuckle ropes. The
detachment were formed on the gun and
carriage, and the stores arranged in their
proper order in rear of the number who
hauled them. Major Slaus, of Gaspe,
acted as umpire, and on the word "go"
from him the men sprung to their work,
and to the uninitiated performed it in the
incredible short space of 2 min. 35 sec.—
beating the Shereburne time by over
two minutes. The following is the names
of the detachment:—

- Capt. Passmore,
- Sergt. Younker,
- " Palmer,
- " McKenzie,
- Corpl. Matheson,
- Gunr. Offer,
- " McLaurin,
- " Craswell,
- " Aitken,

The recent rainfall caused floods in the

midland countries of England.

There is great mortality among sheep in

Northamptonshire, Nottinghamshire and

Leicestershire.

The Times considers it too early to decide

whether the threatened distress in Ireland

will assume serious proportions.

The Times Rome despatch authoritatively

contradicts the statement that England

will appoint a Minister to the Vatican.

A high Chinese official, Huang Mao-t'ai,

has published four volumes, giving an ac-

count of his recent travels in British India.

He says that the natives are thoroughly con-

tented with the government of their foreign

conquerors for the reason that they regard

it as much more humane than that of their

native rulers, but he thinks that the legisla-

tion of the English is not in favor of the

poor, because begging is forbidden in the

streets of Calcutta.

The Secretary of Take's emigration fund

has issued an appeal for aid to enable the

distressed people of Ireland to emigrate to

Canada and the United States. He says so

well are the emigrants already sent out pro-

spiring, that some of them have begun to

send home money to assist their relations to

emigrate, and thus a beginning has been

made in the poorest districts in the west

towards starting a natural flow of emigra-

tion. The districts already entrusted to the

Committee contain a population of over 30,000.

A despatch from Rangoon says in con-

sequence of the recent escape of the eldest

son of the late King of Burmah from Ben-

ares, who is supposed to have gone to

Upper Burmah to raise a rebellion, 3,000

Burmese troops have been despatched to

Manipur frontier and 3,000 from the Shan

State to the Toungoo frontier. The stations

on the Irrawaddy River are carefully

guarded and war steamers are in readiness

to convey troops.

A few days ago a reporter of the Moncton

Transcript, called into Dr. W. T. Erith's

drug store, Portland, N. B. where the genial

proprietor had on exhibition six tape worms

preserved in spirits. They were expelled by
