HEALTH will, in all cases, follow the use of Radway's R. R. Remedy. There are none so sick or diseased, so weak, feeble, or crippled with pain or infirmities, but that Radway's Ready Relief, Renovating Resolvent, or Regulators, as the nature of the disease or sickness may require, will quickly and rapidly cure.

These remedies consist of Radway's Ready Relief, Renovating Resolvent, Radway's Regulators. Each of these remedies possesses special curative powers over certain diseases. Yet there are other diseases wherein their combined medicinal properties are required; and when thus used, if there is sufficient life and strength within the diseased or dying body to sustain their action, the patient will live and be restored to health.

Many diseases that afflict humanity are inherited as heir-looms from the diseased bodies of sickly sires. Scrofula, Consumption, Syphilis, Fastid, are among the most common of constitutional diseases. Now, we care not how many generations the seeds of these diseases may have been transmitted from the parent stock. A few doses of the Renovating Resolvent will eradicate every vestige of the disease and insure the child a sound and healthy body.

CHILDREN'S DISEASES.

Radway's Renovating Resolvent should be hailed as a blessing by every mother throughout the land, whose infants are afflicted with Sores, Humors, etc. These breakings out (thus early) are evidences of disease transmitted from the parent stock. A few doses of the Renovating Resolvent will eradicate every vestige of the disease and insure the child a sound and healthy body.

R. R. R.—Radway's Ready Relief for Headaches, whether sick or nervous; Rheumatism, Diarrhoea, Dysentery, Cholera Morbus, Cramps, Influenza, Bloody Flux, Paralysis, Lumbago, Gout, Neuralgia, Toothache, Small Pox, Fevers, Swollen Joints, Kidney Complaints, Scarlet Fever, Pains around the Liver, Pleurisy, Measles, Heartburn, and Pains of all kinds. Radway's Ready Relief will, in a few minutes, change the miseries you suffer to joys of pleasure.

AYER'S CHERRY PECTORAL.

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BOSTON, Mass., 20th Dec., 1855. DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EDEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Cherry Pectoral in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy I have ever used for whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HILIAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, LA., writes, 31 Jan., 1856: "I had a tedious influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your Cherry Pectoral, and in a few days I was free from the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis. WEST MANCHESTER, PA., Feb. 4, 1856. Sir: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under the affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption. Probably no more deadly disease has ever been known which cured so many and such dangerous cases as this. Some to human aid can reach; but even to the Cherry Pectoral affords relief and comfort.

AYER'S CATHARTIC PILLS. Doctor AYER, Lowell: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which she had weaned her child, and she was nearly dead. She was steadily failing, until Dr. Strang, of this city, where we have no recourse, recommended your medicine. We tried his kindness, as we do your skill; for she has recovered from that day. She is not yet so strong as she used to be, but is free from the complaint of her breast well. Yours with gratitude and regard, ORLANDO SHELBY, of SHELBYVILLE.

Consumption, do not despair till you have tried Ayer's Cathartic Pills. It is made by one of the best medical chemists in the world, and its effects are such as to give the most virtuous of its virtues. Philadelphia Ledger.

Ayer's Cathartic Pills.

THE science of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the system of all men. They are pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or diseased organs into their natural action, and impart healthy tone with strength to the whole system. They are used to cure the every-day complaints of every body, but also formidable and dangerous diseases that have befallen the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of uterth. Many eminent physicians and men of letters have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurances of their conviction that my preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—Constiveness, Bilious Complaints, Rheumatism, Dropsy, Headache, Headache arising from a full stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcers and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Displacements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions. Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. Price 25 Cts. per Box. Five Boxes for \$1.

An Astonishing Remedy.

HOLLOWAY'S OINTMENT.

IT EXPELS DISEASE. It is said that all productions of human skill have their day, and are superseded by new inventions or discoveries. Not so with this remedy. "It is not for a day, but for all time, and in all countries." And why? Because it strikes at the generic root of all diseases in the blood, and medical art can accomplish nothing beyond that. The Ointment, penetrating through flesh and fibre, like water through a porous substance, reaches the germ or disease such as scrofula, erysipelas, cancer, tumor, and all eruptive and ulcerous discharges in the circulation, and eradicates the taint at once and for ever in this climate.

BAD LEGS. This Ointment will cure any case of Bad Leg even if of twenty years standing, or however hard or discoloured the flesh may be, or if swollen the size of a person's body, providing that the Ointment is well rubbed into the whole of the parts effected twice a day in large quantities, and the parts kept covered with linen rags thickly spread with the Ointment; from this mode of treatment, a plentiful discharge of unhealthy humor will follow, until the wounds are all healed on the leg, or other parts assumes its natural appearance.

OLD WOUNDS, SORES, AND ULCERS. The most inveterate cases of bad legs, scrofulous, or other sores, are cured, if of 20 years standing, by the joint use of the Ointment and Pills. The effect of this unrivalled remedy upon virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cure which its healing properties afterwards complete, are safe as well as permanent. It has a wonderful effect in the cure of sores occasioned by moschetoes, sandflies, or giggers.

PILES. This Ointment will cure the worst cases of Piles if used according to the printed directions even if of 20 years standing.

ERUPTION OF THE SKIN. Blotches, pimples, dry eruptions, and all irritations of the skin, fade and disappear after a few applications of Holloway's Ointment. In these cases brisk friction is indispensable. Many of the ordinary eruptions are caused by suppressed perspiration, and as this penetrating unguent at once opens the pores and invigorates the absorbents, it dissipates the inflammation by a double process. Ladies whose faces or arms are disfigured by cutaneous diseases, may readily remove the blemish and restore to the skin its natural tint, flexibility, and softness, by the use of this safe but powerful counter-irritant.

Both the Ointment and Pills should be used in the following cases:— Bad legs, Chiefo-foot, Pustules, Scrofula, Sores, Chilblains, Gout, Skin-disease, Bad Breasts, Chapped hands, Glandular Swellings, Scoury, Burns, Corns, Lumbago, Sore-heads, Blisters, Cancer, Piles, Tumours, Bite of Mosquitoes, Contracted and Rheumatism, Ulcers, Sand Flies, Stiff Joints, Scalds, Wounds, Coco-bay, Elephantiasis, Sore Nipples, Yaws.

Sold at the Establishments of Professor Holloway, 244, Strand, (near Temple Bar,) London, and 39, Maiden Lane, New York, also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s 3d, 3s 3d, and 5s each Pot. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

HEALTH RESTORED

By using Mrs. M. N. Gardner's Indian Balm of Liverwort and Hoarhound.

THIS Balm is composed of Liverwort and Hoarhound combined with about twenty other different Herbs, and entirely a vegetable compound. It is compounded in a truly scientific manner and according strictly with the principles of Pharmacy, retaining all the medicinal qualities of each article in its original strength, and being concentrated in the form of a Balm that is agreeable to the taste and wonderfully quick and efficacious in its action on the Lungs and Bronchial Tubes, it exceeds anything in medical science that has ever been offered. And for the cure of COUGHS, COLDS, WHOOPING COUGH, CROUP, ASTHMA, INFLUENZA, SPITTING OF BLOOD, BRONCHIAL COMPLAINTS, AND ALL DISEASES OF THE THROAT AND AFFECTIONS OF THE LUNGS, and those dreadful and appalling enemies to our race and country, CONSUMPTION AND LIVER COMPLAINT, it is unrivalled, and when it has once been sold it has gained a reputation for itself, without the aid of lengthy advertisements, and it now has the confidence, and is recommended by many high-minded men, and some of our first physicians; and we particularly ask the attention of this class of the community who are afflicted with any complaints of the Throat, Chest or Lungs to this article, and to

PUBLIC SPEAKERS who are troubled with Bronchitis or any Bronchial affections caused by over exertion, we can say with all confidence, use MRS. GARDNER'S INDIAN BALM OF LIVERWORT AND HOARHOUND. DOCTOR MORSE

The Inventor and Manufacturer of Morse's INDIAN ROOT PILLS

CAUTION.—Beware of a Counterfeit signed A. B. MOORE. All genuine have the name of A. J. WHITE & Co. on each box. Also the signature of A. J. WHITE & Co. All others are spurious. A. J. WHITE & Co., Sole Proprietors, 50 Leonard Street, New York.

THIS philanthropist has spent the greater part of his life in traveling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, thus causing all pains, action, becomes thick, corrupted and diseased; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a stop to the corruption within. The second is a plant which is an Expectant, that opens and unblocks the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out healthily by the urinary or water passage, and which could not have been discharged by the other properties of the Pills which are engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities to the bowels.
