Quand on pourra, dans quel-que temps, savoir au juste ce qui s'est passé en Chine, combien de notes de ce genre nous fan-dra-t-il insérer ?

LE DIMANCHE

Le curé d'Ars prêchait saus oesse la sainte loi du dimanche.

"Vous travaillez, vous travail-lez disait-il, mais vous ne rainez votre âme et votre corps. Quand j'en vois qui cherchent le diman-che, je pense qu'ils charient leur âme en enfer. L'homme n'est pas seulement une bête de travail, mais c'est une âme créée à l'image de Dieu. Le dimanche, c'est le bien du bon Dieu ; c'est son jour à lui, le jour du Sei-gneur. Il a fait tous les jours de la semaine, il pouvait tous les garder, il vous en a donné six, il s'est réservé le septième. De quel droit touchez vous à ce qui ne vous appartient pas ? Vous savez que le bien volé ne profite jamais. Le jour que vous volez au Seigneur ne profitera pas non plus. Je connais deux moyens bien sûrs de devenir

pauvre, c'est de travailler le di-manche et de prendre le bien d'autrui."

If the blood is pure the whole body will be healthy. If the blood is impure the whole system becomes corrupted with its impurities.

Burdock Blood Bitters trans-forms impure and watery blood into rich pure blood and builds up the health.

Disease germs cannot lurk in the system when B.B.B. is used. Miss Effie McDonald, Liscomb Mills, Guy Co., N.S., writes: "I have found B.B.B. an excellent remedy for purifying the blood and curing sick headache. I had tried many remedies, but none of them did me much good. B.B.B. has made me so well that I feel like a new woman and I am constantly recommend-ing it to my friends."
