Her Foolish Feat. Ever since Joe Henley made his perilous sprint across the ties of the Milwaukee bridge on the bare rims of his bicycle a number of ambitious cyclists have professed a willingness to equal the performance, but until today none of them had gone farther than to ride out and view the bridge.

Miss Dewitt rode a light racer. The tires had been removed, leaving only the bare rims to ride on. She started at a fast clip, knowing that in no other way could she get across. A single mishap would have hurled her into the Missouri river, 90 feet below.

Another Search For the North Pole. The navy department having given Lieutenant Peary five years' leave in which to search for the north pole, he will start about July 10 on a preliminary expedition to Whale sound, on the northwest coast of Greenland, where he will arrange with the Eskimos for furs and provisions, to be ready when he returns a year later.

Presence of Mind. Miss Eleanor Calhoun, the actress and direct descendant of the great John Calhoun, is a most high bred, cultivated young woman, and, like all thoroughly refined natures, instinctively appeals to the finer qualities of every one with whom she comes in contact.

During one of these political upheavals Miss Calhoun was one day walking with an older lady near the Bois de Boulogne, when she was suddenly confronted by one of these wolfish demons, who demanded her money.

SPECTACLES.

Over twenty-five years I have been in the Spectacle business and during that time have fitted hundreds and hundreds of persons. Some had put off getting glasses so long that they could not see a large 4 inch letter A without going within 2 or 3 feet of it, and might have gone blind if they had put off getting glasses much longer. Others have been fitted or rather misfitted, with wrong glasses by travellers, and charged a great deal more than they ought to have been. This year our traveller, Mr. C. H. White, intends calling on parties at their homes in the country, to test eyes and show samples of our goods. Should he call on you I bespeak for him your favorable consideration, and any order you may give him will be filled as soon as possible and guaranteed by me. Glasses can also be exchanged at the store, CAMERON BLOCK, City, if after a trial they do not prove as satisfactory as you wish.

E. W. TAYLOR, City

Warning!

I wish to inform the public that several parties are travelling the country using my name and pretending to be selling Spectacles for me. Mr. C. H. White is the only traveller that I employ. He is competent to test eyes and fit Spectacles properly. If any others call and say they are selling for me please ask them to show their licence.
