### City League Playoffs Start Over Week-end

Opening game of a best out of five series for the City Baseball League title will be played at Victoria Park diamond tomorrow afternoon at 2.30 sharp between "Will Ryan's West End Anchors and Whiskey McEachern's Northend Rovers.

Anchors playing the best ball in the league since the reorganization took place are an even bet to stop the hard-hitting Rovers squad. Pitching selections for the game have not been made known but it is likely that Anchors will send speedball "Doc" McCallum to the mound with the Rovers likely to depend on the baffling slants of "Skinny" McKinnon.

The game will get away sharp on time and team managers are asked to govern themselves accordingly and have their players ready at the appointed time, namely 2.30.

Baseball writers here predict Detroit Tigers will trade either Hank Greenberg or Rudy York during the winter... there is a campaign underway in Los Angeles to obtain a Major League franchise for that city... and scouts report back that Lindsay day of Montreal Royals is the best major league outfield prospect in the International League...

Bob Pastor is prepping for Joe Louis by going 10-minute rounds in training instead of the usual three-minute sessions... Man Mountain Dear, who will be remembered as a pretty fierce looking wrestler, has come out of retirement to play the part of a cop in Atlanta's cavalcade of baseball George Marshall of Washington Redskins has abandoned the idea of the farm system for pro football... with 200 college stars to draw from each year a farm would be wasted money.

### Doubleheader Softball Bill

Battling for a chance to meet the Rovers in the final series All-Stars and Hawks Midget softball teams will play a doubleheader bill at the park diamond tomorrow afternoon in the fourth and fifth games of the best of seven semi-final series. All-Stars lead the Hawks at the present time two games to one and should they manage to capture both games will qualify to go into the final series against the Rovers.

The first game will start at 1.30 with the second encounter being played at 6 o'clock.
