The Drama Club, sponsored by the Student Union will be officially underway in the Steel Recital Hall Monday the 28th of November at 8 p.m. Fondly known as M & D night (music and drama night) as noted on all posters, the Drama Club will be presenting a one act play entitled Overtones by Alice Gurstenburg. Four original pieces by Robin Ward are included in the evenings entertainment. Various song artists and musicians will also share their talents (which will no doubt aid in drawing a wider audience to the Exchange). The price of admission is \$1 for students, \$1.50 for others.
