Peter's: Miss Eileen Sanderson of Middell; Mrs. Aldus MacKenzie of Morell as well as Rev. F. A. MacLeod.

The very necessary task of transporting the young pupils to and from the Vacation School was performed by Mrs. E. W. Anderson, Rev. W. E. Aitken, Rev. R. A. MacLeod, Shirley Sutherland, Kenneth and Donald Anderson, Stewart MacEwen, Harry Rattray, Robert Sutherland and Aldus MacKenzie.

Both pupils and adult workers had a rich experience of fellowship and fun in the sharing of work, study and play. The Vacation School experience also left a deeper conviction of the value of such a teaching project for young people wherever it may be carried out.

Visiting Teachers Praise Province

Mrs. Dorothy Randall, Dean of Personnel at Keene Teachers College; Miss Etta Merrill, Head of the Art Department, K. T. C.; Miss Marjorie Frost of the History Department, K. T. C.; Miss Augusta Pragst, Professor of Reading and Psychology at K. T. C.; and Miss Mildred Guttersen, a teacher of Biology at Keene High School, were of one voice in their delight at the charming countryside of P. E. I.

They came by car from New Hampshire to Borden, to Charlottetown and returned to the mainland by Wood Islands Ferry.

One car returned Tuesday, the other Friday. Miss Pragst was accompanied by her sister-in-law, Mrs. George Pragst of Pawtucket, Rhode Island.

They were guests of Mrs. Mary Donald Deans at her summer home, Dondea, in Little Sands.

No Time To DOZE. There is no time to doze if we are to win the battle against cancer. We must keep reminding our people to see their doctor early if they notice the cancer symptoms. To save lives we must continue the Cancer Educational programme; and we must have the funds to do this. We must secure contributions to maintain the more than 80 Cancer Research Projects in Canada. Through the Cancer Campaign we hope to send six more island doctors to the Mayo Clinic to learn the newest techniques in Cancer Diagnosis and treatment. We have made progress in the battle against Cancer in P.E.I. but we must not doze on the job. We must keep constantly on the job and we must have the tools. The P.E.I. Cancer Campaign is being held the first week in September. Your dollars contributed to the Cancer Campaign are the tools that will bring nearer the day when we will conquer Cancer. GIVE TO CONQUER CANCER, the life you Save may be your own.

that the bats were there until workmen began repairing the 12th century church after it was struck by lightning.

for the Best Pickles USE KENT de luxe VINEGARS Lowest in cost because made in your own region. Its purity, strength and flavour ensure success for your pickles, relishes, catsups, salads! For Free Recipe Booklet write: KENT VINEGARS CANNING, N.S. ALSO IN BULK AND BOTTLES

Personally we're inclined to accept the idea of a correspondent who says he lays strips of aluminum foil between his vegetable rows. He reports this discourages the weeds, keeps the soil moist, and reflects the sun's rays to the plant. There are so many uses for aluminum that the list fills a good-sized book, and is always growing. At present we can't supply Canadian manufacturers with all they want. But we're busy building new plants and powerhouses so that you may be able to buy more of the aluminum articles you would like to have. Aluminum Company of Canada, Ltd. (Alcan).
