

## Messages from your Student Union Executive

A sincere welcome back is extended to all those attending for the very first time. On behalf of the Student Union, I hope each and every student has a successful year and achieve the goals which they set for themselves.

This year looks to be a promising one and, with your help, it can be one of the most successful years to

ever hit the UPEI campus.

If at any time you feel things are not going quite the way you planned or have any difficulties at all, please feel free to contact me at any time on or off campus. My door is always open.

Sincerely,  
Steven Wynne  
President  
UPEISU

Student  
Union  
President

Welcome back Frosh and Welcome back all returning students!

I'm sure that after such a super summer you're all ready to buckle down and start studying (Yeah, right.) The main thing to do the first couple of weeks is to get out and enjoy yourself. In other words, PARTY at the Barn. Don't forget classes too.

As VP Academic of the Student Union, I am basically responsible for the

Yearbook, the newspaper, and other duties as required (God knows what that means) and I am a member of the UPEI Senate.

If you have any questions concerning these things ("other duties" not included), please drop in and visit me in my office at the Barn.

See you there,  
Michelle Couttreau  
VP Academic  
UPEISU

Hello Students,

Welcome to another super year at UPEI! As you straighten out your courses and get back into the "swing" of things, I hope each of you has time to visit us at the Barn and participate in all the social activities planned for "Welcome Back '87". It has been proven that our students at UPEI know how to have a good time and what

better way to start school than celebrating and taking full advantage of everything your Student Union has to offer for '87-'88.

It is my sincere hope that this be a successful year for all of you and that each of you will join the Student Union in making this the best year yet at UPEI!

See you at the Barn & Welcome back.

Heather Hickey  
VP Operations  
UPEISU
