\$40 a month and all the anguish you can eat.

Some job description, eh?
Forty bucks walking around
money. Spending your working hours
listening to the wretched pour out their
misery.

Our customers cut through every
stratum of society. Our territory is all
over: prisons, tough bars, squalid
rooms jammed with families of five,
broadloomed suburban living rooms
jammed with everything but hope. All
those folk standing in their own garbage.

Those are our people. We try to

help them take the garbage and re-cycle
it into something useful, rewarding and
Christian.

We're helped by a decent
education. By intelligence, empathy
and a sense of humour. By developing
a tough and gentle spirit. By having as
a well-spring a rock-like faith in Christ.

Come help us help others to help
themselves. It's an extraordinary life
for the right kind of man.

Think about it. Then, if you'd
like to hear more, write or call us.
