DRUNKENNESS IN CLASSES AND NATIONS. - Carriage classes have been proverbially noted for intemperance. "As drunk as a tinker" is an abbreviated form of the other saw, "Cubblers and tinkers are the best ale-drinkers."

Carlyle, in his address to the Edinburgh students, said - "It seems to me, the finest nations in the world - the English and the Americans - are going all away to wind and tongue."

THE HOWL-AWAY PILLS COMPANY. - There's no field left for speculation, a cause for deep regrets; To meet this want it is proposed To form a company, composed Of several wealthy Sets.

No vulgar Banking scheme for me, Financial, or Land Company, Coffee or Cotton Mills, No Bricks and Tiles, nor Patent Slips, No Cotton Screws, nor Iron Spikes, My little game is - PILLS.

"THE PILLS AND OINTMENT COMPANY," Buy up Professor Howl-away (Whose name of course appears); The Capital, subscribed with ease, Amounts to Two Crores of Rupees, In Fifty Thousand Shares.

To cure, to strengthen all mankind, The lame, the deaf, the blind, So efficacious of its kind, As Howl-away's renowned Pills, Well known to our human ills, And save no end of doctor's bills, And all the bore of making wills.

For itch, for scabs, for broken knees, For bites from snakes, wild bears, and bees, What instantly gives so much ease (Without the expense of Doctors fees) As Howl-away's renowned Pills, No lotion, salve, or liniment, Was ever to port mortal sin, So rich in virtue or in scent!

A writer in a Georgia paper introduces the American Eagle, which for years has been a comparative stranger in those parts, in this city's preliminary to the Fourth of July; We must fix up the Eagle, get the Goddess a set of teeth and a water-gate, and have Fourth of July got up regardless of expense. We must give all the Mormon women a husband apiece, marry the anxious school-marks that come down South to teach the dimes, put the negroes at work, build horse-rails from New York to the City of Mexico, dam up the Gulf stream, lick England (Old and New) and Cuba, and we will be again a great and glorious country.

Manifest destiny - the senses or going to the devil, or any other place, before you get there. Manifest destiny unto, perhaps be blocked out again as the conclusion that men and things find themselves in with a ring in their noses and somebody hold up the ring. The way that manifest destiny had better be set down is, the exact date that a frog can jump down hill with a striped snake after him - Josh Billings.

A St. Louis miss of fourteen eloped with a young Italian the other day, and cheated a minister by marrying them by placing a slip of paper with eighteen written on it in her shoe, and when questioned as to her age, saying she was over eighteen. A wicked lawyer taught her the trick.

Soothing Syrup, FOR CHILDREN TEETHING, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation - and by its use, the child is enabled to nurse, and to sleep, and to regulate the bowels.

THE ROAD TO HEALTH AND LONG LIFE

SECRETED BY HOLLOWAY'S PILLS. Impurities of the Blood. In selecting the most appropriate medicine for a particular ailment, there may be some difficultly unless one can be found to purify, regulate, and invigorate the system. These Pills possess the three qualifications in an extraordinary degree. They enable the stomach to digest the liver, cleanse and purify the blood, expel all morbid matter, and throw into the circulation the purest elements for sustaining and repairing the frame.

Weakness and Debility. How many persons suffer from debility without knowing the causes why they are feeble? In most cases the stomach is the aggressor. Holloway's Pills have long been famed for regulating a disordered stomach, and restoring its healthy digestive powers.

Disease of the Head and Heart. These formidable diseases are, unfortunately, of frequent occurrence; for the most part they creep on gradually, but may be prevented by proper precautions. Holloway's Pills are the surest preservative against all dangerous affections of the brain, and the most effectual correctors of irregular circulation.

Females of all Ages & Classes. The fame of these Pills is partly based upon the beneficial effects they have upon the constitutions of females. From the domestic servant to the peeress, and all ranks of society, they are recommended to them for their invigorating and purifying properties, which render them so safe and invaluable in all disorders peculiar to the sex.

All Disorders affecting the Liver, Stomach and Bowels. Whenever the stomach, liver, or bowels are disordered by high living, climate, or indulgence in the use of rich food, or any other cause, the use of Holloway's Pills will soon rectify the error, and speedily bring back energy, strength and cheerfulness to the frame where previously all was lassitude, gloom and depression.

Dependancy, Low Spirits. The misery occasioned by a disordered digestion, is unfortunately, felt by many of our fellow creatures, who are unable to do their duty, and to enjoy the pleasures of life. These Pills will soon rectify the error, and speedily bring back energy, strength and cheerfulness to the frame where previously all was lassitude, gloom and depression.

Influenza, Diphtheria, Bronchitis, Coughs and Colds. In our changeable climate few persons escape without colds, sore throats, influenza, diphtheria, or coughs, for which few famous correctives will be taken with the certainty of effecting a cure. While the Pills are expelling all impurities from the system, they will also correct the cough, and soothe the throat.

Holloway's Pills are the best Remedy known in the world for the following diseases: Ague, Malaria, Irregular Menstruation, King's Evil, Bilious Complaints, Pains of the Stomach, Gravel, Rheumatism, Dropsy, Headaches, Constipation, Indigestion, Consumption, Dropsy, Piles, Hemorrhoids, Erysipelas, &c. &c.
