ADVERTISED LIKE A CIRCUS.

Ottawa Citizen: The "royal review" is being advertised like a circus in Toronto, and the admission fee is fixed at one dollar, with fifty cents for seats on the bleaching boards. The whole business is a discrace to whoever is responsible for it, but everybody in authority denies the responsibility. The authorities here say it is Col, Otter, C. MR. CANN RESTORED TO HEALTH.

An Exeter Man who was Very Ill is Well Again.

He Publishes a Letter Telling how He Sought Relief in Vain Til He Tried Dodd's Kidney Pills—They Cured him Completely.

EXETER, Ont., Oct. 7 (Special)—Mr Lorne Cann, laundryman, of this place, has sent in the Exeter Advocate for publication the following letter:—

"I feel it my duty to write a letter for publication expressing my gratitude for the benefit I have derived from the use of Dodd's Kidney Pills.

"I was in a terrible run down condition and suffered much from pains in the back and severe headaches. The least exertion would laeve me tried and breathless. My appetite was very fickle and I often had a loathing for food. I tried several remedies but with no benefit; instead I was growing worse.

"I consulted a doctor and was under his treatment for three months, but did not get any better.

"Having read much concerning Dodd's Kidney Pills in the Advocate and other papers, I finally decided to try them and bought two boxes. Before these were all used I could feel a marked improvement and purchased four boxes more. These completely restored my good health and I can now go about my work without an ache or pain of any kind.

"My recovery leaves no doubt as to the curative properties of Dodd's Kidney Pills and I may add that their value has been further proven in the ease of a friend of mine to whom I recommend them, and who has had ex-perience similar to my own."

Those who know Mr. Cann and how very poorly he was, are full of praise for Dodd's Kidney Pills.

IMMIGRATION IN NORTHWEST.

It is to be hoped immigration to the Canadian Northwest will continue at the same rate as during August. Five thousand a month for twelve months would give an appreciable effect and the same influx for ten years would make a good showing for the next census. With the natural increases added there should be well on to 2,000,000 people west of the Ontario boundary in 1911, as British Columbia is certain to make a showing.
