Federation of Agriculture

However, when such policies are applied to agriculture the services and results may not be entirely adequate. Banks can and do render an excellent service in financing of seasonal operations but are not, in general, in a position to undertake the financing of establishing young people in the business of farming. Long term credit is not the business of the banks and with the present high investment needed to launch farming operations there is clearly a need for some special provision in this field. The C.F.A. is presently engaged in a study of the peculiar credit problems of agriculture and, it is hoped, will eventually be in a position to make recommendations with respect to credit policies more suitably tailored to farm needs.

Things Look Good

For the past month nature has been kind to this province, moisture in most localities has been ample, the weather has been warm and as a result all field crops are making excellent progress. Pasture is as good as we have ever seen, hay crops are heavy and early grain really promising. With a reasonable amount of moisture for the next month the Island appears to be headed for heavy crops in all departments.

Beetles Numerous In Early Planted Fields

Colorado potato beetles are quite numerous in early planted fields and large numbers of eggs are being laid, states the weekly potato bulletin issued by the Science Service Laboratory. These eggs hatch in about a week into reddish larvae which are familiar to everyone. Whenever the eggs begin to hatch, use 2 pounds of 50 per cent wettable powder in 100 gallons of water.

Potato flea beetles are also quite numerous in some fields and may cause serious damage by puncturing small holes in the leaves. The DDT spray used for potato beetles will also control these pests.

In order to avoid delay in gaining control of disease and insects, make sure that pumps and nozzles are operating efficiently. Successful blight control requires strict attention to early spraying. It should always be borne in mind that spraying is a preventive, not a cure. Usually the spray schedule should start when the plants are approximately 10 inches high.

Jaycees Hold Dinner, Dance

A social evening to officially mark the end of activities until the early fall months was held Tuesday evening at the Clover Club by the Charlottetown Junior Board of Trade.

An excellent dinner was served by the Ladies Auxiliary of the Canadian Legion. Guests included Mr. Keith MacKinnon, president of the Charlottetown Board of Trade and Mrs. MacKinnon, Mr. James Cudmore, president of the newly formed Montague Junior Board of Trade and Mrs. Cudmore. Also present were other members of the Charlottetown Board of Trade and the Montague Junior Board of Trade, and others.

Personals

Mr. Stewart Nelson and Mr. Gordon MacNeil returned to Montague after an enjoyable trip to Vermont, U.S.A.

Mr. and Mrs. Alex Hutcheson, Montague, left yesterday for Western Canada where they will reside.

Mr. Peter McGuigan returned to his duties at Oshawa, Ontario, during the past week after spending some time at his home in St. Mary's Road. He was accompanied by Mr. Stephen McKeeney and Mr. Howland McGuigan. Mr. McGuigan intends to spend a month's vacation in Oshawa.

Mrs. J. A. Reynolds and Miss Sadie MacKinnon, Ottawa, were called to Montague last week to attend the funeral of their mother, Mrs. Murdoch MacKinnon. A nephew of the late Mrs. MacKinnon, Mr. Donald MacKinnon, Quincy, Mass., motored to the Island to attend the funeral.

NEED RESEARCH

FORT QU'APPELLE, Sask. (CP)—Need for more research into the development of psychopathic personalities was stressed in an address by Dr. D. G. McKerracher, Saskatchewan director of psychiatric services. Sex offenders, he said, should be treated with more light and less heat.

Confirmed In Rank Of Group Captain

OTTAWA—Group Captain Morris B. MacKinnon, 48, of Charlottetown, P.E.I., has been confirmed in the rank of Group Captain, it was announced Thursday by Air Force Headquarters.

Educated in Charlottetown, G/C MacKinnon attended Dalhousie University where he studied law for two years.

G/C MacKinnon joined the RCAF in 1940 as a supply officer and served in Canada and overseas in the supply branch during the Second World War.

In 1951 G/C MacKinnon was appointed to the staff of Supreme Headquarters Allied Powers Europe. He will return to Ottawa on July 12 to the Directorate of Material Supply.

Group Captain MacKinnon is a son of Lt.-Col. D. A. MacKinnon, Charlottetown.

U.S. Veteran Had Relatives Here

The death occurred at the Veterans Administration Facilities, Jamaica Plains, Mass., on June 23 of Leslie Arthur Scott of Reading, Mass., in his 30th year.

The late Mr. Scott was a veteran of World War II and served in the European Theatre. He attended University of Illinois from which he received his Bachelor of Science Degree in mechanical engineering. He was a member of Reading symphony orchestra.

Military honors were afforded the late Mr. Scott whose funeral was held on Saturday, June 26, from the Calvin funeral home.

Surviving are his wife Alice Ruth (Pullen) Scott, his father and mother Mr. and Mrs. Arthur W. Scott, Somerville, Mass. Relatives on Prince Edward Island include two grand aunts, Mrs. Minetta Hurry, West Royalty and Mrs. George Pickard, Charlottetown. A grand uncle, Mr. James Stockman, resides at Winsloe.

Picnic Enjoyed By Fellowship Group

Members of the Irwin Christian Fellowship Group, together with their families and a number of friends enjoyed a day's outing at Stanhope Beach yesterday afternoon.

The children had a bountiful supply of soft drinks and ice cream, and everyone present enjoyed it.

Death In Ch'town Of Mr. Richard Moore

Mr. Richard Webb Moore, formerly of Montreal and Ste. Anne de Bellevue, Quebec passed away at the Prince Edward Island Hospital early Wednesday morning following an illness of some two months. He was in his 74th year.

The late Mr. Moore was born at Moncton, N. B., on April 9, 1881, son of the late George Moore and Sarah Steadman. He received his early education in Moncton schools and later attended Mount Allison University. He was employed by the Intercolonial Railway of Canada until 1906, when he moved to Montreal to join the staff of the Canadian Car and Foundry Co. Ltd., in 1907 with which he remained until retirement in 1950 as general paymaster.

A man of genial nature which won him many friends wherever he went, he was actively engaged in many fields of community life. At the early age of 18 years he was president of the first Maritime Boys' Conference in 1897, and secretary of McGill Y.M.C.A. in 1906-7. The late Mr. Moore was a lover of music and a gifted singer. He sang tenor with St. James Methodist (United) Church quartette, was a member of the McGill Glee Club and at one time during his career chosen as one of 19 vocalists who had accomplished much for musical art in the Dominion. He was also a keen follower of sports. He was a member of the Canadian Railway Club and an associate member of curling clubs at Ste. Anne de Bellevue, P.Q., St. Stephen, N.B., and Charlottetown.

Following his retirement from the Canadian Car and Foundry Co. Ltd., he spent two and a half years in St. Stephen, N. B., and his resided at Charlottetown for the past year or more at 130 1/2 Elm Ave.

He leaves to mourn his wife Gertrude Blanche, City, two sons, William George, Montreal and Ralph Eric, Vinalia Station, Ont.; two daughters, Ruth (Mrs. T. L. Fitzgerald) and Joan (Mrs. W. W. Irlam) both of Charlottetown; two sisters, Miss Helen G. Moore, Toronto and Miss Mabel G. Moore, R.N., New York, N.Y., and 10 grandchildren.

Sons William and Ralph and daughter Ruth are from a first marriage to Elizabeth Maud Hurd, who predeceased him in 1923 while Joan is the only daughter of his second marriage to Gertrude Blanche Heatt of Saint John, N.B. in 1926. Two brothers, William George of Toronto and delightful picnic supper served at one of the Park shelters. After many of the holidayers had had a dip in the waters of the Gulf, a well balanced program of fun and sports was participated in by both children and parents.

The group was happy to have with them for the first time their new minister Rev. Howard Christie, his wife and family. Present for the occasion also were Rev. A. Frank MacLean, minister of Trinity Church and Rev. Dr. Lawrence Toombs of Drew University, Madison, N. J.

The winners in the racing events were: Children five years and under, Jimmy Kirby; 6, 7 and 8 year olds, Blair MacKinnon; 9-12 year olds, Donny MacLennan; married women's race, Georgie Diamond; married men's race, Dennis Webster; Minister's race, Rev. Lawrence Toombs; couple's three legged race, Mr. and Mrs. Neil Diamond; couple's wheel barrow race, Dorothy and Dennis Webster.

Dominion Day Holiday Enjoyed

A booming 21-gun salute was fired by members of the 26th L. A.A. Regiment yesterday noon in honor of Canada's 57th birthday anniversary.

Other than the noise of the guns, Dominion Day passed quietly for most people. There were no reports received of serious accidents, drownings or any sudden deaths in the Province.

Large numbers of people took full advantage of the warm summer day to visit beaches and other well known resorts. Each boat on the crossing to Rocky Point was jammed with youngsters seeking to get away from the city for the first summer holiday. Countless others stayed at home to stretch out on the grass or in lawn chairs.

All roads were packed with automobiles carrying picnickers or people going to their summer cottages for the opening of the season.

Among sportsmen, the fishermen predominated in numbers, but Robert of Montreal, also predeceased him.

The remains are resting at the MacLean Funeral Home from where they will be transferred to St. Paul's Anglican Church today for funeral service at 2:00 p.m. Rev. Canon E. M. Malone officiating. Interment will be in the People's Cemetery.

Smith was in charge and with him was Lieut. James MacNeill. Also present as Medical Officer was Lt. Col. J. D. MacNeill. WO2 Harry Downe was in charge of the guns while the two gun crews were under Sgt. A. R. Dalsiel and Sgt. A. E. Gauthier.

Announce New Way To Shrink Painful Piles

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to stop bleeding—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And

among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years standing.

All this, without the use of narcotics, anesthesia or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

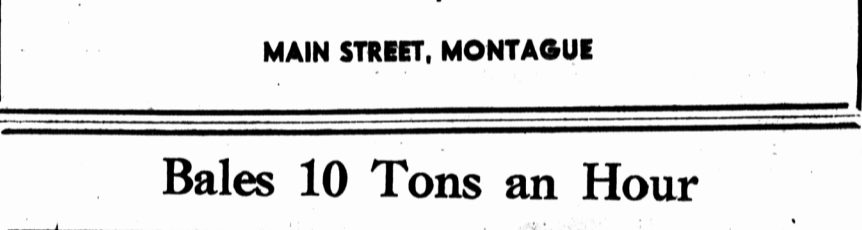

Now this new healing substance is offered in ointment form for hemorrhoids under the name Preparation H. The price is only \$1.19 a tube including an applicator. The name to ask for is Preparation H—at all drug stores. And remember—if not entirely satisfied—your money will be refunded promptly.

MASSEY-HARRIS FERGUSON LTD. Wish to announce the appointment of S. C. REID & SON To the dealership of MONTAGUE and VICINITY

This dealership will be known as REIDS FARM EQUIPMENT And will be serving the public in the MASSEY-HARRIS LINE of Farm machinery parts and repair work

Reid's Farm Equipment Is conveniently located on MAIN STREET, MONTAGUE

Bales 10 Tons an Hour

The new Dearborn Hay Baler will produce three to eight bales per minute and has a capacity of 10 tons of hay per hour, providing farmers with fast, efficient one-man baling. Bales measure 16" by 18" in either 36" or 42" lengths. Bale weight can be adjusted between 50 and 100 pounds. A 25 horsepower engine provides ample power for baling under varied conditions. With this powerful engine, stacked hay can be baled as efficiently as windrowed hay.
