### Royals Take Series Lead; Whitlock Scores Winner

Charlottetown Royals took a 2-1 lead in their series with New Glasgow Rangers last evening at the Sports Arena by edging the Nova Scotia squad 7-6. The old warhorse, Buck Whitlock scored the winning goal, his second for the evening.

The Royals had a battle on their hands in this contest and in the first period the Rangers skated rings around them. Score at the end of the opening session was 2-0 for the New Glasgow Squad. For a while it seemed as if the Royals had the long layoff instead of the Rangers.

The Rangers were minus five of their regular players but still put up a magnificent show. For tonight's contest the Nova Scotians expect a full lineup. The second period had gone less than two minutes when Pineau tallied on an assist from Carroll and at the 8:29 mark Allie Carver took the puck all the way and drilled one from the corner that Morrell, the Rangers' goalie apparently never even got a glimpse of. Before the period ended both teams tallied again with the score being tied 3-3 at the end of the stanza.

Allie Carver put the Royals in the lead at the 3:26 mark of the last period, and a couple of minutes later Scatalone, who played an excellent game, got a breakthrough and outmanoeuvred Thane Doyle to tie the game. Dowling, who had been idle for several weeks due to a face injury, put the Royals ahead shortly later but the Rangers not to be outdone scored two in the next ten minutes to take the lead once again. Pineau put

the Royals on even keel at the 16:26 mark and Buck Whitlock, the old reliable, fired the winner for the Royals presented to the person rolling the highest three games and finally the Michael Bros. trophy going to the individual with the tournament's highest single. The tournament is being run on a four point basis, a point for each game and one point for total.

### Pappas And Harshmann Lead Orioles To Shutout

BALTIMORE (AP)—Baltimore Orioles shut out Washington 4-0 Thursday night on the three-hit pitching of young Mi Pappas and veteran Jack Harshman.

Gus Triandos led the Orioles' attack with his second homer and a double, and Brooks Robinson added a home run and a single. Harshman was brilliant in relief, allowing only Norm Zauchin's sixth inning single after taking over in the fourth with one out and runners on first and second.

The left-hander walked Lou Berberet to load the bases, then got Whitey Herzog and Rocky Bridges on called third strikes. Pappas allowed a first inning single to Herb Plews and another to Berberet in the second but went wild in the fourth. After walking Roy Sievers and advancing him to second on a wild pitch,

the 18-year-old hurler forced Jim Lemon to fly out. But a walk to Zauchin put two runners on and brought Harshman to the mound. The Orioles scattered their 10-hit attack among seven batsmen as the 19:37 fans saw Triandos lead off the second inning with a 430-foot blast over the left centre field fence and saw Robinson pole one into the left field bleachers to start the sixth.

Bob Nieman and Billy Gardner accounted for the other runs with singles in the first and third.

At Fenway Park in Boston, Johnny Kucks, supported by a Mickey Mantle homer and a Yogi Berra double hurled a seven-hit 3-1 win for New York over the Red Sox. Jackie Jensen got to Kucks in the ninth for his third home run in four games, but the Yankee righthander settled down to wrap up the decision.

WILLIAMS PINCH-HITS Veteran Ted Williams made his first appearance of the season for Boston, coming in as a pinch-hitter in the eighth. He grounded out. San Francisco beat a pitcher who wasn't there Thursday in pumping Los Angeles 7-4 and winning the inaugural series between the two west coast teams 2-1. Don Newcombe, hoping to regain the form that won him 27 games two years ago, started on

the mound for the Dodgers, but pulled a muscle in his pitching shoulder and had to retire in the fourth inning. At the time the score was 4-4. O'CONNELL WALKS Rookie righthander Larry Sherry relieved with a 2-0 count on Danny O'Connell. The Giant infielder finished scoring the walk and eventually scored to put his club in front to stay. The run was charged to Newcombe and cost him the loss.

## Largest Crowd Ever Expected

LOS ANGELES (AP)—A crowd of more than 90,000, the largest ever to see a major league baseball game, is expected to welcome Los Angeles Dodgers to their new coliseum home today for a tilt with San Francisco Giants.

The huge concrete coliseum, where the 1932 Olympic games were held, has been converted from a football park into a baseball park that dwarfs the imagination. A 42-foot-high wire mesh screen hangs from two steel towers at the 250-foot leftfield line.

Nobody knows what will happen when major league hitters start bombing fly balls toward this handy leftfield barrier. Many fear the worst because a band of college boys recently hit 13 over the screen in practice.

### Fans Searched For Arms

HAVANA (AP)—Baseball fans entering Gran Stadium for the opening International League game between Cuban Sugar Kings and Buffalo Bisons Wednesday were searched for arms.

Reinforced squads of police frisked the 12,143 persons who then watched the Havana team edge the Bisons 7-5.

No arrests were reported. Fears by some fans and visiting players that rebels might try to bomb or otherwise sabotage the game did not materialize.

## Rocket Does It Again; Habs Win In Overtime

By W. R. WHEATLEY Canadian Press Staff Writer MONTREAL (CP)— Maurice (Rocket) Richard broke up an overtime game Thursday to give Montreal Canadiens a 3-2 win over Boston Bruins in the fifth game of the Stanley Cup final.

The goal came at 5:45 of the first overtime period and put Canadiens ahead 3-2 in the best-of-seven series. The sixth game will be played in Boston Sunday.

It was the end to a torrid battle and the 36-year-old Rocket's goal sent a sweltering crowd of 14,415 many in shirt sleeves into a wild ovation in the steaming hot Montreal Forum.

STARTS PLAY The play started with Henri (Pocket Rocket) Richard, who passed to Dickie Moore. Moore carried just over the blue line and passed to the Rocket. The Rocket carried slightly to the left and as Moore and Henri Richard crossed in front of him and the Boston defence moved up to check, the Rocket let fly with a 30-footer.

Goalie Don Simmons of Boston who had played a sensational game all night was partly screened by the criss-crossing Montreal players and his own defence. The puck swished into the net and the jubilant Canadiens pounced on the veteran Rocket.

Each team came fighting from behind to pull into a tie before the all important fifth game of this bitterly fought best-of-seven series went into overtime.

Fleming Mackell put the Bruins ahead 1-0 at 18:43 of the first period while Montreal was short-handed. Bernie (Boom Boom) Geoffrion and Jean Beliveau shot Montreal into a 2-1 lead with quick goals early in the second period. Then Bronco Horvath got the Bruins back on even terms midway through the third period.

The Rocket's goal was the 18th time he has supplied the winner in playoffs and the sixth time the winning goal has come in overtime. He is in his 13th post-season series.

This game, with so much depending on it, was comparatively wide open but not lacking hard-hitting by both teams. They stood up against the terrific heat remarkably well, with seldom any letup in the drives. First one team and then the other seemed to hold an advantage in offensive play.

With both Jacques Plante of Montreal and Simmons playing brilliantly in the nets, it was anybody's game.
