THE steamer *Carroll* cleared for Boston yesterday, with a cargo valued at \$4000, consisting of 5,400 bushels of potatoes, 300 cases of eggs, 21 bbls. of herring, 1500 lbs. old metal, and 2,500 lbs. pork.

CRICKET.—We are glad to learn that the noble old English game of cricket (without the whiskey) is likely to be entered into with more than ordinary zeal this season. All well-wishers of the Club will help its working by sending their subscriptions to the Secretary.

THE schooner *Jessie*, owned and freighted by Hon. J. Wightman, was wrecked on the coast of Nova Scotia while on a voyage from Georgetown to Halifax, on or about the 24th ult., with a cargo of produce. We learn that the vessel and cargo are a total loss, and that Mr. Wightman has no insurance on either.

PRINCE LOUIS, of Battenberg, is the successful candidate for the throne of Bulgaria. He is a cousin of her Majesty Queen Victoria, which connection procured him a position in the British Navy. He served on the North American Station in the "Royal Alfred" as Lieutenant six years ago.

We would call the attention of our readers to the sale at auction by Mr. William Dodd, of all the household furniture of William McKechie, to be sold to-morrow Saturday, 3rd inst., at 11 o'clock, at his residence, Upper Prince Street, opposite Judge Hensley's. This lot of Furniture is principally of walnut, and is nearly new. Look out for bargains.

LADIES UMBRELLAS.—W. A. Weeks & Co will show, on Friday, special bargains in LADIES' SILK UMBRELLAS. One lot of about 12 doz., worth \$2.25, will be thrown away at \$1.35 each. Ladies should see them. They are *Finest Twill Silk on patent frames*, and the extraordinarily low price should sell them all in a day or two.

THE merchants of Prince William street, St. John, have determined to make their street the street of that city, and decided to employ a private scavenger, whose duty it shall be to keep the street in a thoroughly clean and neat condition. The object is to make the street attractive to the ladies and the "mart" of fashionable shopping.

THE annual meeting of the ratepayers of the town of Pictou was held on Monday. The most important matter brought forward was the recommendation of the Council that the sum of \$10,000 be raised by the sale of debentures, for the purpose of erecting a new building for the Pictou Academy. After a brief discussion the vote was taken, when 91 voted yea and 17 nay.

We greatly regret the failure of J. W. Hughes, Esq., the County Line Station merchant. Mr. Hughes battled along bravely during the five years of bankruptcy through which we have passed; and it seems hard that he should have been forced into insolvency just as better times are about to dawn. Mr. Hughes' liabilities are under \$8000; and we learn that in taking advantage of the Insolvent Act, he has preserved his high character for honorable dealing. He did the best he could under the unfortunate circumstances by which he was surrounded, and in which he became involved.

A VERY good attendance and a fair supply of saleables at the market to-day. In one of the stalls in the meat market was displayed a nice carcass of lamb; and, in the upper market, a small quantity of lettuce was on sale. THE annual meeting of the Phoenix Cricket Club was held at the Citizen's Skating Rink last evening, and was very largely attended. The Secretary read the minutes of last meeting and also his report, which were both unanimously adopted; he also read a letter from Captain Cummings, of the Garrison Club, expressing their appreciation of the hospitality received from the Charlottetown Eleven during their visit to this city last season. The thanks of the Club were tendered the late Secretary—F. Mitchell, Esq.—for the very efficient manner in which he had conducted the business of the past year, to which he replied in suitable terms. The following officers were then elected for the season:—

President—Hon. L. H. Davies.
Vice do—F. Mitchell.
Sec'y and Treasurer—John H. Yeo.
Managing Committee—W. C. Hobbkirk, B. Davies, jr., and George Macleod.

It was unanimously adopted that a deputation of the Club wait on his honor Judge Young expressing their appreciation of the interest he has always manifested towards our cricketers, and also to request him to be the Patron of the Club. NEWS BY TELEGRAPH.

Ottawa and Foreign News.

OTTAWA, May 1.

On the item of Dominion steamers, Sir Albert Smith expressed the hope that provision would be made, in the supplementary estimates, for the Cape Tormentine Railway; and asked what was to be done with the *Northern Light*.

The Minister of Marine said he hoped to see railway connection with the Cape, and a suitable steamer in connection with Ice Boats, carrying mails and passengers.

It had not been decided what was to be done with the *Northern Light*. She was unfit for the service, and it would be profitable to give her away and save expenses of conditional repairs.

Sir Albert said the *Northern Light* was built in accordance with the agreement entered into at the Union to maintain steam communication. She was said by witnesses to have been wonderfully well built; and it had been proved that steam communication could not be kept up all winter. The railway to the Cape was necessary, and he hoped to see it built.

Mr. Hackett said he trusted the Government would place \$500,000 or \$600,000 in the estimates for the Cape Railway and Strait navigation.

LONDON, April 1.

The *Daily Telegraph* says that further obstacles to the prosecution of the Poyet-Quartier Trans-Atlantic Cable scheme have arisen in the shape of a protest by William Cornell Jerrett, who claims to have been the real originator of the project. He declares that any organization such as these will be inoperative without his consent. The right they claim to lay cables by the route named from England and France is wholly worthless; that whatever concession they may hold from the French Government cannot enable them to lay a cable to the United States, as the Government of the latter have determined that no cable from France can be landed under a second concession from foreigners, and that his purpose will be to establish his right.
